James Grotstein

Long Weekend 18971919 Part Of A Life:

The Long Week-End 1897-1919 Wilfred R. Bion, 2018-05-08 Reminiscence of the first twenty one years of Wilfred Bion's life eight years of childhood in India ten years at public school in England and three years of life in the army *The Complete Works of W.R. Bion* W. R. Bion, 2021-06-23 This book is a reminiscence of the first twenty one years of the Wilfred R Bion's life from 1897 to 1919 eight years of childhood in India ten years at public school in England and three years in the army **Bion** Nicola Abel-Hirsch, 2019-01-25 This is a book of 365 quotes from the work of the psychoanalyst Wilfred Bion Something of an enigma Bion often doesn't write in the way one would expect of a psychoanalyst but is being read ever increasingly around the world in and outside the psychoanalytic community Certain of his comments are often quoted whilst swathes of his work lie almost untouched How to make some of the detail of this work available What he writes is often dense in the way the structure of a poem can be and the book has the format of a poem a day collection providing a way into his complete work one quote at a time Alongside commentaries by Abel Hirsch are thoughts on Bion's work drawn from papers by other analysts from the UK the Americas and Europe The book is structured in a way that will inform and interest the general reader as well as giving something new to psychoanalysts and others who already know his work well **The Bion Seminars at the A-Santamaría Association** Howard Levine, Jani Santamaría Linares, 2024-07-16 The Bion Seminars at the A Santamaria Association offers readers insightful analyses and commentaries on Bion's key papers and books as well as providing a unique set of discussions and explorations of many of Bion's central concepts and foundational texts This diverse collection of essays brings together contributions from internationally renowned Bionian scholars and analysts including Annie Reiner Nicola Abel Hirsch Ant nia Grimalt Avner Bergstein Afsaneh Kiany Alisobhani Jo o Carlos Braga Tom Helscher Tim Smith and Peter Goldberg Readers will encounter expansions and extensions of contemporary and timeless themes and discover the originality with which psychoanalysts from different geographical regions take ownership of the ideas discussed Chapters cover the early and late work of Bion spanning topics such as arrogance the theory of thinking memory and desire and the clinical importance of frustration The authors reveal to us the elements of continuity and discontinuity in Bion's work sharing open conjectures to allow new developments to evolve This volume is essential reading for practicing psychoanalysts analysts in training analytic psychotherapists and anyone interested in exploring Bion's work *The Poetry, Art and Science of Psychoanalysis in Bion's O* Annie Reiner, 2025-10-20 The Poetry Art and Science of Psychoanalysis in Bion's O pays homage to Wilfred Bion's lifelong love of poetry and his desire to integrate it with his psychoanalytic work as a means of communicating profound levels of emotional experience Annie Reiner was a student of Bion in in the 1970s in Los Angeles She illustrates here the fundamental similarities in the states of mind of creative people across diverse disciplines in the Arts and Sciences to exemplify Bion's concept of O Reiner herself a poet and artist shows how psychoanalysis and poetry rely on the same tools symbols metaphors images and narrative to communicate and express otherwise inexpressible metaphysical

matters of mental life Focusing on key psychoanalytic ideas such as dream interpretation and trauma she weaves in the poetry of Rumi Pablo Neruda Fernando Pessoa and William Blake and ideas of artists like Matisse Rothko and Jackson Pollock as well as ideas of Christian and Hindu mystics to show analysts how creative arts can help them better understand primitive mental life She shows how examining ideas from other disciplines in the arts philosophy and religious thought can reveal an underlying unity of our ancient efforts to understand ourselves as human beings Written in an accessible style and drawing on Reiner s decades of experience within the creative and psychoanalytic fields this book is a valuable resource to all analysts in training and practice as well as those interested in understanding the deeper levels of the mind and emotional life

Bion in Brazil Wilfred R. Bion,2018-05-08 The discovery translation into English and publication of these previously unpublished recordings of Bion s clinical supervisions in Sao Paulo Brazil with commentaries by leading Brazilian psychoanalysts gives readers the opportunity to experience for themselves his clinical and theoretical thought as it emerges and evolves through a series of fascinating case discussions

Cogitations-Pensieri Wilfred R. Bion,2010 **History and Psyche** S. Alexander,B. Taylor,2012-11-28 Today a widening range of historical phenomena are being examined through the psychoanalytic lens while the psychoanalytic tradition itself is coming in for unprecedented historical scrutiny This collection of essays showcases the innovative and sometimes contentious encounters between psychoanalysis and history

Psychoanalytic Memoirs Jeffrey Berman,2022-11-17 The first book length study of the psychoanalytic memoir this book examines key examples of the genre including Sigmund Freud s mistitled An Autobiographical Study Helene Deutsch s Confrontations with Myself An Epilogue Wilfred Bion s War Memoirs 1917 1919 Masud Khan s The Long Wait Sophie Freud s Living in the Shadow of the Freud Family and Irvin D Yalom and Marilyn Yalom s A Matter of Death and Life Offering in each chapter a brief character sketch of the memoirist the book shows how personal writing fits into their other work often demonstrating the continuities and discontinuities in an author s life as well as discussing each author s contributions to psychoanalysis whether positive or negative

Tragic Drama and the Family Bennett Simon,1988-01-01 One of the most important characteristics of tragic drama as of psychoanalysis is the focus on the family Dr Bennett Simon here provides a psychoanalytic reading of Aeschylus Oresteia Euripedes Medea Shakespeare s King Lear and Macbeth O Neill s Long Day s Journey into Night and Beckett s Endgame six plays from ancient to modern times which involve a particular form of intrafamily warfare the killing of children or of the possibility of children

A Beam of Intense Darkness James Grotstein,2018-05-08 The author surveys Bion s publications and elaborates on his key contributions in depth while also critiquing them The scope of this work is to synopsise synthesise and extend Bion s works in a reader friendly manner The book presents his legacy his most important ideas for psychoanalysis These ideas need to be known by the mental health profession at large This work highlights and defines the broader and deeper implications of his works It presents his ideas faithfully and also uses his ideas as launching pads for the author s conjectures about where his ideas point

Free

Associations, 2001 *Night Vision* Dominic Angeloch, 2025-04-10 All his life Wilfred Bion strove to find a narrative form for the traumatic experiences he went through as a tank commander in the First World War The body of his autobiographical and literary works documents his efforts to wrest a biography of his own from the most devastating processes of world history As a whole it is the result of a lifelong struggle to express something unspeakable to restore something destroyed What emerges is something like the prehistory of the psychical catastrophe from which Bion was unable to escape until his death As such however these autobiographical fragments also reflect the prehistory of the historical catastrophe under whose spell the world still stands today This book is the first comprehensive study of Bion's autobiographical and literary writings Drawing on the concepts of experience and thinking developed in his theoretical and clinical works with which they are genetically linked it discusses Bion's strategies of writing and cognition and for the first time systematically places a hitherto unexplored part of his work in the context of his entire oeuvre Following the chronological thread of his life from childhood in India through youth in England to his experience of the First World War in France and Belgium the book traces how Bion developed his unique method of writing Detailed narrative analyses reveal the painful work of coming to terms with the war experiences which had haunted him throughout his life a crippling trauma whose causes extended far beyond the individual and private The book thus provides deep insights into Bion's life his thinking and his writing and offers the reader a portrait of the primal catastrophe of the twentieth century and its devastating effects **Whitaker's Cumulative Book List**, 1982 *Radical Science*, 1984 **British Books in Print**, 1985 **A History of Group Study and Psychodynamic Organizations** Amy Louise Fraher, 2004 Many people hold a piece of the puzzle of group relations yet few people are able to put them together in a meaningful way In this breakthrough study Amy L Fraher provides the most comprehensive account yet written of the history of institutes of group study The book draws on original documents as well as extensive interviews with key practitioners The result is a fascinating story of the complex dynamics of organizational life Developing the construct of idea organizations organizations designed to generate intellectual concepts rather than to produce goods or services Fraher examines the psychodynamic workings of the National Training Laboratories Tavistock and A K Rice Institutes as well as early psychoanalytic societies She shows how the innovatory forces that energize these idea organizations can become the focus of inter group rivalries creating a cycle that puts the organizations themselves at risk Fraher details the cycle of idea organizations through the contributions of experts in the field such as David Armstrong Gordon Lawrence Isabel Menzies Lyth Laurence Gould Eric Miller and Kathleen Pogue White and others She also uses A K Rice's previously unavailable field notes and director's reports to provide a documented overview of group relations theory and conference methodology not offered since Rice's own *Learning for Leadership* in 1965 This is an accessible and absorbing study suitable both for experts and those new to the study of groups *The Edinburgh International Encyclopaedia of Psychoanalysis* Ross M. Skelton, 2006 The Encyclopaedia caters for readers who require knowledge at a

glance as well as those seeking a more detailed account It includes numerous illuminating essays by distinguished contributors including Howard Bacal Hazel Barnes Charles Brenner Marcia Cavell Morris Eagle Peter Fonagy Michael Eigen James Grotstein Thomas Ogden Paul Roazen Murray Stein Allan Schore Robert Stolorow and Robert Wallerstein **The Secret Battle** Michael Roper,2009-06-15 What did home mean to British soldiers and how did it help them to cope with the psychological strains of the Great War Family relationships lie at the heart of this book It explores the contribution letters and parcels from home played in maintaining the morale of this largely young amateur army And it shows how soldiers in their turn sought to adapt domestic habits to the trenches Pursuing the unconscious clues within a rich collection of letters and memoirs with the help of psychoanalytical ideas including those formulated by the veteran tank commander Wilfred Bion this study asks fundamental questions about the psychological resources of this generation of young men It reveals how the extremities of battle exposed the deepest emotional ties of childhood and went on marking the post war domestic lives of those who returned Beckett's Books Matthew Feldman,2006-08-08 A genuinely ground breaking study of Beckett s notes on his reading during the interwar years now available in paperback for the first time
