Sellers,2023-11-14 For nigh 150 years the Marcs of Desryol have been embroiled in the Era of Campaigns Season after season campaigns are waged with little to nothing gained What began as a power struggle has long devolved into a farce And there are those who have had enough Recha Mandas The marquesa sworn to vengeance and the end of the campaigns For three years La Dama Recha Mandas has precariously balanced her Marc of Lazorna on a knife s edge Despite her swift rise she has pursued neutrality with the three larger marcs surrounding her forsaking the campaigns entirely regardless of the damage to Lazorna s prestige all for one purpose the destruction of Si Don Emaximo Borbin Marqu s of Orsembar the man responsible for the death of her beloved This season appears to be her last chance and she plans to wage a campaign the marcs haven t seen since the beginning of the era In doing so she may face a challenge greater than a marc three times her size Will she be able to keep her lofty oath to end this destructive era or will she lose herself to the thrill of campaign Necrem Oso The scarred blacksmith who longs for home Nothing good comes from the campaigns

especially for Necrem Oso and his family They have scarred both him and his wife and cast his family into destitution What little happiness he can provide for his daughter his little miracle and the few good days his wife has are all that keeps him going But the campaigns don't care for a steel working man's happiness nor does Marqu's Borbin when he has grand campaign plans for this season If men can't contribute to the campaign effort through their labor then they will be forced into it another way However opportunities can arise on campaigns But for Necrem if given such an opportunity is it enough for a wronged man to keep his shoulders hunched and go home or raise his fists and demand retribution For over 500 years the status of the world has gone unchanged In one year three events will shatter it The second happens in the west A *Monster's Tale* Kelso Simon,2021-07-27 A great read Brilliantly gritty Ady Dayman BBC radio Leicester Highly recommended as an overview of issues in today's society Five stars 69 degrees magazine The world can be a cruel place to an honest man this is something that 32 year old Brett Kelso knows well It seems fortune never comes his way and his life has become an endless cycle of work and stress counting the days to next payday To add to his stress is the constant worry that is brought on by his ex girlfriend Lisa with whom he shares his beloved 4 year old daughter Macy Lisa seems to think more of partying and getting drunk than taking care of Macy and this is getting worse Brett wants to take custody of Macy but he is told by a solicitor that he has no chance The 21st century society seems to hold a guy like Brett at the bottom of the pecking order and he is particularly lonely The women around him only seem to be interested in plastic gangsters and shallowness After being the victim of a bully's belittling antics Brett is at breaking point but the responsibility he has to Macy keeps him sane One night Lisa's irresponsible behaviour contributes to a life changing disaster which thrusts Brett into a cycle of insanity and revenge Lisa leaves town and Brett becomes hell bent on tracking her down but without success Two years later a chance voicemail gives Brett the opportunity to come face to face with Lisa and he is determined to finally hand down his brand of justice but the deeds of the monster he has become may stand in his way Will Brett settle his final score or will there be a chilling fate in store for him **Silent Hill** Bernard Perron,2012-01-03 The second entry in the Landmark Video Games series
