Conspiracy or Faith ~ the Building of the God Kind of House Ollie Fobbs,2017-02-04 Conspiracy or faith is about the concepts that makes faith a reality to build the God kind of house is about building up our faith based on the reality of the house being built we all know that faith comes through hearing however what if that in which you hear is not of the faith Yes this happens every single day There are tons of things in front of us all around us and right next to us that have nothing to do with faith in God but we then allow these things to be a part of our lives when we should be tossing them out of our lives The true convictions of faith are quite simple but there are those that say that it is quite hard the truth is the truth and the truth will indeed set us free but then what really is truth The standards of our day is this the lie is accepted the truth is rejected You want to make someone angry Tell them the truth it will destroy your relationship with them However that means that they were not meant to grow with you

Daily Devotion Grace Dillon,2023-08-16 I am not a theologian a scholar pastor minister or any of the other titles used by those who would deem themselves able to write about God In fact I am as far removed from those vocations as one could get My working life has been in finance and information technology But as one who was pursued by God and who has been pursuing Him ever since I have experienced an overwhelming desire to know Him and His story I have gone to the only reliable source I know the Bible and have been reading it through each year for over forty years I have yet to discover its depths This book is one years worth of discoveries A lot of the time there are more questions than answers but our God is that big He is the creator of the universe after all
