Looka Yonder The Imaginary America Of Populist Culture:

Looka Yonder! Duncan Webster, 1988 **Cultural Theory and Popular Culture** John Storey, 2006 Whether used on its own or in conjunction with Cultural Theory and Popular Culture An Introduction this reader is a theoretical analytical and historical introduction to the study of popular culture within cultural studies The readings cover the culture and civilization tradition culturalism structuralism and poststructuralism Marxism feminism and postmodernism as well as current debates in the study of popular culture New to this edition Four new readings by Stuart Hall Ernesto Laclau and Chantal Mouffe Judith Butler and Savoy i ek Fully revised general and section introductions that contextualize and link the readings with key issues in Cultural Theory and Popular Culture An Introduction Fully updated bibliography Ideal for courses in cultural studies media studies communication studies sociology of culture popular culture visual studies cultural criticism **Culture in Bits** Gary Hall, 2002-08-01 Cultural Studies seems to have lost its way somewhere between today s preoccupation with the empirical and the theory revolutions of the 1980s and 90s Assessing the work of key theorists across the history of cultural studies Raymond Williams Stuart Hall Meaghan Morris and Angela McRobbie Culture In Bits argues that the trend towards a more politicized practice is in fact not political enough theory and deconstruction in particular can offer a more radical and a more political engagement Pinpointing the ambiguities that both constitute and disturb cultural studies and outlining a radical agenda for its future Culture in Bits is vital reading for all interested in cultural practice and theory **Routledge Library Editions: Cultural Studies** Various Authors, 2021-05-13 This seven volume set reissues a collection of out of print titles covering a range of responses to modern culture They include in depth analyses of US and Australian popular culture works on the media and television macrosociology and the media and otherness Taken together they provide stimulating and thought provoking debate on a wide range of topics central to many of today s cultural controversies Media Cultures Michael Skovmand, Kim Christian Schröder, 2016-10-04 This book first published in 1992 challenges the elitism and cultural pessimism of much Anglo American and Continental cultural debate with regard to the role and power of transnational media practices In a series of ten innovative essays an international group of media researchers explores a wide range of cultural practices across national borders and the cultural politics associated with these everyday practices and debates Literature and the Nation Brook Thomas, 1998 **Star Authors** Joe Moran, 2000-02-20 In America authors are as likely to be seen on television talk shows or magazine covers as in the more traditional settings of literary festivals or book signings Is this literary celebrity just another result of dumbing down Yet another example of the mass media turning everything into entertainment Or is it a much more unstable complex phenomenon And what does the American experience tell us about the future of British literary celebrity In Star Authors Joe Moran shows how publishers the media and authors themselves create and disseminate literary celebrity He looks at such famous contemporary authors as Toni Morrison J D Salinger Thomas Pynchon Don DeLillo John Updike Philip Roth Kathy Acker Nicholson Baker Paul Auster and Jay McInerney Through an

examination of their own work biographical information media representations and promotional material Moran illustrates the nature of modern literary celebrity He argues that authors actively negotiate their own celebrity rather than simply having it imposed upon them from reclusive authors such as Salinger and Pynchon famed for their very lack of public engagement to media friendly authors such as Updike and McInerney Star Authors analyses literary celebrity in the context of the historical links between literature advertising and publicity in America the economics of literary production and the cultural capital involved in the marketing and consumption of books and authors *Media in a Globalized Society* Stig Hjarvard, 2003 Enth A mediated world the globalization of society and the role of media Stig Hjarvard Globalisation Americanisation and politicisation of media research Daniel Biltereyst Globalization and national identity in Danish television the return of the nation Henrik S ndergaard Global genre and the complexity of proximity Hanne Bruun Globalisation and localisation TV coverage of the Olympic Games in Sydney 2000 Kirsten Frandsen Beyond imagined community Transnational media and Turkish migrants in Europe Kevin Robins Miss World going Deshi addressing an Indian television audience with a global media product Norbert Wildermuth Communicating models the relevance of models for research on the worlds of the internet

Television, Ethnicity and Cultural Change Marie Gillespie, 2002-01-04 For ethnic minorities in Britain broadcast TV provides powerful representations of national and western culture In Southall which has the largest population of South Asians outside the Indian sub continent the VCR furnishes Hindi films sacred soaps such as the Mahabharata and family videos of rites of passage as well as mainstream American films Television Ethnicity and Cultural Change examines how TV and video are being used to recreate cultural traditions within the South Asian diaspora and how they are also catalysing cultural change in this local community Marie Gillespie explores how young people negotiate between the parental and peer local and global national and international contexts and cultures which traverse their lives Articulating their own preoccupations with television narratives they both reaffirm and challenge parental traditions formulating their own aspirations towards cultural change Marie Gillespie s in depth study offers an invaluable survey of how cultures are shaped and changed through people s recreative reception of the media

America Through a British Lens James D. Stone, 2017-10-20 As the British watched their empire crumble and the United States became the dominant world power many British films warned of the dangers posed by American culture Americans were frequently portrayed as disconcertingly ambitious reckless and irreverent Yet the same films that depicted the U S as an agent of chaos also suggested Britons might do well to embrace American style energy and egalitarianism Movies like *Love Actually* *The Quatermass Experiment* *28 Weeks Later* *Local Hero* and Alfred Hitchcock s *Secret Agent* have delved into the storied special relationship between the U S and U K These films and many more examined in this first book length study of British movies about America reveal much about British attitudes regarding power gender class sexuality and emotion

Spectacular Bodies Yvonne Tasker, 2012-10-02 While films such as *Rambo* *Thelma and Louise* and *Basic Instinct* have operated as major points of cultural reference in

recent years popular action cinema remains neglected within contemporary film criticism *Spectacular Bodies* unravels the complexities and pleasures of a genre often dismissed as obvious in both its pleasure and its politics arguing that these controversial films should be analysed and understood within a cinematic as well as a political context Yvonne Tasker argues that today's action cinema not only responds to the shifts in gendered sexual and racial identities which took place during the 1980s but reflects the influences of other media such as the new video culture Her detailed discussion of the homoeroticism surrounding the muscleman hero the symbolic centrality of blackness within the crime narrative and the changing status of women within the genre addresses the constitution of these identities through the shifting categories of gender class race sex sexuality and nation *Spectacular Bodies* also examines the ambivalence of supposedly secure categories of popular cinema questioning the existing terms of film criticism in this area and addressing the complex pleasures of this neglected form

Shopping in Space Elizabeth Young, Graham Caveney, 1994 *Mediating Chicana/o Culture* Scott L. Baugh, 2008-12-18
Mediating Chicana/o Culture Multicultural American Vernacular covers an unconventional array of topics from handkerchiefs votives and graffiti to food football and the Internet as well as cutting edge literature cinema photography and more In its cross disciplinary approach this collection makes an invaluable contribution to the scholarship on Chicana and Chicano culture and provides engaging readings for courses in race ethnic studies media studies and American studies Collected chapters critically interrogate the underlying tensions between personal expressions and public demonstrations in their ongoing negotiation of Chicana and Chicano identity Drawing on the revolutionary work of Gloria Anzaldúa Tomas Ybarra Frausto Emma Pérez Alfred Arteaga Chela Sandoval Julia Watson and Sidonie Smith the Latina Feminist Group among others chapters in this collection closely read the processes that seem built into the actions and behaviors the products the art the literature and the discourse surrounding the search for identity in the rush of our diverse 21st century existence *Mediating Chicana/o Culture* lays bare the methods by which we define ourselves as individuals and as members of communities examining not only the message but also the medium and the methods of mediating identity and culture **The Roadhouse**

Comes to Britain David W. Gutzke, Michael John Law, 2017-04-20 This is the first book to examine the cultural phenomenon of the roadhouse in mid 20th century Britain and its impact on British leisure The term roadhouse was used in varied ways in the 1930s from small roadside tearooms to enormous establishments on the outskirts of major cities These roadhouses were an important component in the transformation of leisure in the 1930s and beyond reflecting the increased levels of social and physical mobility brought about by new technologies suburbanisation and the influence of American culture Roadhouses attracted wealthy Londoners excited by the prospect of a high speed run into the countryside During the day they offered family activities such as tennis archery horse riding and swimming At night they provided all the fun of the West End with dancing classy restaurants cabaret swimsuit parades and dance demonstrations subverting the licensing laws to provide all night drinking Rumours abounded of prostitution and transgressive behaviour in the car park Roadhouses formed part of an

imaginary America in suburban Britain that was promoted by the popularity of American movies music and fiction providing a pastiche of the American country club While much work has been done on the Soho nightclubs of the 1930s the roadhouse has been largely ignored Michael John Law and David Gutzke fill this gap in the literature by providing a comprehensive analysis of the roadhouse s cultural meaning demonstrating how its Americanisation was interpreted for British consumers This original and engaging study will be fascinating reading for all scholars of 20th century British cultural history

Fascism and Millennial American Cinema Leighton Grist,2018-05-31 This book examines a spate of American films released around the turn of the millennium that differently address the actuality or possibility of domestic fascism within the USA The films discussed span a diversity of forms genres and production practices and encompass low and medium budget studio and independent releases such as American History X Stir of Echoes and The Believer star and or auteur vehicles such as The Siege Fight Club and American Beauty and high budget high concept science fiction films and franchises such as Starship Troopers Minority Report the Matrix and X Men trilogies and the Star Wars prequels Central to the book is the detailed analysis of the films which is contextualized historically in relation to a period that saw the significant rise of the far Right The book concordantly affords a wider insight into fascism and its various manifestations and how such have been and continue to be registered within American cinema

Titanic Kevin S. Sandler,Gaylyn Studlar,1999 In 1997 James Cameron s Titanic became the first motion picture to earn a billion dollars worldwide These essays ask the question What made Titanic such a popular movie Why has this film become a cultural and film phenomenon What makes it so fascinating to the film going public

Popular music on screen John Mundy,2024-07-30 Popular Music on Screen examines the relationship between popular music and the screen from the origins of the Hollywood musical to contemporary developments in music television and video Through detailed examination of films television programs and popular music together with analysis of the economic technological and cultural determinants of their production and consumption the book argues that popular music has been increasingly influenced by its visual economy Though engaging with the debates that surround postmodernism the book suggests that what most characterizes the relationship between popular music and the screen is a strong sense of continuity expressed through institutional structures representational strategies and the ideology of entertainment

Shakespeare, The Movie II Richard Burt,Lynda E. Boose,2004-02-24 Following on from the phenomenally successful Shakespeare The Movie this volume brings together an invaluable new collection of essays on cinematic Shakespeares in the 1990s and beyond Shakespeare The Movie II focuses for the first time on the impact of postcolonialism globalization and digital film on recent adaptations of Shakespeare takes in not only American and British films but also adaptations of Shakespeare in Europe and in the Asian diaphora explores a wide range of film television video and DVD adaptations from Almercyda s Hamlet to animated tales via Baz Luhrmann Kenneth Branagh and 1990s Macbeths to name but a few offers fresh insight into the issues surrounding Shakespeare on film such as the interplay between

originals and adaptations the appropriations of popular culture the question of spectatorship and the impact of popularization on the canonical status of the Bard Combining three key essays from the earlier collection with exciting new work from leading contributors Shakespeare The Movie II offers sixteen fascinating essays It is quite simply a must read for any student of Shakespeare film media or cultural studies

Come on Down? Dominic Strinati, Stephen Wagg, 2004-02-24 Come on Down represents an introduction to popular media culture in Britain since 1945 It discusses the ways in which popular culture can be studied understood and appreciated and covers its key analytical issues and some of its most important forms and processes The contributors analyse some of popular culture's leading and most representative expressions such as TV soaps quizzes and game shows TV for children media treatment of the monarchy Pop Music Comedy Advertising Consumerism and Americanization The diversity of both subject matter and argument is the most distinctive feature of the collection making it a much needed and extremely accessible interdisciplinary introduction to the study of popular media culture The contributors many of them leading figures in their respective areas of study represent a number of different approaches which themselves reflect the diversity and promise of contemporary theoretical debates Their studies encompass issues such as the economics of popular culture its textual complexity and its interpretations by audiences as well as concepts such as ideology material culture and postmodernism

Hicks, Tribes, and Dirty Realists Robert Rebein, 2021-10-21 Robert Rebein argues that much literary fiction of the 1980s and 90s represents a triumphant if tortured return to questions about place and the individual that inspired the works of Hawthorne Melville Twain Faulkner and other giants of American literature Concentrating on the realist bent and regional orientation in contemporary fiction he discusses in detail the various names by which this fiction has been described including literary postmodernism minimalism Hick Chic Dirty Realism ecofeminism and more Rebein's clearly written nuanced interpretations of works by Raymond Carver Cormac McCarthy Don DeLillo Louise Erdrich Dorothy Allison Barbara Kingsolver E Annie Proulx Chris Offutt and others will appeal to a wide range of readers
