## Longarm And The Unwritten Law:

**Longarm and the Unwritten Law** Tabor Evans,1995 When a man suspected of sleeping with a married woman is shot by the jealous husband Longarm prepares for a simple arrest until the husband looking to escape his sentence accuses Longarm of also sleeping with the woman Original [Longarm #288: Longarm and the Amorous Amazon](#) Tabor Evans,2002-10-29 Any man would fear her but Longarm isn t just any man She stands six foot six and usually over the body of someone who got in her way She goes by the name Increase Younger and she s willing to do anything to see that Deputy Marshal Custis Long meets his maker Anything But Longarm s gotten death threats from more outlaws than anyone cares to remember and not a single one was meaner smarter or faster than the law man himself Then again it only takes one *The Wolf Teacher* J. R. Roberts,1995 Clint is camped for the night when he is suddenly attacked by a grizzly bear He wakes up and finds himself in the care of the Comanche Indians who think he is the legendary hero Dreamwalker Clint vows to repay the Comanche for saving his life yet he never guesses he ll have to fight their deadliest enemy the U S Army **Longarm and the Blossom Rock Banshee** Tabor Evans,1998 A shrieking banshee comes to the mine shafts of Virginia City and scares theminers to death It is a mythical monster or a practical joke [Longarm #279: Longarm on a Witch-Hunt](#) Tabor Evans,2002-01-29 Longarm s in for a cauldron of trouble with these ladies Lawman Custis Long is in town on the trail of some no good owlhoots An easy enough chase he reckons but after a visit with the town s most infamous lady of the night Longarm realizes there are other things he d rather be doing than tracking small time crooks But the job turns interesting According to local rancheros the hooligans Longarm s after have been hiding out in a valley haunted by witches women posing by day as the pretty Crawfords And no God fearing man has been known to come out of there alive So if Longarm wants to make it through the valley unscathed he must first play nice with the bewitching Crawfords [Longarm 417](#) Tabor Evans,2013-07-30 Longarm s out to discover who gunned down a fellow lawman Sheriff Des Rainey was a good lawman just doing his job returning from a ranch left in charred ruins after giving the murdered corpses left behind a decent burial But someone got the drop on him as he was stepping into his own jailhouse and a shotgun blast blew him clear back out into the muddy main street of Diamondback Rainey was a good friend of Marshal Billy Vail They d served as Texas Rangers together So Billy sent his best deputy marshal to find the killer who made Mrs Rainey a widow But when Longarm rides into Diamondback no one s talking except the young beautiful widow herself who will do anything to get Longarm to find her husband s killer *True Crime Case: Sarla Devi of India - Burned Alive for Not Being a Mother* Dr. Psycho P., The fire started around noon It wasn t an accident It wasn t a domestic tragedy It was the final collective judgment of a family who had decided that a woman without a child was a woman without a right to live This is the terrifying and essential story of Sarla Devi a woman whose life was a two decade long ordeal of Torment before her existence was brutally extinguished in a plume of smoke and an attempted Cover Up This deeply researched work of True Crime excavates a case that shocked the

conscience of India revealing the lethal consequences of tradition when it clashes with humanity Set against the sun baked conservative backdrop of Rajasthan the book takes you into the claustrophobic world of Kakra Village a place where Patriarchy is not just a social structure but a suffocating law and a woman's worth is measured strictly by the life she produces not the life she lives Sarla Devi was judged to be a failure because of her Infertility a verdict that sentenced her to a slow death long before the actual Murder occurred Sarla Devi's fate was sealed by the cultural curse of Childlessness In Village Life where the legacy of the male line is everything her inability to conceive was interpreted not as a medical issue but as a sin a failure and a constant visible source of family shame This Stigma metastasized into systemic Cruelty For twenty years she endured escalating Domestic Violence a campaign of terror that stripped her of her dignity health and hope The torment was not the aberration of a single violent husband it was the policy of an entire Joint Family Her In Laws father mother brothers and sisters allegedly formed a united front meticulously eroding her spirit and transforming her home into a prison This shocking Conspiracy was the prelude to the final calculated brutality On September 17 2025 the Torment ended in fire But the story did not What followed was a desperate Cover Up operation a frantic attempt to rush Sarla Devi's half burnt remains to the funeral pyre to ensure that all Evidence was destroyed This was the moment when the case became a flashpoint between the law and deeply entrenched Cultural Norms This True Crime account meticulously reconstructs the minutes leading up to the police intervention where Law Enforcement officers were forced into a physical conflict with the very villagers they were sworn to protect The story of the Betrayal of Sarla Devi is also the story of her brother Vikrant whose fierce Testimony in the FIR became the crucial narrative spine of the case He was the one who refused to be silenced ensuring that the state took cognizance of the decades of abuse The Investigation that followed was a grueling process of recovering the body securing the crime scene and tracking the seven accused as they fled justice It became a high stakes Legal Battle against powerful local resistance The charges filed against the accused were comprehensive and shocking establishing the multi faceted nature of the crime The pursuit of Justice for Sarla Devi rested on three crucial pillars The Act of Murder The primary charge against the In Laws for the premeditated killing by fire negating the defense of domestic accident Destruction of Evidence The charge against the entire family for attempting to subvert the Investigation by rushing the remains to the pyre Assault on Government Officials The charge against the seven accused and several supporting villagers for the violent physical Assault on the first police team to arrive on the scene The severity of the Police Assault at the cremation ground highlighted the shocking degree to which the local community was willing to participate in the cover up This was a physical rejection of the rule of law a demonstration that the preservation of Patriarchy and its right to exercise domestic cruelty was deemed more important than human life For the perpetrators Sarla Devi was simply a Victim of their family's bad luck and her death and its subsequent erasure was an exercise in preserving izzat honor This narrative delves deep into the social science of South Asia explaining why Infertility becomes a death warrant often morphing into

what is functionally an Honor Killing The distinction between this and a dowry death is thin both are rooted in the objectification of the woman as a transactional commodity When that commodity fails its purpose whether financial or reproductive she is deemed worthless The Post Mortem on Sarla Devi s remains was the scientific centerpiece of the prosecution It was vital for the Investigation to distinguish between a genuine accident and a murder The forensic evidence sought to establish Proof of Life During Fire The presence of soot in her respiratory tract confirming she was alive when the flames engulfed her Signs of Prior Injury Evidence of chronic abuse corroborating the claims of two decades of Cruelty and Domestic Violence The Intent to Harm Any trace of accelerants or signs of physical restraint proving the premeditation of the Murder The eventual trial will be a defining moment for Social Justice in India A conviction will send an unambiguous message that Patriarchy cannot shield criminals from justice even when their crimes are justified by deeply entrenched Cultural Norms Sarla Devi s story is a rallying cry for the countless women who face this daily reality Her fate is a devastating indictment of a system that judges a woman not by her character but by the life she could not bring forth This book serves as a powerful necessary memorial to a life extinguished demanding accountability for a crime that was not just committed by seven people but silently sanctioned by a tradition that must finally be exposed and dismantled This is the truth of Sarla Devi

*Longarm and the Big Fifty* Tabor Evans,1996 Guarding convict Harmony Drake during a train ride to Colorado where the outlaw is scheduled to hang Longarm begins a fast paced pursuit when his charge escapes a situation that is complicated by the attentions of a beautiful and devious nurse
