Shoemaker, 2016-01-01 For the first time a noted historian of Christianity explores the full story of the emergence and development of the Marian cult in the early Christian centuries The means by which Mary mother of Jesus came to prominence have long remained strangely overlooked despite or perhaps because of her centrality in Christian devotion Gathering together fresh information from often neglected sources including early liturgical texts and Dormition and Assumption apocrypha Stephen Shoemaker reveals that Marian devotion played a far more vital role in the development of early Christian belief and practice than has been previously recognized finding evidence that dates back to the latter half of the second century Through extensive research the author is able to provide a fascinating background to the hitherto inexplicable explosion of Marian devotion that historians and theologians have pondered for decades offering a wide ranging study that challenges many conventional beliefs surrounding the subject of Mary Mother of God **Mary** Beverly Roberts Gaventa, 1999-01-01 Beverly Roberts Gaventa A fresh distinctive Protestant treatment of Mary's life and legacy The Resurrection of Mary Magdalene Jane Schaberg, 2004-08-31 The controversy surrounding Dan Brown's novel The Da Vinci Code has intensified interest in Mary Magdalene and Jane Schaberg provides an authoritative source for a deeper understanding and re assessment of this popular figure Within a progressive feminist framework The Resurrection of Mary Magdalene approaches Christian Testament sources through analysis of legend archaeology and gnostic apocryphal traditions This is the story of the suppression and distortion of a powerful woman leader Schaberg presents Mary Magdalene as successor to Jesus in a challenging alternative to the Petrine primacy *One Perfect Life* John F. is almost wholly wrong How could the mother of our Lord simply by virtue of the fact that she was God's chosen means of the incarnation not deserve more serious theological reflection And where might this lead Beginning with Scripture Perry probes the texts and traces the lengthy development of Christian thinking and practice related to Mary Finally he concludes with a constructive and even surprising theological proposal for an evangelical Mariology that is rooted in and demanded by a high Christology This book addresses the increasing evangelical interest in Mary and contributes to the current discussion of Mariology in evangelical Roman Catholic dialogue Sure to be discussed and debated this is a book that will leave readers in a different place from where they began Market Audience Students and professors of theology Pastors Catholic readers

Endorsements From the fathers to the feminists Tim Perry surveys the history of Marian traditions and comes to some conclusions that are bound to prod and provoke This is an important study that deserves serious consideration Timothy George dean Beeson Divinity School Samford University and executive editor Christianity Today Features and Benefits Examines what we know of Mary from the New Testament Explores the development of Mariology in the patristic period Surveys Mariology in medieval and Reformation periods and on into the nineteenth and twentieth centuries Offers a constructive theological proposal for an evangelical understanding of Mary rooted in Christology

The Real Mary Lynette Marie Ordaz, 2008 The Real Mary explores the Mary of the Bible and compares her with the Mary of the Roman Catholic Church in language anyone can read and understand The Real Mary brings to light the many Marian doctrines of Catholicism and compares them to the infallible Word of God in the Bible Such topics as Marian apparitions Mary as Mother of God and queen of Heaven Mary as ever virgin and the doctrines of the Immaculate Conception and Assumption are discussed and compared to the Biblical Mary of Nazareth mother of Jesus

A Simple Systematic Mariology Mark G. Boyer, 2015-05-11 Mary the mother of Jesus is known in the Catholic Church as Our Lady of Grace Our Lady of Fatima Our Lady of Mount Carmel Our Lady of Sorrows Our Lady of Guadalupe Our Lady of Lourdes Our Lady of the Rosary Our Mother of Perpetual Help and more Her various titles describe her various functions within the Church Many books on Mariology the study or doctrine relating to the Virgin Mary either treat the liturgical aspects or the devotional aspects of the topic Here they are brought together in one seamless presentation A good Mariology begins with a good Christology Out of Mariology firmly grounded in and flowing from Christology there arise the liturgical and devotional aspects of the life of the Church The Litany of the Blessed Virgin Mary Litany of Loreto summarizes the attributes of Mary of Nazareth from both liturgy and devotion This book looks at those attributes individually and collectively and demonstrates how they are contained in the solemnities feasts memorials and optional memorials of the Blessed Virgin Mary throughout the liturgical year in the Scripture texts Where applicable devotionals seeking Mary's intercession are included

The Fly in the Ointment: The Mysteries of Mary Magdalene Jennifer Smith, 2014-08-23 Mary Magdalene was the principle witness of the death burial and resurrection of Jesus as told in the Christian gospels the grief stricken scarlet woman at the foot of the cross clutching her jar of ointment

her hair loose like that of the maenads Yet by the sixth century Mary once called the Tower had fallen into disrepute as a sinner and prostitute Mary was never a martyr but tradition has her exiled to a solitary cave where she was not a threat to the established church until she emerged after the rediscovery of the heretical Gnostic texts In these Mary Magdalene is the beloved companion of Jesus the disciple who knew the all As with her predecessor Eve she bears the sin of desiring knowledge and is condemned for it The question of whether Mary Magdalene can be identified with Mary of Bethany has become merely another means of reducing her authority In the gospels Jesus said that his anointer should be remembered for all generations yet she remains maligned and undefended until now *Mary Magdalene Revealed* Meggan Watterson, 2019-07-09 WALL STREET JOURNAL BESTSELLER

The Gospel of Mary Magdalene reveals a very different love story from the one we've come to refer to as Christianity Harvard trained theologian Meggan Watterson leads us verse by verse through Mary's gospel to illuminate the powerful teachings it contains A gospel as ancient and authentic as any of the gospels that the Christian bible contains was buried deep in the Egyptian desert after an edict was sent out in the 4th century to have all copies of it destroyed Fortunately some rebel monks were wise enough to refuse and thanks to their disobedience and spiritual bravery we have several manuscripts of the only gospel that was written in the name of a woman The Gospel of Mary Magdalene Mary's gospel reveals a radical love that sits at the heart of the Christian story Her gospel says that we are not sinful we are not to feel ashamed or unworthy for being human In fact our purpose is to be fully human to be a true human being that is a person who has remembered that yes we are a messy limited ego and we are also a limitless soul And all we need to do is to turn inward again and again to meditate like Mary Magdalene in the way her gospel directs us so that we can see past the ego of our own little lives to what's more real and lasting and infinite and already here within With searing clarity Watterson explains how and why Mary Magdalene came to be portrayed as the penitent prostitute and relates a more historically and theologically accurate depiction of who Mary was within the early Christ movement And she shares how this discovery of Mary's gospel has allowed her to practice and to experience a love that never ends a love that transforms everything **Mary, Mother of God, Mother of the Poor** Ivone Gebara, Maria Clara Bingemer, 2004-10-28

Here is the first thorough reflection on the importance of Mary by women writing from the perspective of Latin American liberation theology Gebara and Bingemer offer a vision of Mary in sharp contrast to the traditional This is the Mary of the Magnificat a figure who challenges male centrism dualism idealism and one dimensionalism The authors focus on the idea of Mary as one who lives in God on the feminine element of the divine and on the personal factors which color their own perspectives By delving into the Scriptures they place Mary in her social political and economic context Reviewing both the Old and New Testaments they point to Mary as both heir and one who begins something new In dealing with the traditions of the Church Gebara and Bingemer rethink Marian dogmas an area not only ecumenically controversial but also morally challenging Beginning in the 16th century the authors survey the history of Marian devotion exploring the initial appearance

of Mary to the Indian Juan Diego Guadalupe and reflecting on all the phenomena connected to the figure of Mary The mystery of Mary brings a new word about God they note Her humanity entirely open and her full participation in the enterprise of this Kingdom help us perceive who the God of the Kingdom is God the Creator who does not cease to perform wonders on behalf of the poor *The Gospels of Mary* Marvin W. Meyer, Esther A. De Boer, 2009-09-15 Mary Magdalene Jesus s Closest Disciple Marvin Meyer one of the foremost scholars of the Gnostic Gospels translates and introduces the Gnostic and New Testament texts that together reveal the story and importance of Mary Magdalene includes new translations of the Gospels of Mary Thomas Philip and related texts about Mary Magdalene discloses with Esther A De Boer the long suppressed story of Mary s vital role in the life of Jesus and in the formative period after his crucifixion presents as authentically as possible the real Mary Magdalene
