

The Lookout

by Robert Girvan

The woods were dark, but it was day.
The brush grew dense toward the edge.
You seemed well-enough to lead.
That Lookout had to be close-by.

We stopped and stood silently as
high branches cracked in the cold.
There, falling sharply between rocks,
the path to the Lookout plunged.

“We went down there when they were young,”
you said lightly, while peering down.
“It was easier then,” I said.
You stared at the unknown blackness.

Stricken, you spoke: “I can’t do it.”
The sweep of blue was not for us.
You rushed ahead, while I looked down.
Leaves joined rock, like love with death.

Excerpt from *The Lookout and Other Poems* The earth has voices low and meek For each who in its pathway strays But accents yet more gently speak In language that through nature plays Than lightest warbling of a bird Or whisper of a leafy tree A softer utterance is heard A breath inbreathed o'er land and sea Who walks in time's events and cares His thought with deep concerns replete Perceives it floating on the airs And deems no other sound so sweet The heart receives in solemn pause The crowning sentiment it brings Love's wording of life's inward cause The message of the soul of things About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Seamus Heaney Helen Vendler, 1998 The most astute and eloquent critic of poetry at work today Michiko Kakutani New York Times A renowned American critic charts the creative evolution of the greatest Irish poet since Yeats If other books on Nobel laureate Seamus Heaney have dwelled on the biographical geographical and political aspects of his writing Helen Vendler looks squarely and deeply at his poetic art Tracing the eminent poet's development from his beginnings in *Death of a Naturalist* 1966 through *The Spirit Level* 1996 Seamus Heaney is an inspired and nuanced portrait of an Irish chronicler of public as well as private life whose work has given voice to his troubled times With characteristic discernment and eloquence Vendler considers an often neglected but crucial part of Heaney's evolving talent self revision Here we see how later poems return to the themes or genres of the

earlier works and reconceive them in light of the poet's later attitudes or techniques Vendler surveys all of Heaney's efforts in the classical forms genre scene elegy sonnet parable confessional poem poem of perception and brings to light his aesthetic and moral attitudes Seamus Heaney's development as a poet is inextricably connected to the violent struggle that racked Northern Ireland during his lifetime Vendler shows how in each volume Heaney strived to find a precise language for the turbulence he was living through symbols adequate for our predicament as he once said The worldwide response to those discovered symbols suggests that their relevance extends far beyond their original context Collected Poems Michael Donaghy, 2011-05-13 The death of Michael Donaghy in 2004 at the age of fifty robbed poetry of one of its best loved and most naturally gifted practitioners A modern metaphysical Donaghy wrote poetry of great wisdom grace charm erudition and consummate technical accomplishment This book gathers together all of Donaghy's mature poetry and includes the full texts of his four published volumes as well as a number of fine uncollected pieces As the poet critic Sean O'Brien has remarked Donaghy will come to be seen as one of the representative poets of the age How to Rent a Fire Lookout in the Pacific Northwest Tish McFadden, Tom Foley, 2005-05-13 Spend a week in a ranger's aerie high above the forest and fields of the Pacific Northwest In this updated edition readers will find all they need to know to rent many of the fire lookouts ranger cabins guard stations and bunkhouses in the magnificent national forests of Oregon and Washington Anything That Burns You Terese Svoboda, 2016-01-01 The first full length biography of Lola Ridge a trailblazer for women poetry and human rights far ahead of her time This rich and detailed account of the life and world of Lola Ridge poet artist editor and activist for the cause of women's rights workers rights racial equality and social reform From her childhood as a newly arrived Irish immigrant in the grim mining towns of New Zealand to her years as a budding poet and artist in Sydney Australia to her migration to America and the cities of San Francisco Chicago and New York At one time considered one of the most popular poets of her day she later fell out of critical favor due to her realistic and impassioned verse that looked head on at the major social woes of society Moreover her work and appearances alongside the likes of Margaret Sanger Emma Goldman Will Durant and other socialists and radicals put her in the line of fire not only of the police and government but also the literary pundits who criticized her activism as being excessive and melodramatic This lively portrait gives a veritable who's who of all the key players in the arts literature and radical politics of the time in which Lola Ridge stood front and center The Emergence of Buddhist American Literature John Whalen-Bridge, Gary Storhoff, 2009-06-11 The encounter between Buddhism and American literature has been a powerful one for both parties While Buddhism fueled the Beat movement's resounding critique of the United States as a spiritually dead society Beat writers and others have shaped how Buddhism has been presented to and perceived by a North American audience Contributors to this volume explore how Asian influences have been adapted to American desires in literary works and Buddhist poetics or how Buddhist practices emerge in literary works Starting with early aesthetic theories of Ernest Fenollosa made famous but also distorted by Ezra Pound the book moves on

to the countercultural voices associated with the Beat movement and its friends and heirs such as Ginsberg Kerouac Snyder
Giorno Waldman and Whalen The volume also considers the work of contemporary American writers of color influenced by
Buddhism such as Maxine Hong Kingston Charles Johnson and Lan Cao An interview with Kingston is included
