## Looking Out For Lindy:

**Looking Out** David Gere, 1995 *Looking Out* is the first collection of writings to address the impact of multiculturalism on the dance world. It is unique in offering various perspectives enlisting leading dance critics, performers, choreographers, and academics in a wide-ranging discussion of how dance from around the world can be better understood. Inspired by a groundbreaking 1990 conference of the Dance Critics Association, the book consists of a series of essays each addressing a different facet of the problems and possibilities of multiculturalism.

*Just Girls* Rachel Gold, 2014-09-08 Jess Tucker sticks her neck out for a stranger; the buzz is someone in the dorm is a trans girl. So Tucker says it's her even though it's not to stop the finger pointing. She was an out lesbian in high school and she figures she can stare down whatever gets thrown her way in college. It can't be that bad. Ella Ramsey is making new friends at Freytag University, playing with on-campus gamers and enjoying her first year, but she's rocked by the sight of a slur painted on someone else's door. A slur clearly meant for her if they'd only known. New rules, old prejudices, personal courage, private fear. In this stunning follow-up to the groundbreaking *Being Emily*, Rachel Gold explores the brave, changing landscape where young women try to be *Just Girls*.

*Humacabra* D K Alvey, 2021-10-29 Have you ever wondered what people who live in small towns do? At first glance *Watering Hole* is a quaint little settlement like most in Middle America. A single main street runs through it. There are a handful of well-kept older houses and lawns, friendly neighbors, folks who are always willing to help their neighbor in need, and kids that say "Yes ma'am, No ma'am, and Yes sir, No sir." But something isn't quite as it seems on the surface. Something is really quite different and not so quaint about *Watering Hole*. What is lurking below the surface? Come along with the author as she spins her nightmare into the world.

*Follow the Silence* W.J. Walker, 2024-08-01 Jimmy Boomer Benjamin has arrived at the place he has dreaded and dreamed of for the past fifteen years: the town he grew up in. Nearing retirement and seeking closure to a novel that has plagued him for decades, Jimmy is determined to break the long-held silence that muted two murders. One was rumored to have been committed by his father. The other was a part of his own nightmarish past and resulted in his excommunication from his community. Jimmy's journey begins and ends at Lighthouse Pier on the bleak and beautiful shores of Lake Erie, where memories, visions, shadows, love, and violence converge and break for better or worse. Encouraged and directed by his novel, his opus of truth, his testament to fiction, Jimmy gives himself permission to come home. *Follow the Silence* is a disturbing portrait of racism and homophobia in small-town Ontario, a stirring investigation into collective memory, and a deeply felt examination of one man's reckoning with his past. Timely, moving, and populated by a cast of unforgettable characters, *Follow the Silence* shows readers the remarkable power of truth.

*Lurianics* Michael Brodsky, 2018-05-04 *Lurianics* tells the story of a youngish man, one Isaac Luria, namesake of one of the world's great Kabbalists, who seeks to create a true work which will give his life a meaning that is uniquely beyond label. Set on Manhattan's Upper West Side, the novel anatomizes this unlikely hero's ambivalence, racked relationships, with a veritable cast of thousands, all of whom have one thing in common: a

craving to derail his every attempt to get on with the job They include a smugly go getting kid brother a hyper articulate mystery woman and assorted bosses co workers composers and filmmakers living and dead ballet stars murdered doormen stuff strutting sparrows and honey locusts about to bloom But chaos does not always reign supreme and in the end every encounter plays its part in forcing Luria to confront the ultimate question Does he have the guts not just to erect his Valhalla any fool can do that but to erect it with the only building blocks worth a damn i e the very things befouling the path
