Look It Up:

Just Look Up Courtney Walsh, 2017 After tirelessly climbing the ranks of her Chicago based interior design firm Lane Kelley is about to land her dream promotion when devastating news about her brother draws her back home a quaint tourist town full of memories she'd just as soon forget With her cell phone and laptop always within reach Lane aims to check on her brother while staying focused on work something her eclectic family doesn't understand Ryan Brooks never expected to settle down in Harbor Pointe Michigan but after his final tour of duty it was the only place that felt like home Now knee deep in a renovation project that could boost tourism for the struggling town he is thrilled to see Lane the girl he secretly once loved even if the circumstances of her homecoming aren't ideal Their reunion gets off to a rocky start however when Ryan can't find a trace of the girl he once knew in the woman she is today As he slowly chips away at the walls Lane has built secrets from his past collide with a terrible truth even he is reluctant to believe Facing a crossroads that could define his future with Lane and jeopardize his relationship with the surrogate family he's found in the Kelleys Ryan hopes Lane can see that maybe what really matters has been right in front of her all along if only she'd just look up *Look Up* Kenneth Thompson, 2023-06-26 These are short stories Ranging from a Hit Man becoming infatuated with the person he is meant to kill to a person getting into a philosophical debate with their executioner to answering the fundamental nature of consciousness these stories will entertain readers with its clever insights and biting commentary Interlaced throughout are connected stories of two families whose lives are weaved together more than they could ever know Some stories are much longer than others but what they lack in brevity they make up for in levity This rhymes which means it is true *When I Look Up* Ron Gallo, 2021-11-21 Most Christian books have a problem For they speak from an adult perspective and not a child's They leave out the most important aspect of the foundation when walking with God and that is the child They say do ABCDE to get a better walk with God That's fine but we forget about the growth of the child and there characteristics is the Christian life template for an adult to look at and learn from This is the reason why children come before adults it's so we can see who God sees God doesn't see us as we see each other as adults in arrogance God doesn't care about your social status or you can have more degrees than a thermometer you are his child God sees adults as tall children So now let's look deeper into a child's life and how it relates to God's foundation the family Understanding the child then you will understand yourself and what God wants from us as adults Looking at the genesis of a child we can see many attributes and characteristics of a child that God wants to see in us We can shadow and be a reflection of childlike not childish as Jesus said in the book of Mathew Jesus clearly states unless you're like a child you shall not enter Right off the bat Jesus is drawing the line in the sand Children have many characteristics that we miss as adults and forget that we went through these same characteristics ourselves From looking up having child like faith being able to be led humility believability no pride or self righteousness etc This fascinating book being different will enhance any reader parent to take a stronger look at their own Christian life and check off the boxes
