Alan Bullock, Stephen Trombley

Longest War The Iran Iraq Military Conflict:

The Longest War Dilip Hiro, 1991 First Published in 1991 Routledge is an imprint of Taylor Francis an informa company

The Longest War Dilip Hiro, 1989 Iran Irakkriegen Krigskorrespondents beretning Neighbors, Not Friends Dilip Hiro, 2003-09-02 This is an essential overview to the conflicts in the Gulf and should be read by anyone with an interest in the region its politics and its interactions with the US and UN

The Iran-Iraq War Nigel John Ashton, Bryan R. Gibson, 2013 This volume offers a wide ranging examination of the Iran Iraq War 1980-88 featuring fresh regional and international perspectives derived from recently available new archival material Three decades ago Iran and Iraq became embroiled in a devastating eight year war which served to re define the international relations of the Gulf region The Iran Iraq War stands as an anomaly in the Cold War era it was the only significant conflict in which the interests of the United States and Soviet Union unwittingly aligned with both superpowers ultimately supporting the Iraqi regime The Iran Iraq War re assesses not only the superpower role in the conflict but also the war's regional and wider international dimensions by bringing to the fore fresh evidence and new perspectives from a variety of sources It focuses on a number of themes including the economic dimensions of the war and the roles played by a variety of powers including the Gulf States Turkey France the Soviet Union and the United States The contributions to the volume serve to underline that the Iran Iraq war was a defining conflict shaping the perspectives of the key protagonists for a generation to come This book will be of much interest to students of international and Cold War history Middle Eastern politics foreign policy and International Relations in general

Middle East Conflicts from Ancient Egypt to the 21st Century Spencer C. Tucker, 2019-08-27 With more than 1 100 cross referenced entries covering every aspect of conflict in the Middle East this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world This authoritative and comprehensive encyclopedia covers all the key wars insurgencies and battles that have occurred in the Middle East roughly between 3100 BCE and the early decades of the twenty first century It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present In addition to the hundreds of entries on major conflicts military engagements and diplomatic developments the book also features entries on key military political and religious leaders Essays on the major empires and nations of the region are included as are overview essays on the major periods under consideration The book additionally covers such non military subjects as diplomacy national and international politics religion and sectarian conflict cultural phenomena genocide international peacekeeping missions social movements and the rise to prominence of international terrorism The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco Persian Wars the Crusades and the Arab Israeli Wars

The Iran-Iraq War Edward Willett, 2003-11 Examines the history behind the longest war of the twentieth century which raged between Iran and Iraq in the 1980s and looks at its

ongoing ramifications

Iran, Iraq, and the Legacies of War L. Potter, G. Sick, 2004-11-12 Iraq and Iran are the two most important states in the Gulf region given their population size military strength and the potential threat they pose to other states in the region This book enhances our understanding of the troubled relationship between Iran and Iraq placing it in historical context examining the rapid deterioration leading to the eight year war that started in 1980 and the effects of that trauma and exploring the ongoing issues that currently bedevil bilateral relations The authors cover such central issues as how each side has sought to use opposition groups in the other state to weaken it ethnic divisions the role of outside states especially the United States and a fascinating account of how the war affected a generation of Iraqis and Iranians The role of the U S in the region and how U S policy has affected the two states are also considered This book provides a basis for understanding the background of a tumultuous relationship that is entering a new era

The Norton Dictionary of Modern Thought Alan Bullock, Stephen Trombley, 1999 Nearly four thousand entries cover terms in all disciplines contributed by experts in each field with suggestions for further reading

Persian Gulf War Encyclopedia Spencer C. Tucker, 2014-08-20 Ideal for high school and college level readers as well as students attending military academies and general audiences this encyclopedia covers the details of the Persian Gulf War as well as the long term consequences and historical lessons learned from this important 20th century conflict This encyclopedia provides a rich historical account of the Persian Gulf War examining the conflict from a holistic perspective that addresses the details of the military operations as well as the social political economic and cultural aspects of the war The alphabetically arranged entries chart the events of the war provide cross references and sources for additional study and identify the most important individuals and groups associated with the conflict In addition it includes primary source documents that will provide readers with valuable insights and foster their critical thinking and historical reasoning skills The Persian Gulf War served as the first live combat test of much of the United States then new high tech weaponry The war also held many lessons about the play of national interests the process of coalition building the need for effective communication and coordination and the role of individuals in shaping history This book addresses all key battles the nations involved strategies employed by both sides weapon systems used the role of the media the role played by women and environmental and medical issues associated with the conflict

Kurdistan in Iraq Aram Rifaat, 2018-05-11 The Kurdish Iraqi conflict lies in the fact that Kurdistan is a nation without a state and Iraq is a non nation state each possessing a nationhood project differing from and opposing the other Iraqi Kurdistan is an outward looking entity seeking external patronage Though external patronage has played a pivotal role in the evolution of the Kurdish quasi state a lack of positive patronage has prevented it from achieving independence This book looks at how the Kurdish and Iraqi quests for nationhood have led to the transformation of Iraqi Kurdistan into an unrecognised quasi state and the devolution of the Iraqi state into a recognised quasi state This is done by examining the protracted Iraqi Kurdish conflict and by analysing the contradictions and incompatibilities between the two different nationalisms Iraqi and Kurdish

The author explains that Kurds as a nation without a state have their own nationhood project which is in opposition to the Iraqi nationhood project Each has its own identity loyalty and sovereignty The book answers the question as to how the Kurdish quest for nationhood has been treated by successive Iraqi regimes Furthermore it fills in the literary gaps which exist in relation to the Iraqi Kurdish conflict by specifying and categorising the cardinal conditions that drive ethnic and nationalist conflicts which lead to the creation of separatist entities Drawing upon a vast amount of untapped Kurdish and Arabic primary sources the book draws on prominent theories on nation states and quasi states It will particularly appeal to students and scholars of international relations political theory and Middle Eastern Studies **The Warriors Of Islam**

Kenneth Katzman,2019-07-11 This book shows that the revolutionary guard has resisted professionalization on the key aspect of war decision making It explains how the Guard was able to resist ideological dilution despite its need to adopt a rationalized and complex organizational structure Wars That Changed History Spencer C. Tucker,2015-09-22 A thorough study of significant wars throughout history and their influence on world affairs from the Egyptian Pharaoh Thutmose III's Campaigns during 479 459 BCE through the Iraq War of 2003 2011 For hundreds of years wars have played a determining role in history and have decided the rise and fall of civilizations Many believe that understanding the causes and consequences of warfare may move humankind towards world peace This selection of the 50 most consequential wars compiled by award winning military historian Spencer C Tucker presents each conflict in chronological order and discusses its causes its course and its significance in world history Through thoughtful essays and supporting visual evidence this reference work examines the types of weapons systems employed and their effects in the field the roles played by individual leaders such as Alexander the Great Julius Caesar Abraham Lincoln and Adolf Hitler and the impact of geography and economics on the battlefield The work includes fascinating information about warfare addressing subjects such as how transportation and logistics changed the face of war over time what invention marked the ascendancy of infantry over cavalry why World War I remains the most important war in the 20th century and which war killed nearly half of the population of Germany Each essay includes the latest interpretations of strategy agendas and consequences of the featured event

Iran's Grand Strategy Vali Nasr,2025-05-20 From the New York Times bestselling author of The Shia Revival A gripping account that overturns simplistic portrayals of Iran as a theocratic pariah state revealing how its strategic moves on the world stage are driven by two pervasive threats external aggression and internal dissolution Iran presents one of the most significant foreign policy challenges for America and the West yet very little is known about what the country's goals really are Vali Nasr examines Iran's political history in new ways to explain its actions and ambitions on the world stage showing how behind the veneer of theocracy and Islamic ideology today's Iran is pursuing a grand strategy aimed at securing the country internally and asserting its place in the region and the world Drawing on memoirs oral histories and original in depth interviews with Iranian decision makers Nasr brings to light facts and events in Iran's political history that have been

overlooked until now He traces the roots of Iran's strategic outlook to its experiences over the past four decades of war with Iraq in the 1980s and the subsequent American containment of Iran invasion of Iraq in 2003 and posture toward Iran thereafter Nasr reveals how these experiences have shaped a geopolitical outlook driven by pervasive fear of America and its plans for the Middle East Challenging the notion that Iran's foreign policy simply reflects its revolutionary values or theocratic government Iran's Grand Strategy provides invaluable new insights into what Iran wants and why explaining the country's resistance to the United States its nuclear ambitions and its pursuit of influence and proxies across the Middle East

Modern Genocide Paul R. Bartrop, Steven Leonard Jacobs, 2014-12-17 This massive four volume work provides students with a close examination of 10 modern genocides enhanced by documents and introductions that provide additional historical and contemporary context for learning about and understanding these tragic events Modern Genocide The Definitive Resource and Document Collection spans nearly 1 700 pages presented in four volumes and includes more than 120 primary source documents making it ideal for high school and beginning college students studying modern genocide as part of a larger world history curriculum The coverage for each modern genocide from Herero to Darfur begins with an introductory essay that helps students conceptualize the conflict within an international context and enables them to better understand the complex role genocide has played in the modern world There are hundreds of entries on atrocities organizations individuals and other aspects of genocide each written to serve as a springboard to meaningful discussion and further research The coverage of each genocide includes an introductory overview an explanation of the causes consequences perpetrators victims and bystanders the international reaction a timeline of events an Analyze section that poses tough questions for readers to consider and provides scholarly pro and con responses to these historical conundrums and reference entries This integrated examination of genocides occurring in the modern era not only presents an unprecedented research tool on the subject but also challenges the readers to go back and examine other events historically and consequently consider important questions about human society in the present and the future

War since 1945 Jeremy Black, 2005-04-01 Most writing on modern warfare begins with the French Revolutionary Wars and continues through World Wars I and II giving post 1945 conflicts only a cursory glance through the lens of Cold War politics Distinguished military historian Jeremy Black corrects that imbalance with War since 1945 a comprehensive look at the many large and small scale wars fought around the world in the past sixty years Black argues strenuously that in order fully to understand recent warfare we must discard the Cold War narrative that has until now framed the majority of historical inquiry By treating conflicts especially those in and between developing nations on their own terms he is able to bring proper attention to the wide varieties of force structures methods goals and military cultures that have been employed in post World War II battles Rather than recapitulate the familiar assessments that consider improvements in weaponry or increases in the size of armies without adequately weighing the wider context of their uses in specific wars Black presents an account of warfare that focuses on the

actual tasks the military is ordered to undertake His global coverage of warfare is unparalleled and his insistence on the centrality of developing nations to this period of military history brings new knowledge to bear on understudied aspects of recent history Black brings the book up to date with considerations of the current war on terror and the U S led war in Iraq Timely and accessible War since 1945 will be essential to anyone who wants to understand the state of warfare in the present day

Nuclear Proliferation Dynamics in Protracted Conflict Regions Saira Khan,2017-11-01 This title was first published in 2003 Using extensive case studies of the nuclear weapons programmes of India Pakistan Israel Iraq Iran Egypt and Syria this important work shows that a higher than normal probability of war in protracted conflict regions prompts states to search for credible deterrents such as nuclear weapons The book rigorously examines the factors that affect the pace of this proliferation such as regional power structures and geographical proximity and challenges many prevailing theories on proliferation This compelling text convincingly argues that simple conflict relationships are not sufficient for countries to go nuclear thus providing insight into the true complexity of the issue Explaining the similarities and differences between the nuclear policies of states in protracted conflict regions the book commands the attention of anyone interested in nuclear proliferation and regional conflict

Toppling Foreign Governments Melissa Willard-Foster,2019-01-11 In 2011 the United States launched its third regime change attempt in a decade Like earlier targets Libya s Muammar Qaddafi had little hope of defeating the forces stacked against him He seemed to recognize this when calling for a cease fire just after the intervention began But by then the United States had determined it was better to oust him than negotiate and thus backed his opposition The history of foreign imposed regime change is replete with leaders like Qaddafi overthrown after wars they seemed unlikely to win From the British ouster of Afghanistan s Sher Ali in 1878 to the Soviet overthrow of Hungary s Imre Nagy in 1956 regime change has been imposed on the weak and the friendless In Toppling Foreign Governments Melissa Willard Foster explores the question of why stronger nations overthrow governments when they could attain their aims at the bargaining table She identifies a central cause the targeted leader s domestic political vulnerability that not only gives the leader motive to resist a stronger nation s demands making a bargain more difficult to attain but also gives the stronger nation reason to believe that regime change will be comparatively cheap As long as the targeted leader s domestic opposition is willing to collaborate with the foreign power the latter is likely to conclude that ousting the leader is more cost effective than negotiating Willard Foster analyzes 133 instances of regime change ranging from covert operations to major military invasions and spanning over two hundred years She also conducts three in depth case studies that support her contention that domestically and militarily weak leaders appear more costly to coerce than overthrow and as long as they remain ubiquitous foreign imposed regime change is likely to endure

Saddam Hussein's Ba'th Party Joseph Sassoon,2012 A unique and revealing portrait of Saddam Hussein s Iraq which was every bit as authoritarian and brutal as Stalin s Russia or Mao s China

Bombing to Provoke Jaganath Sankaran,2024-10-24 The influence of aerospace weapons on the battlefield is

felt profoundly yet the mechanism of coercion by which these weapons alter the will of the adversary is poorly understood This book argues that it is not what these weapons physically do but how they weaponize fear and trigger a sense of defenselessness that matters for understanding their coercive effect For anyone seeking to understand why states at war in the age of aerospace weapon warfare operate and react in the ways that they do this book s methodical dissection of the strategic rationale behind these weapons makes it necessary reading

US-Kuwaiti Relations, 1961-1992 Chookiat Panaspornprasit, 2004-08-02 After being granted full independence in 1961 Kuwait began its tumultuous relationship with the US This book sets out to investigate this alliance within the frameworks of a small state and influence and in particular under the US presidents Carter Reagan and Bush The political diplomatic and military aspects are examined which have both stalled and enhanced the bilateral relationship at different times and events The relationship between the two countries has not always been a straightforward one Kuwait overshadowed by its bigger neighbour Saudi Arabia was regarded as a derivative interest by the US and its role within the region more often than not underestimated Shedding new light on this key political alliance the book details how this uneasy relationship evolved while Kuwait maintained its independent foreign policy which contradicted US national interest Illuminating and informative it is essential reading for anyone with an interest in Middle East politics and international relations

Longest War The Iran Iraq Military Conflict Introduction

In the digital age, access to information has become easier than ever before. The ability to download Longest War The Iran Iraq Military Conflict has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Longest War The Iran Iraq Military Conflict has opened up a world of possibilities. Downloading Longest War The Iran Iraq Military Conflict provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Longest War The Iran Iraq Military Conflict has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Longest War The Iran Iraq Military Conflict. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Longest War The Iran Iraq Military Conflict. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Longest War The Iran Iraq Military

Conflict, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Longest War The Iran Iraq Military Conflict has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Longest War The Iran Iraq Military Conflict Books
