Words on Cassette, 2002 R R Bowker Publishing,2002 The Long Journey Home Jean Farish,2014-02-20 This book is a story about an adventurous and mystical journey inspired by my immersion in a foreign culture on a six month assignment in the Orient with an unexpected secret destination awakening to the true essence of life and divine love Disillusioned with society's standards for success and happiness personal life challenges and a desire to express my gifts and talents to the world I welcomed this life changing journey Obsession with the past and excessive concern about the future often disengaged me from the present moment with a desire to search for some transcendent meaning in life The geographic change integration within a multi ethnic and multi religious culture and a new lifestyle enabled me to engage in more passionate and intimate expressions of life Experiencing the charitable spirit of the culture marveling at the mysteries and wonders of the land communing with nature and engaging in cultural rituals stirred my heart and awakened me to the beauty of life and a peace beyond understanding It enabled me to build self confidence trust and experience unconditional love Being faraway from home the realization of the true meaning of home became more profound with the revelation of a meaningful gift revealed at the end of the journey The book highlights the spectrum of love in the 1880 classic *The Greatest Thing in the World* by Henry Drummond including patience kindness generosity humility courtesy unselfishness good temper guilelessness and sincerity These ingredients laid the foundation for transcending culture and language a renewed sense of self conscious living and a heightened awareness of divine love *Curating Church* Jacob Daniel Myers,2018-10-02 If we are willing to shift our approach to church we will better connect with increasingly heterogeneous cultures This shifting requires curation Church leaders must learn to be curators Churches in modernity were set up to facilitate a particular kind of experience with God Church was its own protected culture In the wake of postmodernity facilitated by new forms of digital communication we are entering a new epoch in the history of the church Curators manage the tasks of connection preservation and transformation in their care for cultural artifacts and communities When someone serves as a curator they make connections

between different elements in the culture preserving the best of cultural traditions and promoting fresh ways of thinking and being in the world What might this work of curation mean for us In *Curating Church* readers learn how curation can reorient and sharpen the ways and work of the church Curation can inform how we connect with cultures beyond the church preserve what is best in the rich history of Christian thought and expression and nurture spaces where contemporary persons may be transformed by the gospel This book helps readers to understand with new richness the church and the world and it equips them to become active in making those connections as curators with and for others *Finding Abbey* Sean

Prentiss,2015-05-01 When the great environmental writer Edward Abbey died in 1989 four of his friends buried him secretly in a hidden desert spot that no one would ever find The final resting place of the Thoreau of the American West remains unknown and has become part of American folklore In this book a young writer who went looking for Abbey s grave combines an account of his quest with a creative biography of Abbey Sean Prentiss takes readers across the country as he gathers clues from his research travel and interviews with some of Abbey s closest friends including Jack Loeffler Ken Seldom Seen Sleight David Petersen and Doug Peacock Along the way Prentiss examines his own sense of rootlessness as he attempts to unravel Abbey s complicated legacy raising larger questions about the meaning of place and home **The Index** ,1907
