The Collected Letters of C.S. Lewis, Volume 1 C. S. Lewis,2009-07-07 The life and mind of C S Lewis have fascinated those who have read his works This collection of his personal letters reveals a unique intellectual journey The first of a three volume collection this volume contains letters from Lewis s boyhood his army days in World War I and his early academic life at Oxford Here we encounter the creative imaginative seeds that gave birth to some of his most famous works At age sixteen Lewis begins writing to Arthur Greeves a boy his age in Belfast who later becomes one of his most treasured friends Their correspondence would continue over the next fifty years In his letters to Arthur Lewis admits that he has abandoned the Christian faith I believe in no religion he says There is absolutely no proof for any of them Shortly after arriving at Oxford Lewis is called away to war Quickly wounded he returns to Oxford writing home to describe his thoughts and feelings about the horrors of war as well as the early joys of publication and academic success In 1929

Lewis writes to Arthur of a friendship that was to greatly influence his life and writing I was up till 2 30 on Monday talking to the Anglo Saxon professor Tolkien who came back with me to College and sat discoursing of the gods and giants Asgard for three hours Gradually as Lewis spends time with Tolkien and other friends he admits in his letters to a change of view on religion In 1930 he writes Whereas once I would have said Shall I adopt Christianity I now wait to see whether it will adopt me The Collected Letters of C S Lewis Volume I offers an inside perspective to Lewis's thinking during his formative years Walter Hooper's insightful notes and biographical appendix of all the correspondents make this an irreplaceable reference for those curious about the life and work of one of the most creative minds of the modern era **Class Acts Volume 1** J.D. the end of the century boxing with gloves had become the norm and Sheffield had a valid claim to be the chief provincial focus of this new passion largely due to the exploits of George Corfield Sheffield's first boxer of national repute Corfield's deeds were later surpassed by three British champions Gus Platts Johnny Cuthbert and Henry Hall Concluding with the dual themes of the decline of boxing in Sheffield and the city's changing social profile from the 1950s onwards the volume ends with a meditation on the arrival of new migrants to the city and the processes that aided or frustrated their integration into UK life and sport

A Long Time Coming Evan Thomas, 2010-10-08 An adroitly distilled chronicle of the 2008 presidential campaign and the election of Barack Obama This easily devoured crisply anecdotal account spiked with revealing side of the mouth comments charts the most cautious and reckless of political maneuverings and provides in action portraits of the major players both obvious and behind the scenes Thomas writes that Obama an avid reader and gifted writer sees himself as a figure out of literature and indeed real life stories don't get more compelling than this
