Smith,2007-05-01 Building on the highly praised and deliciously browseable two volume compendium the Oxford Encyclopedia of Food and Drink in America this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world Within its pages for example we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor mint next to cash registers at bars Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober and the company began producing other flavors Edited by Andrew Smith a writer and lecturer on culinary history the Companion serves up more than just trivia however including hundreds of entries on fast food celebrity chefs fish sandwiches regional and ethnic cuisine food science and historical food traditions Food & Wine ,2007-07 *Meals Matter* Michael Symons,2020-06-02 Until the early nineteenth century political philosophy and economics were dining companions Both took up fundamental questions of how we should feed one another But with the rise of corporate capitalism modern economics lost sight of its primary task and turned away from the complexities of real people s sustenance in favor of the single minded pursuit of money In *Meals Matter* Michael Symons returns economics to its roots in the distribution of food and the labor required Setting the table with vivid descriptions of conviviality he offers a gastronomic rebuttal to the narrow worldview of mainstream economics Engaging with a wide variety of thinkers including Epicurus Enlightenment philosophers such as Thomas Hobbes and John Locke the gastronome Jean Anthelme Brillat Savarin and economic theorists from Fran ois Quesnay and Adam Smith through the neoliberals Symons traces how we went astray and how we can find our way back to a more caring sustainable way of life He finds hope for shared table pleasure in institutions like community gardens street markets and banquets and in eating fresh local and slow food An innovative historically based argument at the intersection of food history and social thought *Meals Matter* challenges us to reject the economics of greed in favor of a community based economics of sharing and gastronomic enjoyment
