Looking Over Hills:

At Home in the Hills John N. Gray, 2000-08-01 To most outsiders the hills of the Scottish Borders are a bleak and foreboding space usually made to represent the stigmatized Other Ad Finis by the centers of power in Edinburgh London and Brussels At a time when globalization seems to threaten our sense of place people of the Scottish borderlands provide a vivid case study of how the being in place is central to the sense of self and identity Since the end of the thirteenth century people living in the Scottish Border hills have engaged in armed raiding on the frontier with England developed capitalist sheep farming in the newly united kingdom of Great Britain and are struggling to maintain their family farms in one of the marginal agricultural rural regions of the European Community Throughout their history sheep farmers living in these hills have established an abiding sense of place in which family and farm have become refractions of each other Adopting a phenomenological perspective this book concentrates on the contemporary farming practices shepherding selling lambs and rams at auctions as well as family and class relations through which hill sheep fuse people place and way of life to create this sense of being at home in the hills

The House on the Hill Cesare Pavese, 2021-04-29 Pavese's novels are works of an extraordinary depth where one never stops finding new levels new meanings Italo Calvino June 1943 Allied aircraft are bombing Turin fascist Italy is on its knees Every evening after a day's teaching in the city Corrado returns to the safety of the hills and the care of his two doting landladies He has no attachments no obligations Yet against his better judgement he is drawn to the easy warmth of a circle of anti fascists who congregate at a nearby tavern and confronted with a painful choice emotional and political commitment with all its dangers or devastating retreat Pavese's extraordinary semi autobiographical novel is a lucid portrayal of missed opportunities and human weakness set against the seductive intensity of the Italian countryside Translated with an introduction by Tim Parks Shortlisted for The Society of Authors Translation Award 2022
