Impressions and Reflections Peter Chapel, 2014-06-16 My song lyrics were a consequence of being a captive in my automobile twice a month from 1978 to 1981 while driving eight hours at a stretch mostly at night This opportunity to reminisce made me recall incidents and people who for one reason or another left an indelible impression on my mind With a small cassette tape recorder by my side I decided one day to express my thoughts memories and feelings As the words formed phrases and sentences they fell into a rhythm and evolved into melodies that became my form of self expression for about two years I never tried consciously to be poetic or profound Writing in the first person singular seemed the easiest way to go Taking advantage of poetic license it worked well even when I personally had the experience only as an observer Because I have had no musical training I depended on a friend to transcribe the songs from tape to lead sheet form and piano accompaniment Where I used real names the songs were intended to be a tribute to the persons Where a fictitious name was used it was no less a tribute
