## Looking God In The Eye:

God's Eye View Tommy Tenney, 2008-07-13 In God's Eye View Tommy Tenney explores how worship lifts us up to see the trouble we face from God's perspective instead of being trapped in an earthly time bound viewpoint The higher we go the smaller our problems seem Tenney also teaches the Principle of Magnification The closer you get to something the bigger it appears In other words worship not only shrinks our problems it also magnifies God in our lives and to others Worship doesn't really change our problems it just minimizes their influence over us as we focus on God He doesn't promise to remove all of our circumstances but God does assure us that in His presence and from His perspective we can see things as they really are and not how they appear to be In the book of Revelation John was instructed to behold the Lion but from an earthly perspective John saw only the Lamb The heavenly perspective reveals that the Lamb is the Lion the babe of Bethlehem is the ancient of days and the dragon is really a weakened lizard God's eye view is higher than man's Higher than a bird's eye view higher than a man's eye view is God's eye view *You Are the Apple of God's Eye* Rod W. Larkins, 2018-09-18 It's time to awaken your true self You are the apple of God's eye It has been said that the church is suffering an identity crisis Perhaps this is why we have so many Christians sitting in the church not knowing who they are or what their purpose is in life It's as if they have become orphaned unable to discover their godly inheritance It is important to know who we are in Christ and what we have a right to but it is equally important to have a full understanding of our spiritual birthright The true spiritual life is so much more than just being a good person going to church or performing good deeds The true spiritual life is royal Christ did not come to earth to establish a religion He came to awaken royalty There is nothing more exciting than discovering who we are in him We were created to reign We are meant to shine We are destined to be loved and to reflect God's love to the world So get ready You are about to embark on a great journey As you read the pages of this book you will discover that you don't have to wait for heaven to be spiritually alive Life is yours now This book is a beautiful revelatory masterpiece of the saints of God being taught and equipped on how to walk in their new creation identity Pastor Brandon Cornelius Sr Founder and Leader of Glory Revival Center *You are the Apple of God's Eye* is a powerful and life impacting book that is scripture based to open you up as to how you can fit into the kingdom of God I was truly brought back to understanding the importance of my position within the kingdom of God This book is necessary for inspirational kingdom daily living Pastor C L Collins Jr Kingdom Bound Community Church **THE LOOKING ANGEL** Gerard Cec, 2011-05-31 An Angel comes to earth to admire God's creation His curiosity leads him down to be with and enjoy God's people but unknown to him earth is not what he expected it to be His objective is to try and guide people with his teachings explaining to why things are the way they are So if you were ever curious to know anything Regarding our lives and who or what is God or how to receive anything the world has to offer But most importantly the big question WHAT is OUR PURPOSE and WHAT IS LIFE ALL ABOUT And questions about success and relationships etc If these are the questions in your life then let the Looking

**Schelling, Freedom, and the Immanent Made Transcendent** Daniele Fulvi, 2023-09-28 This book offers a cutting edge interpretation of the philosophy of F W J Schelling by critically reconsidering the interpretations of some of his successors It argues that Schelling's philosophy should be read as an ontology of immanence highlighting its relevance for ongoing debates on ethics and freedom The book builds on a key notion from Schelling's Philosophy of Revelation where he outlines the process through which transcendence must return to immanence in order to be grasped and understood The author identifies Jaspers Heidegger and Deleuze as the main interpreters of Schelling's philosophical activity highlighting their relevance for subsequent Schelling scholarship Heidegger and Jaspers refer to Schelling's philosophy in negative terms namely as an incomplete and unviable philosophical system

whereas Deleuze holds the immanent core of Schelling's ontological discourse in high regard. The author's analysis demonstrates that reading Schelling's philosophy as an ontology of immanence not only avoids Heidegger's and Jaspers's criticisms but is also more fitting to Schelling's original meaning. Accordingly, his reading allows us to fully grasp Schelling's thought in all its strength and consistency as a philosophy that avoids metaphysical abstractions and maintains the concreteness of concepts like God, nature, freedom by binding them to a solid and material account of Being. Finally, the author uses Schelling to propose an innovative reading of freedom as a matter of resistance and of philosophy as an activity whose main purpose is that of seeking the actual extent and place of human life and freedom within nature. The author originally emphasises the relevance of these conclusions on contemporary debates in Postcolonial Critical Theory and Environmental Ethics. *Schelling: Freedom and the Immanent. Made Transcendent. From Philosophy of Nature to Environmental Ethics* will appeal to scholars and advanced students working in 19th century Continental philosophy, German idealism and Postcolonial Critical Theory and Environmental Ethics.

**The Common Good: Chinese and American Perspectives** David Solomon, P.C. Lo, 2013-11-19. This book addresses the Confucian philosophy of common good and deals with the comparative philosophy on eastern and western understandings of common good. The common good is an essentially contested concept in contemporary moral and political discussions. Although the notion of the common good has a slightly antique air, especially in the North Atlantic, discussion of it has figured prominently in both the sophisticated theoretical accounts of moral and political theory in recent years and also in the popular arguments brought for particular political policies and for more general orientations toward policy. It has been at home both in the political arsenal of the left and the right and has had special significance in ethical and political debates in modern and modernizing cultures. This text will be of interest to philosophers interested in Chinese philosophy and issues related to individualism and communitarianism, ethicists and political philosophers, comparative philosophers and those in religious studies working on Chinese religion.
