McBride has at long last given John Ford the biography his stature demands **American Drama in the Age of Film** Zander Brietzke, 2007-06-28 Publisher description **Duke** Ronald L. Davis, 2012-09-06 Almost two decades after his death John Wayne is still America's favorite movie star More than an actor Wayne is a cultural icon whose stature seems to grow with the passage of time In this illuminating biography Ronald L Davis focuses on Wayne's human side portraying a complex personality defined by frailty and insecurity as well as by courage and strength Davis traces Wayne's story from its beginnings in Winterset Iowa to his death in 1979 This is not a story of instant fame only after a decade in budget westerns did Wayne receive serious consideration for his performance in John Ford's 1939 film Stagecoach From that point on his skills and popularity grew as he appeared in such classics as Fort Apache Red River She Wore a Yellow Ribbon The Quiet Man The Searchers The Man who Shot Liberty Valance and True Grit A man's ideal more than a woman's Wayne earned his popularity without becoming either a great actor or a sex symbol In all his films whatever the character John Wayne portrayed John Wayne a persona he created for himself the tough gritty loner whose mission was to uphold the frontier's and the nation's traditional values To depict the different facets of Wayne's life and career Davis draws on a range of primary and secondary sources most notably exclusive interviews with the people who knew Wayne well including the actor's costar Maureen O Hara and his widow Pilar Wayne The result is a well balanced highly engaging portrait of a man whose private identity was eventually overshadowed by his screen persona until he came to represent America itself **Imagining Ithaca** Kathleen Riley, 2021 By examining an eclectic range of creative works spanning the century following the Armistice of 1918 Imagining Ithaca presents a narrative of imaginings and experiences simple and complex relating to home longings for home and things absent homecoming and exile Eugene O'Neill Gassner, 1965 Eugene O'Neill American Writers 45 was first published in 1965 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions **Alcohol and Alcohol Safety: Basic volume with bibliographies** Peter Finn, 1972 **The Oxford Handbook of Adaptation Studies** Thomas M. Leitch, 2017 This collection of forty new essays written by the leading scholars in adaptation studies and distinguished contributors from outside the field is the most comprehensive volume on adaptation ever published Written to appeal alike to specialists in adaptation scholars in allied fields and general readers it harkens back to the foundations of adaptation studies a century and more ago surveys its ferment of activity over the past twenty years and looks forward to the future It considers the very different problems in adapting the classics from the Bible to Frankenstein to Philip Roth and the commons from online mashups and remixes to adult movies It surveys a dizzying range of adaptations around the world from Latin American telenovelas to Czech cinema from Hong Kong comics to Classics Illustrated from Bollywood to zombies and explores the ways media as different as radio opera popular song and videogames have handled adaptation Going still further it examines the relations between adaptation and such intertextual practices as translation illustration prequels sequels

remakes intermediality and transmediality The volume's contributors consider the similarities and differences between adaptation and history adaptation and performance adaptation and revision and textual and biological adaptation casting an appreciative but critical eye on the theory and practice of adaptation scholars and occasionally each other The Oxford Handbook of Adaptation Studies offers specific suggestions for how to read teach create and write about adaptations in order to prepare for a world in which adaptation already ubiquitous is likely to become ever more important *O'Neill on Film* John Orlandello,1982 Orlandello's study of the film adaptations of Eugene O'Neill's plays from the 1920s to the 1970s analyzes both the original plays and the Hollywood versions He probes the diversity of these distinct aesthetic modes the stage and the screen Orlandello discusses changes within the film industry resulting from the advent of sound the pressures of censorship the importance of the star system and the technical advances that have influenced the nature and quality of the screen versions of O'Neill's work focusing on critical considerations concerning adaptation **The Movie Guide** James Monaco,1992 From *The Big Sleep* to *Babette's Feast* from *Lawrence of Arabia* to *Drugstore Cowboy* *The Movie Guide* offers the inside word on 3 500 of the best motion pictures ever made James Monaco is the president and founder of BASELINE the world's leading supplier of information to the film and television industries Among his previous books are *The Encyclopedia of Film* *American Film Now* and *How to Read a Film* **Appendix to the Journals of the House of Representatives of New Zealand** New Zealand.
