A Long Time Coming Evan Thomas, 2010-10-08 An adroitly distilled chronicle of the 2008 presidential campaign and the election of Barack Obama This easily devoured crisply anecdotal account spiked with revealing side of the mouth comments charts the most cautious and reckless of political maneuverings and provides in action portraits of the major players both obvious and behind the scenes Thomas writes that Obama an avid reader and gifted writer sees himself as a figure out of literature and indeed real life stories don't get more compelling than this
