Patricia Leavy, 2017-10-10 **Privilege Through the Looking Glass** is a collection of original essays that explore privilege and status characteristics in daily life This collection seeks to make visible that which is often invisible It seeks to sensitize us to things we have been taught not to see Privilege power oppression and domination operate in complex and insidious ways impacting groups and individuals And yet these forces that affect our lives so deeply seem to at once operate in plain sight and lurk in the shadows making them difficult to discern Like water to a fish environments are nearly impossible to perceive when we are immersed in them This book attempts to expose our environments With engaging and powerful writing the contributors share their personal stories as a means of connecting the personal and the public This volume applies an intersectional perspective to explore how race class gender sexuality education and ableness converge creating the basis for privilege and oppression **Privilege Through the Looking Glass** encourages readers to engage in self and social reflection and can be used in a range of courses in sociology social work communication education gender studies and African American studies Each chapter includes discussion questions and or activities for further engagement **Privilege Through the Looking Glass** offers a varied and profound examination of how privilege functions as the underside of power This is a powerful and important book about inequality identity agency and the challenge of addressing difference as part of a democratic ethos in a time of growing authoritarianism all over the world Every educator should read this book Henry A Giroux Professor McMaster University A courageous volume that blends theory personal experiences and reflections on contemporary debates over identity This is a book that is more about the politics of identity than identity politics It is a powerful testament to the urgency of understanding privilege and deserves to be read widely Peter McLaren Distinguished Professor Chapman University **Privilege Through the Looking Glass** unmask the casual isms that suppress the best aspects of our humanity by assembling a powerful and honest collection of parables Poignant and unflinching the contributors eschew the cloak of objectivism to give the hard truth about privilege as a social ill and the collective responsibility of the conscious community to confront all forms of oppression this book has lessons for anyone with the spirit to explore better ways to be themselves

and relate to others Ivory A Toldson Professor Howard University and Editor in Chief for The Journal of Negro Education Patricia Leavy Ph D is an award winning independent sociologist and best selling author

What's Behind the Looking Glass? Eric Shepherd, 2014-12-26 Most people wish they could get a second chance in life A do over and correct those mistakes that now lay hidden or buried in their closet They wish they could hide all those painful memories and lock them all away into a box Buried them so deep hoping they never resurface rather than too face them at all EJ Stuart is just such a person yet his memories are not the same nor are the hardships of abuse caused by a broken home the same as another man s down the street His nightmares are worlds apart than any man has ever faced He dreams of darkness everlasting darkness so evil that it can tear a man s mind apart Death to some is only a beginning to something else but what if it was designed to change the outcome entirely yes a redo But what of the cost and are you willing to pay for it even if it is your very soul is at stake EJ Stuart as man now a statuses quo in this world is given the opportunity But first he must choose to as he sits one last time on porch alone waging war with his darkest thoughts That brought him to this stage of life which hunts his dreams and has now entered his waking state Which will he chose Death or a chance to change his destiny forever knowing his very soul is at stake Knowing he could never come back Knowing his life could be changed forever and others around him For this choice is a gift which can only be obtained Behind the Looking Glass Where worlds such as Nightmares Monsters and Fairytale are real and some or seeking his very soul others are asking for help his help to save his and their world from the grasp of evil Choose well

The Female Body in the Looking-Glass Basia Sliwinska, 2016-06-29 In his theory of the mirror stage the psychoanalyst and psychiatrist Jacques Lacan argued that the female body is defined by its lack of male attributes Within this framework he described female sexuality primarily as an absence and assumed female subordination to the male gaze However what happens if one follows Jean Baudrillard s advice to swallow the mirror and go through the looking glass to explore the reflections and realities that we encounter in the cultural mirror which reflects the culture in question its norms ideals and values What if the beautiful is inverted and becomes ugly and the ugly is considered beautiful or shape shifts into something conventionally thought of as beautiful These are the fundamental questions that Basia Sliwinska poses in this important new enquiry into gender identity and the politics of vision in contemporary women s art Through an innovative discussion of the mirror as a metaphor Sliwinska reveals how the post 1989 practices of woman artists from both sides of the former Iron Curtain such as Joanna Rajkowska Marina Abramovic Boryana Rossa Natalia LL and Anetta Mona Chisa and Lucia Tkacova go beyond gender binaries and instead embrace otherness and difference by playing with visual tropes of femininity Their provocative works offer alternative representations of the female body to those seen in the cultural mirror Their art challenges and deconstructs patriarchal representations of the social and cultural other associated with visual tropes of femininity such as Alice in Wonderland Venus and Medusa The Female Body in the Looking Glass makes a refreshing radical intervention into art theory and cultural studies by offering new theoretical concepts such

as the mirror and genderland inspired by Alice's adventures in Wonderland as critical tools with which we can analyse and explain recent developments in women's art

The Looking-glass Daniel H. Peterson, 1854

Into The Looking-Glass Wood Alberto Manguel, 2011-02-04

By the award winning author of *A History of Reading* For me words on a page give the world coherence Words tell us what we as a society believe the world to be I believe there is an ethic of reading a commitment that is both political and private in the act of turning the pages And I believe that sometimes beyond the author's intentions and beyond the reader's hopes a book can make us better and wiser Through personal stories and literary reflections in a style rich in humour and gentle erudition Manguel leads us the readers to reflect upon the pleasures and responsibilities of reading and the links that exist between the world we live in and the words we live amongst

Into the Looking Glass Wood is a voyage into the subversive heart of words a voyage fired by the author's humanity and extraordinary breadth of vision

Blindness Through the Looking Glass Gili Hammer, 2019-10-03

Modern Western culture is saturated with images imprinting visual standards of concepts such as beauty and femininity onto our collective consciousness *Blindness Through the Looking Glass* examines how gender and femininity are performed and experienced in everyday life by women who do not rely on sight as their dominant mode of perception identifying the multiple senses involved in the formation of gender identity within social interactions Challenging visuality as the dominant mode to understand gender social performance and visual culture the book offers an ethnographic investigation of blindness and sight as a human condition putting both blindness and vision on display by discussing people's auditory tactile and olfactory experiences as well as vision and sight and by exploring ways that individuals perform blindness and sightedness in their everyday lives Based on in depth interviews with 40 blind women in Israel and anthropological fieldwork the book investigates the social construction and daily experience of blindness in a range of domains Uniquely the book brings together blind symbolism with the everyday experiences of blind and sighted individuals joining in mutual conversation the fields of disability studies visual culture anthropology of the senses and gender studies

Alice in Wonderland and Through the Looking Glass Lewis Carroll, 1993

By falling down a rabbit hole and stepping through a mirror Alice experiences unusual adventures with a variety of nonsensical characters

Victorian Literature in the Looking Glass of Psychology Melinda Gorgan, 2011-11-08

Victorian Literature in the Looking Glass of Psychology is an interdisciplinary study that observes the changes in literary character construction throughout the Victorian Age Pursuing the epistemologically altered character construction over the years from the beginning to the end of the Victorian era the book covers a range of titles that demonstrate that the progress of psychology was responsible for the way the workings of the mind were understood It addresses the changes that characters underwent in the fifty years passing from *Jane Eyre* to *Dracula* The influence of psychology on literature is tracked step by step through the Victorian age starting with Charlotte Brontë's *Bildungsroman* and Dickens's realism and ending with the inward turn the focus on the psychological mechanisms of the individual in Henry James Robert Louis Stevenson Oscar Wilde

and Bram Stoker For scholars interested in an up to date critical approach to Victorian literature focusing on interdisciplinarity discourse negotiations and psychosynthetic literary analysis the book will be a valuable reference source

Death Through the Looking Glass Richard Forrest,2016-08-16 Children s book author Lyon Wentworth and his wife Bea investigate a murder from the vantage of a hot air balloon in this charming seaside thriller For Lyon Wentworth s birthday his wife Bea gives him something spectacular a custom wicker basket made to fit his prized hot air balloon In return Lyon gives Bea what she wants more than anything else a promise to end his career as an amateur sleuth and stop risking his neck to solve impossible murders But promises are hard to keep and Lyon will be caught up in another mystery before his feet touch the ground Lyon is cruising over Long Island Sound when he sees his friend Tom s private plane spewing black smoke Before he can radio the coast guard the plane crashes and is swallowed by the waves Tom was an expert pilot and Lyon is certain that he wouldn t have made a fatal error Perhaps the plane was tampered with But when a phone call from Tom comes after his supposed death Lyon realizes this murder has taken the leap from improbable to impossible Richard Forrest s Lyon and Bea Wentworth Mysteries are some of the most intelligent thrillers ever written As witty and urbane as Dashiell Hammett s Nick and Nora Charles the Wentworths approach homicide with effortless style *Death Through the Looking Glass* is the 3rd book in the Lyon and Bea Wentworth Mysteries but you may enjoy reading the series in any order

Through The Looking Glass : Om Illustrated Classics Lewis Carroll,2018-08 *Through The Looking Glass* is the sequel to Alice s Adventures in Wonderland It is based on his meeting with another Alice Alice Raikes Set some six months later than the earlier book Alice again enters a fantastical world this time by climbing through a mirror into the world that she can see beyond it The book takes a look at the world of the mirror and the world beyond it Reflections distortions and fantasy are major ingredients in this wonderful book which brings together the worlds of the child and the adult Sparkling characters are found in the narrative ranging from Humpty Dumpty to the Red Queen to the Unicorn The story opens on a snowy wintry night uses frequent changes in time and spatial directions as a plot device and draws on the imagery of chess In it there are many mirror themes including opposites time running backwards and so on

The Law of the Looking Glass Sheila Skaff,2008 *The Law of the Looking Glass* Cinema in Poland 1896 1939 reveals the complex relationship between nationhood national language and national cinema in Europe before World War II Author Sheila Skaff describes how the major issues facing the region before World War I from the relatively slow pace of modernization to the desire for national sovereignty shaped local practices in film production exhibition and criticism She goes on to analyze local film production practices of spectatorship in large cities and small towns clashes over language choice in intertitles and controversy surrounding the first synchronized sound experiments before World War I Skaff depicts the creation of a national film industry in the newly independent country the golden years of the silent cinema the transition from silent to sound film and debates in the press over this transition as well as the first Polish and Yiddish talkies She places particular importance on conflicts in majority

minority relations in the region and the types of collaboration that led to important films such as *The Dybbuk* and *The Ghosts of the Looking Glass*. Cinema in Poland 1896-1939 is the first comprehensive history of the country's film industry before World War II. This history is characterized by alternating periods of multilingual multiethnic production on the one hand and rejection of such inclusiveness on the other. Through it all, however, runs a single unifying thread: an appreciation for visual imagery.

Songs From Alice in Wonderland and Through the Looking-Glass Lewis Carroll, 2019-11-20

In *Songs From Alice in Wonderland and Through the Looking Glass*, Lewis Carroll masterfully compiles the whimsical and playful verses that punctuate his renowned narratives. This collection encapsulates the surreal humor, clever wordplay, and nonsensical logic for which Carroll is famous, reflecting the Victorian fascination with both childhood innocence and the absurd. Through intricate rhyme schemes and lyrical cadences, the poems deepen the surreal experience of *Wonderland* and *Looking Glass*, drawing readers into a world where the improbable becomes possible and logic is delightfully subverted. Lewis Carroll, the pen name of Charles Lutwidge Dodgson, was an Oxford mathematician, logician, and photographer whose dual passions for the intellectual and the imaginative profoundly influenced his literary output. His unique ability to blend fantasy with philosophical inquiry allowed Carroll to create works that resonate with both children and adults. The songs themselves can be seen as an extension of his fascination with language and meaning, encouraging readers to revel in the joy of language while simultaneously sparking deeper contemplation about reality. This enchanting collection is a must-read for those who appreciate the interplay of language and imagination. Whether you are revisiting the beloved tales of Alice or experiencing them for the first time, Carroll's songs promise to transport you to a realm where curiosity reigns and the impossible becomes delightfully tangible.

The book delves into Looking At Glass. Looking At Glass is a crucial topic that must be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Looking At Glass, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Looking At Glass
- Chapter 2: Essential Elements of Looking At Glass
- Chapter 3: Looking At Glass in Everyday Life
- Chapter 4: Looking At Glass in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Looking At Glass. This chapter will explore what Looking At Glass is, why Looking At Glass is vital, and how to effectively learn about Looking At Glass.
3. In chapter 2, this book will delve into the foundational concepts of Looking At Glass. The second chapter will elucidate the essential principles that need to be understood to grasp Looking At Glass in its entirety.
4. In chapter 3, the author will examine the practical applications of Looking At Glass in daily life. This chapter will showcase real-world examples of how Looking At Glass can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Looking At Glass in specific contexts. This chapter will explore how Looking At Glass is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Looking At Glass. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Looking At Glass.
