

In the eighteenth century the Church in England had lost its power to inspire the people. Although the churches held their services they carried out little or no missionary work.

GOD CALLED JOHN WESLEY TO HELP.

Look at **WESLEY'S CHAPEL**

This Chapel in City Road, London, was built for John Wesley in 1778 since when it has been damaged and repaired several times.

During a wartime air raid, a fireman fighting a nearby blaze asked, "Is this a church?" When told that it was and that it was Wesley's Chapel, the fireman replied, "Then we must save it!"

It is known as the **Mother Church of World Methodism.**

John Wesley's father was the Rector of Epworth in Lincolnshire. He was not very popular and in 1709, when John was five years old, the Rectory mysteriously caught fire, and John only just escaped being burnt alive.

John's mother had nineteen children of whom ten survived to adulthood. She was kind but strict and taught her family for six hours every day.

John was sent to Charterhouse School in London. When he was 17, he went to Oxford University where he decided to become a clergyman in the Church of England. He planned his days so as to waste no time. His friends copied his methods and

became known as the **Holy Club** or **Methodists.**

They spent some of their money on food, clothing and medicines to be used by poor families and later started a school for poor children.
