

A black and white photograph of three children standing in the rain. They are wearing dark, hooded raincoats and rubber boots. The child on the left is looking down, the middle child is looking forward, and the child on the right is looking down. The background is a blurred, rainy street scene.

## **Saving The Children History Of The Organized Effort To Rescue Jewish Children:**

**Saving the Children** Bert-Jan Flim, 2005 Occasional Publications of the Department of Near Eastern Studies and the Program of Jewish Studies Cornell University no 7 Through its use of lively quotations taken from interviews with those involved in saving Jewish children in the Netherlands during World War II the book conveys an accurate picture of the situation the rescue activists faced **Saving The Children History Of The Organized Effort To Rescue Jewish Children** was published a decade ago in Dutch language as *Omdat Hun Hart Spark* This book is considered the definitive volume on organized rescue of Jewish children in the Netherlands during the Holocaust Lots of illustrations **Motherland** Rita Goldberg, 2014-01-27 Like Anne Frank Hilde Jacobsthal was born in Germany and brought up in Amsterdam where the two families became close Unlike Anne Frank she survived the war and Otto Frank was to become godfather to Rita her first daughter I am the child of a woman who survived the Holocaust not by the skin of her teeth but heroically This book tells the story of my mother's dramatic life before during and after the Nazi invasion of the Netherlands in 1940 I wrote *Motherland* because I wanted to understand a story which had become a kind of family myth My mother's life could be seen as a narrative of the twentieth century along with my father she was present and active at many of its significant moments Rita Goldberg Hilde Jacobsthal was fifteen when the Nazis invaded Holland After the arrest of her parents in 1943 she fled to Belgium where she went into hiding and worked with the Resistance at night She was liberated by the American army in 1944 In April 1945 she volunteered with a British Red Cross Unit to go to the relief of Bergen Belsen which had itself been liberated one week before her arrival The horror and devastation were overwhelming but despite her shock and grief she stayed at the camp for two years helping with the enormous task of recovery Sorrow and exuberance went hand in hand as the young people at Belsen found renewed life and each other Hilde got to know Hanns Alexander subject of the recently published *Hanns and Rudolf* who was on the British War Crimes Commission and eventually a Swiss doctor called Max Goldberg *Motherland* is the culmination of a lifetime of reflection and a decade of research Rita Goldberg enlarges the story she heard from her mother with historical background She has talked with her about the minutest details of her life and pored over her papers exploring not only her mother's life but her own Complicated feelings are explored lightly as Rita takes the story beyond Bergen Belsen where paradoxically her parents met and fell in love beyond Israel's War of Independence where they both volunteered and on to the next chapter of their lives in the US A deeply moving story *Motherland* will become an essential text about World War II the Holocaust and the survival of the spirit **Beyond Anne Frank** Diane L. Wolf, 2007-01-16 The image of the Jewish child hiding from the Nazis was shaped by Anne Frank whose house the most visited site in the Netherlands has become a shrine to the Holocaust Yet while Anne Frank's story continues to be discussed and analyzed her experience as a hidden child in wartime Holland is anomalous as this book brilliantly demonstrates Drawing on interviews with seventy Jewish men and women who as children were placed in non Jewish families

during the Nazi occupation of Holland Diane L Wolf paints a compelling portrait of Holocaust survivors whose experiences were often diametrically opposed to the experiences of those who suffered in concentration camps Although the war years were tolerable for most of these children it was the end of the war that marked the beginning of a traumatic time leading many of those interviewed here to remark My war began after the war This first in depth examination of hidden children vividly brings to life their experiences before during and after hiding and analyzes the shifting identities memories and family dynamics that marked their lives from childhood through advanced age Wolf also uncovers anti-Semitism in the policies and practices of the Dutch state and the general population which historically have been portrayed as relatively benevolent toward Jewish residents The poignant family histories in *Beyond Anne Frank* demonstrate that we can understand the Holocaust more deeply by focusing on postwar lives

**The Other Schindlers** Agnes Grunwald-Spier, 2010-12-26 Thanks to Thomas Keneally's book *Schindler's Ark* and the film based on it *Schindler's List* we have become more aware of the fact that in the midst of Hitler's extermination of the Jews courage and humanity could still overcome evil While 6 million Jews were murdered by the Nazi regime some were saved through the actions of non-Jews whose consciences would not allow them to pass by on the other side and many are honoured by Yad Vashem as Righteous Among the Nations for their actions As a baby Agnes Grunwald Spier was herself saved from the horrors of Auschwitz by an unknown official and is now a trustee of the Holocaust Memorial Day Trust She has collected together the stories of thirty individuals who rescued Jews and these provide a new insight into why these people were prepared to risk so much for their fellow men and women With a foreword by Sir Martin Gilbert one of the leading experts on the subject this is an ultimately uplifting account of how some good deeds really do shine in a weary world

**The Swedish Jews and the Holocaust** Pontus Rudberg, 2017-09-22 We will be judged in our own time and in the future by measuring the aid that we inhabitants of a free and fortunate country gave to our brethren in this time of greatest disaster This declaration made shortly after the pogroms of November 1938 by the Jewish communities in Sweden was truer than anyone could have forecast at the time Pontus Rudberg focuses on this sensitive issue Jewish responses to the Nazi persecutions and mass murder of Jews What actions did Swedish Jews take to aid the Jews in Europe during the years 1933-45 and what determined their policies and actions Specific attention is given to the aid efforts of the Jewish Community of Stockholm including the range of activities in which the community engaged and the challenges and opportunities presented by official refugee policy in Sweden

*Europe June 1942-1945* Katja Happe, Barbara Lambauer, Clemens Maier-Wolthausen, 2022-08-01 Executive editors Katja Happe Barbara Lambauer and Clemens Maier Wolthausen with Maja Peers English language edition prepared by Elizabeth Harvey Johannes Gamm Georg Felix Harsch Dorothy Mas and Caroline Pearce In summer 1942 the Germans escalated the systematic deportations of Jews from Western and Northern Europe to the extermination camps In most of the countries under German control the occupying forces initially focused on arresting foreign and stateless Jews thereby securing the cooperation of local authorities However before long the entire Jewish population was targeted for deportation This volume documents the parallels and differences in the persecution of Jews in occupied Norway Denmark the Netherlands Belgium Luxembourg and France in the period from summer 1942 to liberation it records the implementation of the systematic deportation and murder of Jews from Western and Northern Europe and it also records the rescue of more than 5 000 Danish Jews In letters and diary entries the persecuted Jews describe their attempts to flee life in hiding the transit camps and deportation transports that often took several days In Westerbork camp in the occupied Netherlands Bob Cahen himself an inmate recorded in his diary the arrival in the camp of 17 000 Jews from across the Netherlands in October 1942 People arrived here herded like livestock Some were buried beneath their luggage others without any possessions at all not even properly dressed Women in poor health who had been hauled out of bed in thin nightgowns children in undergarments and barefoot the elderly the ill the infirm more and more new people came to the camp The sources in the volume show how the perpetrators attempted to dupe their victims regarding the destination of the transports and how Jewish organizations

attempted to alleviate the suffering of the deportees The documents additionally illustrate how the resistance movement gained momentum during this period Learn more about the PMJ on <https://pmjdocuments.org>

**The Heart Has Reasons** Mark Klemptner, 2013-03 You can't let people be treated in an inhuman way around you Otherwise you start to become inhuman So declares rescuer Hetty Voute in this ebook of the updated edition of *The Heart Has Reasons* an acclaimed historical account that offers an in-depth look into the hearts and minds of the Holocaust rescuers and explores the meaning that their lives and deeds have for us today Individually or in small humanitarian cells the ten Dutch people profiled in these pages saved the lives of thousands of Jewish children during the Nazi occupation of Holland How did they do what they did and why did they risk everything to do it Although their extraordinary tales of rescue vary greatly the integrity of the rescuers does not Thus these narratives provide not only a window on the past but a vision for the future Framed by Klemptner's own quest for meaning the rescuers' words resonate across generations providing timeless insight into how people of conscience can navigate ethically in an increasingly complex world

**Between Community and Collaboration** Laurien Vastenhout, 2022-09-22 The first comprehensive comparative study of the Jewish Councils in the Netherlands Belgium and France during Nazi rule In the postwar period there was extensive focus on these organisations controversial role as facilitators of the Holocaust They were seen as instruments of Nazi oppression aiding the process of isolating and deporting the Jews they were ostensibly representing As a result they have chiefly been remembered as forms of collaboration Using a wide range of sources including personal testimonies diaries administrative documents and trial records Laurien Vastenhout demonstrates that the nature of the Nazi regime and its outlook on these bodies was far more complex She sets the conduct of the Councils leaders in their prewar and wartime social and situational contexts and provides a thorough understanding of their personal contacts with the Germans and clandestine organisations Between Community and Collaboration reveals what German intentions with these organisations were during the course of the occupation and allows for a deeper understanding of the different ways in which the Holocaust unfolded in each of these countries
