Saving For Americas Economic Future Parables And Policies:

Saving for America's Economic Future Laurence S. Seidman,1990 Attempts to assess whether the United States is in economic decline Appropriate to general readers as well as economics students and scholars this book examines the fears of Americans about their economic future *Economic Parables and Policies* Laurence S. Seidman,2015-05-20 This work includes sections on combating recessions and the free market as well as updated material on the pros and cons of establishing new individual accounts under Social Security It also includes a discussion of the tax credit approach to encourage the purchase of health insurance **The USA Tax** Laurence S. Seidman,1997 Although proposals for flat taxes have received a good deal of attention a majority of Americans say that for reasons of fairness they favor a progressive tax The USA Tax A Progressive Consumption Tax presents an alternative to both the present tax system and a flat tax The USA unlimited savings allowance tax is a progressive consumption tax that differs fundamentally from our current tax structure in that it taxes consumption rather than income In April 1995 the USA tax bill was introduced into the United States Senate Whatever the fate of the bill this book is an important contribution to the literature on the theory and design of a progressive consumption tax The USA tax has two components the household tax which replaces the current household income tax and the business tax which replaces the corporate income tax A fundamental purpose of the USA tax is to raise the level of national saving and investment It accomplishes this by making all household saving and business investment in capital goods tax deductible Seidman devotes most of his book to the impact on saving the issue of fairness practical design options simplification and a variety of questions and criticisms The book written in straightforward language will help guide the non economist through the coming debates on the USA tax **Automatic Fiscal Policies to Combat Recessions** Laurence S. Seidman,2015-04-08 Drawing on the most prominent research in the field this timely book offers bold new fiscal policies that can complement current automatic stabilizers and counter cyclical monetary policy to help combat recessions Dr Seidman argues for an independent fiscal policy board or the Federal Reserve to decide changes in the magnitude of Congress s fiscal policy package of stimulus or restraint with recommendations going into effect immediately subject only to Congressional override **Automatic Fiscal Policies to Combat Recess** , Offers fiscal policy options that can complement automatic stabilizers and counter cyclical monetary policy to combat recessions It argues for an independent fiscal policy board or the Federal Reserve to decide changes in the magnitude of Congress fiscal policy package of stimulus or restraint **Monthly Labor Review** ,1990-07 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews **American Book Publishing Record** ,1997-09 **Spółeczeństwo, w którym zwycięzca bierze wszystko.
