Challenging Myths of Masculinity Lee F. Monaghan, Michael Atkinson, 2016-04-15 Many myths surround male bodies and associated bodywork especially when such bodywork is labelled culturally or socially atypical or problematic Bodybuilding for example has been explained in terms of gender inadequacy and an Adonis complex akin to reverse anorexia while men electing to undergo aesthetic cosmetic surgery are deemed too concerned about their appearance and thus woman like Myths also discredit men and boys who do not engage in appropriate bodywork when this is expected For instance amidst public health concerns surrounding a so called obesity epidemic men and boys who resist physical activity and or attempts to promote a healthy weight are deemed ignorant apathetic and in need of correction Drawing on extensive field research conducted in North America and Britain

over a twenty year period this book challenges such masculine myth making Mindful of a rich sociological tradition that seeks to understand the social world as lived and experienced the authors provide insights that are likely to challenge common perceptions of various groups of men and boys their diverse physical cultures shared ways of being and identities Presenting empirically grounded understandings of diverse bodily practices and discourses including bodybuilding cosmetic surgery dieting and nightclub security Challenging Myths of Masculinity will appeal to scholars of sociology geography and cultural studies with interests in gender embodiment and masculinities *Overrated* Eugene Cho,2014-09-01 It can be fashionable to talk about the poor but not as fashionable to talk to the poor It may be popular to talk about justice and still not know any victims of injustice But we will never make poverty history until we make poverty personal Eugene Cho shatters all our hipster coffee shop talk of justice and dares you to dive into the trenches and do something real with your life Shane Claiborne author activist and friend of Eugene Cho A gutsy and gritty expos on the motives of a generation in love with the idea of saving the world *Overrated* by Eugene Cho is a necessary exercise for all who desire to truly be a part of the change God wants to bring to humanity This book is real personal necessary and a must read so we can all continue on the path toward justice for all Louie Giglio Passion City Church Passion Conferences When you re done talking about the gospel and are ready for your walking to be the gospel Start here I needed this book Ann Voskamp author of the New York Times bestseller *One Thousand Gifts* Many people today talk about justice but are they living justly They want to change the world but are they being changed themselves Eugene Cho has a confession I like to talk about changing the world but I don t really like to do what it takes If this is true of the man who founded the One Day s Wages global antipoverty movement then what must it take to act on one s ideals Cho does not doubt the sincerity of those who want to change the world But he fears that today s wealth of resources and opportunities could be creating the most overrated generation in history We have access to so much but end up doing so little He came to see that he too was overrated As Christians Cho writes our calling is not simply to change the world but to be changed ourselves In *Overrated* Cho shows that it is possible to move from talk to action
