**Look Back All the Green Valley** Fred Chappell, 2025-06-25 The last in the Kirkman family cycle by one of our most treasured writers In Look Back All the Green Valley Jess Kirkman returns to the North Carolina mountain town of his boyhood to be with his ailing mother and finally settle the family s accounts after the death of his father ten years ago Cleaning out his father's secret work room reunites him with the irrepressible Joe Kirkman and leads him to make new discoveries in the dusty room he finds an unusual machine made of stovepipe and ceramic and a handwritten map These clues lead him to uncover a part of his father's history he never knew Rich in the story telling traditions of Southern Appalachia Fred Chappell's magical novel celebrates a way of life that has passed Look Back All the Green Valley follows Chappell's three previous novels Farewell I m Bound to Leave You Brighten the Corner Where You Are and I m Am One of You Forever and concludes one of the most rewarding cycles of novels in recent memory Look Back All the Green Valley Fred Chappell, 1999 As he cleans out his dead father s workshop Jess Kirkman of North Carolina discovers a treasure map with the names of women He goes to see them and obtains new insights into his father's character Fourth installment in a family saga by the author of Farewell I m Bound to Leave You More Lights Than One Patrick Bizzaro, 2004 Under the interpretive gaze Chappell's stories reveal a dazzling range and all of his work shows a concern with the relationship between the spiritual and material in people s lives the moral development of the human race and the flawed enigmatic and yet enlightening interaction between men and women Jacket **Experimentation and Versatility** Casey Clabough, 2005 Experimentation and Versatility considers Chappell's first four novels and his short fiction the novels chronologically and the short stories thematically in order to demonstrate the unique range and importance of his fictional prose Rather than inserting Chappell's fictional variables into a single theoretical formula Clabough traces and celebrates their various and multifaceted excursions into genres as disparate as Appalachian pastoralism and experimental science fiction Containing both an interview with Chappell and a previously unpublished short story Experimentation and Versatility also offers new primary sources on Chappell's work even as it contextualizes him as one of our most exciting and multi talented contemporary writers Investigating the complexities of Chappell's work Clabough's study offers new ways of considering Chappell who has been characterized variously as a Appalachian Southern and fantasy writer However as Clabough demonstrates he is in fact all and none of these things a writer of immense gifts constantly reinventing himself through his experiments in seemingly disparate genres BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved 2012 Guide to Literary Agents Chuck Sambuchino, 2011-08-09 The Best Resource Available for Finding a Literary Agent No matter what you re writing fiction or nonfiction books for kids or adults you need a literary agent to secure a book deal The 2012 Guide to Literary Agents is your essential resource for finding that literary agent without fear of being scammed and getting your book published This new updated edition of GLA includes Completely updated contact and

Ferrence, 2014-03-30 In contemporary culture the stereotypical trappings of redneckism have been appropriated for everything from movies like Smokey and the Bandit to comedy acts like Larry the Cable Guy Even a recent president George W Bush shunned his patrician pedigree in favor of cowboy authenticity to appeal to voters Whether identified with hard work and patriotism or with narrow minded bigotry the Redneck and its variants have become firmly established in American narrative consciousness This provocative book traces the emergence of the faux Redneck within the context of literary and cultural studies Examining the icon's foundations in James Fenimore Cooper's Natty Bumppo an ideal white man free of the boundaries of civilization and the degraded rural poor of Erskine Caldwell's Tobacco Road Matthew Ferrence shows how Redneck stereotypes were further extended in Deliverance both the novel and the film and in a popular cycle of movies starring Burt Reynolds in the 1970s and 80s among other manifestations As a contemporary cultural figure the author argues the Redneck represents no one in particular but offers a model of behavior and ideals for many Most important it has become a tool reductive confining and sometimes almost liberating by which elite forces gather and maintain social and economic power Those defying its boundaries as the Dixie Chicks did when they criticized President Bush and the Iraq invasion have done so at their own peril Ferrence contends that a refocus of attention to the complex realities depicted in the writings of such authors as Silas House Fred Chappell Janisse Ray and Trudier Harris can help dislodge persistent stereotypes and encourage more nuanced understandings of regional identity In a cultural moment when so called Reality Television has turned again toward popular images of rural Americans as in for example Duck Dynasty and Moonshiners All American Redneck reveals the way in which such images have long been manipulated for particular social goals almost always as a means to solidify the position of the powerful at the expense of the regional Dictionary of Literary Biography Yearbook 1999 Matthew Joseph Bruccoli, George Garrett, Richard Layman, 2000-05 Updates entries already published and supplements the Dictionary of Literary Biography series with entries on newly prominent writers 2009 Guide To Literary Agents - Articles Chuck Sambuchino, 2008-07-01 Now more than ever in a market glutted with aspiring writers and a shrinking number of publishing houses writers need someone familiar with the publishing scene to shepherd their manuscript to the right person Completely updated annually

Sisters of Providence Allen Paul Speer, Janet Barton Speer, 2000 The lives and writings of these two sisters Jennie and Ann Speer provide us a window on a world that for a long time was rarely seen and only recently has been exposed The life of neither sister is an altogether happy one The writings of both Jennie in particular are full of a kind of yearning of sadness of possibilities not realized One feels both a vast sympathy and strong admiration for these sisters who dwelled in obscurity and wanted to be heard Now with the publication of their writings unread for nearly a century and a half past they are no longer silenced **Vale of Humility** George Hovis, 2007 This is an inviting look at the influence of the yeoman s small farm on six modern southern writers In a deft analysis of works by Doris Betts Reynolds Price Fred Chappell Lee Smith Clyde Edgerton and Randall Kenan Vale of Humility explores the lives of the plain folk white and black who populate the worlds of contemporary North Carolina fiction Hovis explains that a wealthy planter elite was significantly less prominent in North Carolina than in neighboring regions and as such the state s plain folk did not develop a class identity based as deeply in relation to a superior planter class Instead the identification of the yeoman s small farm rather than the plantation as necessary to the ideal life has been a distinguishing feature of the state s literature In this first full length study of North Carolina s contemporary fiction Hovis examines the work of six representative writers from the state s three geographic

regions Lee Smith and Fred Chappell from the mountains Doris Betts and Clyde Edgerton from the Piedmont and Reynolds Price and Randall Kenan from the coastal plain The work of these six writers is explored within the broader southern literary tradition with attention to how they have revised such modes as pastoral family saga and southwestern humor in order to portray their own regional experiences Although these writers celebrate the egalitarianism at the heart of the yeoman ideal they also expose the forms of racism sexism and classism that have also marked the state s history Six Poets from the **Mountain South** John Lang, 2010-04-20 In the most extensive work to date on major poets from the mountain South John Lang takes as his point of departure an oft quoted remark by Jim Wayne Miller Appalachian literature is and has always been as decidedly worldly secular and profane in its outlook as the region s traditional religion appears to be spiritual and otherworldly Although this statement may be accurate for Miller's own poetry and fiction Lang maintains that it does not do justice to the pervasive religious and spiritual concerns of many of the mountain South's finest writers including the five other leading poets whose work he analyzes along with Miller's Fred Chappell Robert Morgan Jeff Daniel Marion Kathryn Stripling Byer and Charles Wright Lang demonstrates all write poetry that explores sometimes with widely varying results what they see as the undeniable presence of the divine within the temporal world Like Blake and Emerson before them these poets find the supernatural within nature rather than beyond it They all exhibit a love of place in their poems a strong sense of connection to nature and the land especially the mountains Yet while their affirmation of the world before them suggests a resistance to the otherworldliness that Miller points to their poetry is nonetheless permeated with spiritual questing Dante strongly influences both Chappell and Wright though the latter eventually resigns himself to being simply a God fearing agnostic whereas Chappell follows Dante in celebrating the love that moves the sun and other stars Byer probably the least orthodox of these poets chooses to lay up treasures on earth rejecting the transcendent in favor of a Native American spirituality of immanence while Morgan and Marion find in nature what Marion calls a vocabulary of wonders akin to Emerson's conviction that nature is the language of the spiritual Employing close readings of the poets work and relating it to British and American Romanticism as well as contemporary eco theology and eco criticism Lang s book is the most ambitious and searching foray yet into the worlds of these renowned post World War II Appalachian poets 2014 Guide to <u>Literary Agents</u> Chuck Sambuchino, 2013-08-09 The best resource available for finding a literary agent No matter what you re writing fiction or nonfiction books for kids or adults you need a literary agent to secure a book deal The 2014 Guide to Literary Agents is your essential resource for finding that literary agent without fear of being scammed and getting your book published Along with listing information for more than 1 000 literary agents who represent writers and their work this new updated edition of GLA includes New Agent Spotlights calling out literary reps actively building lists right now How I Got My Agent success stories from writers who describe their paths from aspiring author to published success Informative articles on query letters synopsis writing voice and craft author platform nonfiction book proposals researching agents and
