Long Years Of Exile Central Asian Refugees In Afghanistan And Pakistan:

Identity and Memory in Post-Soviet Central Asia Timur Dadabaev, 2015-08-11 Central Asian states have experienced a number of historical changes that have challenged their traditional societies and lifestyles. The most significant changes occurred as a result of the revolution in 1917, the incorporation of the region into the Soviet Union, and gaining independence after the collapse of the USSR. Impartial and informed public evaluation of the Soviet and post-Soviet periods has always been a complicated issue, and the official descriptions have often contradicted the interpretations of the past viewed through the experiences of ordinary people. *Identity and Memory in Post-Soviet Central Asia* looks at the tradition of history construction in Central Asia. By collecting views of the public's experiences of the Soviet past in Uzbekistan, the author examines the transformation of present-day Central Asia from the perspective of these personal memories and analyses how they relate to the Soviet and post-Soviet official descriptions of Soviet life. The book discusses that the way in which people in Central Asia reconcile their Soviet past to a great extent refers to the three-fold process of recollecting their everyday experiences, reflecting on their past from the perspective of their post-Soviet present, and reimagining. These three elements influence memories and lead to selectivity in memory construction, emphasising the aspects of the Soviet era people choose to recall in positive and negative lights. Presenting a broader picture of Soviet everyday life at the periphery of the USSR, the book will be a useful contribution for students and scholars of Central Asian Studies, Ethnicity and Identity Politics.

Migration from Central Asia Çağla Gül Yesevi, 2023-12-19 *Migration from Central Asia* analyzes migration from Turkestan to Türkiye, Saudi Arabia, and the United States, and the identity formation of these people living in different countries. It also deals with younger generations and their views about homeland, sense of belonging, and identity. Using oral history methods, the book focuses on migrants from Turkestan in the 1930s. The book includes in-depth interviews as well as short surveys with those who migrated and their children. Focusing on what families experienced during migration, how they made their living, how they lived in these different countries, and how they preserved their language, traditions, and culture, the author presents an overall picture of these migrants and how and why language and traditions, which are central cultural elements, have been preserved. The analysis in this book contextualizes the change in the structure of migration and identity formation and the emergence of the notion of Turkestanian migrants. It will be of interest to academics studying Turkish World Studies, Central Asian Studies, and migration studies, as well as identity and cultural studies, ethnic studies, and nationalism.

The Afghanistan Wars William Maley, 2020-11-03 A whole generation has grown up in Afghanistan knowing little about the ravages of war. The dramatic overthrow of the Taliban regime in 2001 was simply one event in a series of interrelated struggles which have blighted ordinary people's lives over the last three decades and which continue to interfere with reconciliation and reconstruction. This new edition of *The Afghanistan Wars* provides a meticulously documented history of these successive waves of conflict. From the roots of Afghanistan's slide into disorder in the late 1970s to the challenges faced by Afghan

leaders following the substantial withdrawal of international forces in 2014 it explores military and diplomatic history while also offering valuable insight on humanitarian action gender medical and cultural themes Thoroughly revised in the light of the latest research the third edition also features a new final chapter which examines recent developments in Afghanistan bringing the story up to the present day and mounting a strong case for continuing support for this troubled country New to this Edition A final chapter on the recent developments in Afghanistan up to the present day Revised to take into account the considerable amount of new material published on this topic since 2009 Refreshed and updated throughout *South Asian Folklore* Peter Claus, Sarah Diamond, Margaret Mills, 2020-10-28 With 600 signed alphabetically organized articles covering the entirety of folklore in South Asia this new resource includes countries and regions ethnic groups religious concepts and practices artistic genres holidays and traditions and many other concepts A preface introduces the material while a comprehensive index cross references and black and white illustrations round out the work The focus on south Asia includes Afghanistan Bangladesh India Pakistan and Sri Lanka with short survey articles on Tibet Bhutan Sikkim and various diaspora communities This unique reference will be invaluable for collections serving students scholars and the general public A Political and Diplomatic History of Afghanistan, 1863-1901 Mohammad Hassan Kakar, 2006-05-01 This political and diplomatic history of late nineteenth century Afghanistan and its major ethnic groups lays bare how the ground was laid for the emergence of Afghanistan as a nation state as well as for the implementation of schemes of modernization It describes how Amir Sher Ali Khan and more fully Amir Abd al Rahman Khan for the first time consolidated the authority of the central government at the expense of the traditional autonomous local magnates and thus managed to organize a centralized monarchical state and extend its direct rule throughout Afghanistan They did so in the days of what has become known as The Great Game for the mastery of Central Asian states Although The Great Game resulted in the reduction of Afghanistan in size it also led to the clear demarcation of its boundaries in accordance with international agreements **The Taliban and the Crisis of Afghanistan** Robert D. Crews, Amin Tarzi, 2009-05-15 Grounding their analysis in a deep understanding of the country's past leading scholars of Afghan history politics society and culture show how the Taliban was less an attempt to revive a medieval theocracy than a dynamic complex and adaptive force rooted in the history of Afghanistan and shaped by modern international politics Ethnicity, Authority, and Power in Central Asia Robert L. Canfield, Gabriele Rasuly-Palczek, 2010-10-04 The peoples of Greater Central Asia not only Inner Asian states of Soviet Union but also those who share similar heritages in adjacent countries like Afghanistan and Pakistan Iran and the Chinese province of Xinjiang have been drawn into more direct and immediate contact since the Soviet collapse Infrastructural improvements and the race by the great powers for access to the region's vital natural resources have allowed these peoples to develop closer ties with each other and the wider world creating new interdependencies and fresh opportunities for interaction and the exercise of influence They are being integrated into a new wider economic and political region which is increasingly significant in world

affairs owing to its strategically central location and its complex and uncertain politics However most of its inhabitants are pre eminently concerned with familial and local affairs This work examines the viewpoints and concerns of a selection of groups in terms of four issues government repression ethnic group perspectives devices of mutual support and informal grounds of authority and influence Responding to a need for in depth studies concerning the social structures and practices in the region the book examines trends and issues from the point of view of scholars who have lived and worked on the ground and have sought to understand the conditions and concerns of people in rural as well as urban settings It provides a distinctive and timely perspective on this vital part of the world *Conflict in Afghanistan* Frank A. Clements, Ludwig W.

Adamec, 2003-12-02 A comprehensive A Z study of the history of conflict in Afghanistan from 1747 to the present This authoritative clearly written volume covers all aspects of the conflicts that have taken place in Afghanistan from 1747 to the present Conflict in Afghanistan provides the reader with a historical overview of hostilities in Afghanistan and discusses their causes history and impact on Afghan society and on regional and international relations A single A Z section covers the three main eras in Afghanistan s history the period from 1747 when Afghanistan first emerged as a unified state the Soviet era 1979 1989 which saw the overthrow of the monarchy the declaration of the Republic and the rise of the Mujahideen and the post Soviet period which brought civil war the rise of the Taliban and finally the events of September 11 and the War on Terrorism both of which receive special attention **Scholars' Guide to Washington, D.C. for Central Asian and**

Brief History of Afghanistan Shaista Wahab, Barry Youngerman, 2007 Presents the culture and history of Afghanistan from

3 000 B C E to the present day Everyday Life in Central Asia Jeff Sahadeo, Russell Zanca, 2007-07-12 This illuminating anthology provides a range of perspectives on daily life across Central Asia and how it has changed in the post Soviet era For its citizens contemporary Central Asia is a land of great promise and peril While the end of Soviet rule has opened new opportunities for social mobility and cultural expression political and economic dynamics have also imposed severe hardships In this lively volume contributors from a variety of disciplines examine how ordinary Central Asians lead their lives and navigate shifting historical and political trends Provocative stories of Turkmen nomads Afghan villagers Kazakh scientists Kyrgyz border guards a Tajik strongman guardians of religious shrines in Uzbekistan and other narratives illuminate important issues of gender religion power culture and wealth A vibrant and dynamic world of life in urban neighborhoods and small villages at weddings and celebrations at classroom tables and around dinner tables emerges from this introduction to a geopolitically strategic and culturally fascinating region Repression, Resistance, and Women in Afghanistan Hafizullah Emadi, 2002-08-30 Afghan women have faced an exhaustive struggle in the battle to change their status and improve their situation Emadi takes a long look at the role of development and modernization policies implemented by the state in the pre and post Soviet eras under the Taliban and beyond He finds that such policies have failed to bring about much needed change and improvement for women Modernization strategies benefited only a small segment of urban women and left the plight of rural women unchanged Although a small segment of middle and upper class women organized themselves and fought to bring about changes in their status and to end gender inequality their efforts alone did not meet with much success Islamic orthodoxy and orthopraxy in the Taliban era restricted women s freedom of movement access to education and medical care Using personal accounts not readily available to researchers or scholars Emadi explores the diverse factors that contributed to women s oppression both at home and in society This study provides a detailed analysis of state policies toward women s emancipation within the context of a traditional Islamic society It chronicles the course of the women s movement and women s organizations still active in the political arena and puts forth an alternative plan to involve women in the reconstruction process in both urban and rural areas *The SAGE Handbook of Social Anthropology* Richard Fardon, Oliva Harris, Trevor H J Marchand, Cris Shore, Veronica Strang, Richard Wilson, Mark Nuttall, 2012-07-25 In two volumes the SAGE Handbook of Social Anthropology provides the definitive overview of contemporary research in the discipline It explains the what where and how of current and anticipated work in Social Anthropology With 80 authors contributing more than 60 chapters this is the most comprehensive and up to date statement of research in Social Anthropology available and the essential point of departure for future projects The Handbook is divided into four sections Part I Interfaces examines Social Anthropology s disciplinary connections from Art and Literature to Politics and Economics from Linguistics to Biomedicine from History to Media Studies Part II Places examines place region culture and history from regional area studies to a globalized world Part III Methods examines issues of method from archives to war zones from

development projects to art objects and from ethics to comparison Part IV Futures anticipates anthropologies to come in the Brain Sciences in post Development in the Body and Health and in new Technologies and Materialities Edited by the leading figures in social anthropology the Handbook includes a substantive introduction by Richard Fardon a think piece by Jean and John Comaroff and a concluding last word on futures by Marilyn Strathern The authors each at the leading edge of the discipline contribute in depth chapters on both the foundational ideas and the latest research Comprehensive and detailed this magisterial Handbook overviews the last 25 years of the social anthropological imagination It will speak to scholars in Social Anthropology and its many related disciplines

Modern Afghanistan Amin Saikal, 2004-08-27 Afghanistan's recent history is a sad one Soviet invasion in 1979 Pakistan backed internal conflict in the 1980s the Taliban regime and then the US invasion and the multi national occupation after the events of 11 September 2001 Why does Afghanistan remain so vulnerable to domestic instability foreign intervention and ideological extremism In reconstructing the tempestuous narrative of modern Afghanistan Amin Saikal provides a sweeping new understanding of its troubled past and present He identifies the country's inability to develop stable political structures as stemming from the inter dynastic rivalry complicated by polygamy that scarred successive royal families from the end of the eighteenth century until the pro Soviet Communist coup of April 1978 all exacerbated by foreign interventions feeding on fragile domestic structures and the rise and fall of different ideological streams Here for the first time is an up to date analysis of the era of the Taliban's rule the effects of US domination in the country and attempts to negotiate a US withdrawal including talks about talks with the Taliban themselves This book which sets the crisis of Afghanistan in the context of the country's modern history and social structures makes a major and highly original contribution towards a better and more nuanced understanding of this ill fated land It is the definitive study of Afghanistan and its troubles in national regional and international contexts from 1747 to the present day

A Political and Economic History of the Jews of Afghanistan Sara Koplik, 2015-07-14 A Political and Economic History of the Jews of Afghanistan by Sara Koplik describes the situation of Jews in that country during the nineteenth and twentieth centuries particularly 1839-1952 It examines the political economic and social conditions they faced as religious minorities The work focuses upon harsh governmental economic policies of the 1930s and 1940s spearheaded by Abd al Majid Khan Zabuli which caused the impoverishment and suffering of both the local community and refugees from Soviet Central Asia The question of Nazi influence in Afghanistan is addressed with the author arguing that it was mainly limited to the economic sphere An examination of the appeal of Zionism and the community's immigration to Israel is included

The Art of Gold Embroidery from Uzbekistan Suzanne Pennell, 2015-03-25 Since ancient times Samarkand and Bukhara have been thriving centres of craft production due to their location on the main routes of the ancient Silk Road The commercial religious and political experience of these oasis cities had major lasting influences on craft production Gold embroidery was no exception Detailed examination of historical sources related to gold embroidery or zarduzi showed that until the Bolshevik

Revolution in 1917 consumption of gold embroidery was restricted to the wealthy middle class and court elites It was most spectacularly employed in displays of power and wealth among the courts of the Emirs before the Russian invasion in 1868 and was produced by ustos or masters in court ateliers Follow zarduzi to the present day **Afghanistan's Political**

Stability Ahmad Shaye Qassem, 2016-03-16 Political stability has been a central theme of policy for all governments and political systems in the history of modern Afghanistan Since its inception in the mid nineteenth century the country experimented with a diverse succession of political systems and state ideologies matched by few other countries political histories In the span of less than nine decades since independence in 1919 the Afghan state was substantially restructured at least a dozen times This volume looks at Afghanistan's historic relations with Central and South Asia ethno nationalism and development Soviet occupation and transformation of relations with Pakistan stability of the Islamic State and regional cooperation It examines how Afghanistan's different political systems reformed and readjusted policies to make them more conducive to political stability Yet political stability at best has remained a dream unrealized in Afghanistan Informal Order and the State in Afghanistan Jennifer Brick Murtazashvili, 2016-04-21 Despite vast efforts to build the state profound political order in rural Afghanistan is maintained by self governing customary organizations Informal Order and the State in Afghanistan explores the rules governing these organizations to explain why they can provide public goods Instead of withering during decades of conflict customary authority adapted to become more responsive and deliberative Drawing on hundreds of interviews and observations from dozens of villages across Afghanistan and statistical analysis of nationally representative surveys Jennifer Brick Murtazashvili demonstrates that such authority enhances citizen support for democracy enabling the rule of law by providing citizens with a bulwark of defence against predatory state officials Contrary to conventional wisdom it shows that traditional order does not impede the development of the state because even the most independent minded communities see a need for a central government but question its effectiveness when it attempts to rule them directly and without substantive consultation **Ferghana Valley** S. Frederick Starr, 2014-12-18 The Ferghana Valley can reasonably be said to lie in the heart of Central Asia As such the Valley has made an inordinate contribution to the history and culture of the region as a whole as well as significantly affecting the economic political and religious spheres This book looks at the region over time from its early history to the present It embraces not just the obvious fields of politics economics and religion but also ethnography sociology and culture and includes the insights of leading scholars from all three Ferghana countries The book discusses various questions of identity relating to the region showing how the identity of the Ferghana Valley relates to the emerging national identities of the three post colonial states that are still gradually emerging from the demise of the Soviet Union as well as how an understanding of the Ferghana Valley is key to understanding Central Asia itself The Muslim World Book Review ,1994
