Moving On H.J. Holt,2012-07-09 Twenty two year old foster care survivor Luke Kearsey got out of his abusive relationship and then got out of the country Now he lives in England where he works at a burger bar Maybe his life is directionless but at least he s safe When thirty six year old schoolteacher Paul Blackwell meets Luke at a club neither man expects anything more than some no strings attached sex Paul is still grieving the death of his partner of five years and he s not looking for anything serious Not when it means he could get hurt again But despite all their differences something clicks between them Though Luke lacks confidence and finds it difficult to believe he can offer Paul much in a relationship and though Paul is wary about starting a relationship with someone so different they begin to explore the possibilities that could help them heal With the love and support they provide each other Luke and Paul begin to put their pasts behind them but then Luke s past shows up in England and it wants him back Is Luke really ready to move on
