Remembrance of God is the Greatest Worship Taking The Lord s Name is all about remembering God The first Astpadi of the Sukhmani Sahib sums up the necessity and benefits of remembering God The entire Gurbani is about remembering God But how do we remember The One Who is not visible Who is beyond our senses How do we keep God in our consciousness We generally do it in three ways by Talking about Him by Listening about Him and by reading about Him This book has been made possible only by the Grace of God It is a compilation of 101 Divine Verses or Hymns which are known as Hukamnama that have been randomly selected from the Sikh Holy Book the revered Siri Guru Granth Sahib Every verse indicates which Guru Ji imparted it along with the Ang which is the page number on which it appears in the Holy Siri Guru Granth Sahib Hukamnama is a compound of two words Hukam meaning command or order and namah meaning statement A Hukamnama refers to a hymn from the Guru Granth Sahib which is given as an order to Sikhs or a historical order given by one of the Guru s of Sikhism The Hukamnama also refers to a hymn randomly selected from the Guru Granth Sahib on a daily basis This is seen as the order of God for that particular day for devotees to contemplate and reflect on The Hukamnama is distributed and then read aloud in Gurdwaras throughout the world The purpose of this book is to help readers and seekers who are not well versed or have no knowledge of Gurmukhi to get a Daily Dose of Divine Wisdom in English Reading and contemplating only on one Hukamnama a day in any order be it in sequence or randomly on a daily basis will bring about a major transformation in your life to your Body Mind and Soul Such is the Divine Grace of The Lord To make a start read a verse at least once a day for a period of 101 days and see for yourself the wonders that result from the remembrance of God and keeping Him on your mind Not only will your yearning and Love for God and divine wisdom increase the people around you

will also be positively affected by your aura and the positive vibrations that you send out Just like a piece of iron you that comes within the magnetic field of a Super Magnet God on a daily basis one day you too will be magnetized and finally merge with the Super Magnet God We always give time to whatever is our priority and I can conclude with conviction that God is our Greatest Priority Can t we offer at least a few minutes daily to The One Who has provided us with Twenty Four Hours a Day Why forget Him who has given us everything God Bless All     *A new hand-dictionary of the English language for the Germans and of the German language for Englishmen, etc.-Neues Hand-Wörterbuch der Englischen Sprache, etc* Johann EBERS,1802     Our Masquerade Ruth Hartman MACC,2022-06-02 Do you find yourself caught up in comparing yourself to others performing for acceptance or held captive to perfectionism You are not alone We all currently live in a world that seems to demand an acceptable identity especially exaggerated by social media It seems to drive us to compare how we look what we have and how we perform or fail to perform This leads us to question ourselves What if I fail to measure up What if I don t have what it takes What if I m not enough It seems logical to hide in safety behind clever masks or high emotional walls created to avoid the judgment of others or the feelings of inadequacy guilt fear or shame Yet that means you re trapped in hiding who you are often questioning your value and worth Our Masquerade invites you to confront your hiding places You can discover how why and where you ve learned to hide and once you ve done so you can say goodbye to tormenting thoughts and feelings that steal your confidence and your peace You can leave the past behind and find the pathway to escape into a life transformed This book will guide you to examine the ways in which life has induced you to hide and offers the inspiration to take off your masks escape your hiding places and learn to live with confidence     **The Pilgrim Hymnal** ,1904     *Islam, Modernity and a New Millennium* Ali Paya,2018-02-02 As the world becomes increasingly globalised Islam faces some important choices Does it seek to modernise in line with the cultures in which it is practised or does it retain its traditions even if they are at odds with the surrounding society This book utilizes a critical rationalist viewpoint to illuminate many of the hotly contended issues in modern Islam and to offer a fresh analysis A variety of issues within Islam are discussed in this book including Muslims and modernity Islam Christianity and Judaism approaches to the understanding of the Quran Muslim identity and civil society doctrinal certainty and violent radicalism In each case the author makes use of Karl Popper s theory of critical rationalism to uncover new aspects of these issues and to challenge post modern relativist literalist and justificationist readings of Islam This is a unique perspective on contemporary Islam and as such will be of significant interest to scholars of Religious Studies Islamic Studies and the Philosophy of Religion     *The Complete Russian Folktale: v. 4: Russian Wondertales 2 - Tales of Magic and the Supernatural* Jack V.
