Reaching Jesus David M. Knight, 2013-07-10 Immersed in Christ is a program for spiritual growth developed by Fr David Knight of the Diocese of Memphis It is a five step journey of spiritual formation to help people recognize what is going on between themselves and God and to get involved in it more knowingly *from parting the red sea to finding a parking spot* Samuel MARKLE, 2012-01-18 a book about attracting your personal miracles yet not a 12 step book **One Perfect Word** Debbie Macomber, 2013 Originally published Nashville Howard Books 2012 **Praying When Prayer Doesn't Work** Jack Corbin Getz, 2010-07-07 Almost everyone has an opinion about what prayer is and how it ought to work But for many prayer produces far less than the saints say it should While some surveys suggest that up to 90 percent of us believe in prayer enough to do it daily that lofty statistic is tempered by the sobering claim that average believers only pray for eight to twelve minutes a week If that is not a red warning flag that prayer has a serious public relations problem what is Praying When Prayer Doesn't Work is a thoughtful often witty account of the author's journey to find prayer's elusive promise for himself A pastor for thirty years Jack uses humor plenty of secondary resources scripture real life stories and his own unique insights to illustrate how both routine and exceptional circumstances may be used to trigger meaningful ongoing and productive prayer While challenging harmful assumptions dogma with unconventional observations Getz also looks at prayer's four public relations problems identifies the perfect environment for prayer and examines the three critical attitudes necessary to pray with great effect Also the wisdom and helpful suggestions found in the useful study guide can teach sincere seekers of

the truth how to get personal with God and make praying a choice not a chore *What Southern Women Know about Faith* Ronda Rich,2010-03-28 C 1 ST AID BARNES NOBLE 02 01 2011 19 99 **Work Hard, Pray Hard** Lt. Schlafer,1998-01-25 Schlafer looks at the preacher s task at the high times of the church and the secular year those occasions on which expectations run high and emotions can be intense He explores the temptations and pitfalls of preaching at weddings and funerals baptisms and ordinations civic holidays like Memorial Day and Thanksgiving and the high holy days of Christmas and Easter He also discusses preaching at times of tension and conflict in the church the responsibilities of a guest preacher and how to handle preaching missions and retreats Included in each chapter are helpful summaries of what to include and avoid in sermon preparation as well as excerpts of sermons illustrating the principles he outlines *Prayers of Faith* Faith Annette Sand,1996 A powerful prayer life is available to everyone claims author mother of ten eight adopted children At age 24 1 suddenly found myself deep in the jungles of Brazil the mother of eight children whose ages ranged from not quite two up to nine But the really hard part was being married to an abusive unfaithful missionary husband explains Ms Sand when describing what made her turn to prayer None of my academic training or experience in the church prepared me to face the rigors of jungle living under these adverse circumstances We had no electricity for eleven of the 15 years I lived in Brazil raising my family The missionary community was either in denial about what was happening or implied that I deserved the abuse Discovering that God was willing to answer prayers began Ms Sand on a wonderful odyssey of learning to trust God for the smallest details of her life in bringing up her family In her book *Prayers of Faith On Learning to Trust God* she points out the basic principles of prayer that anyone can use to develop a bold relationship with the Creator of the Universe **The Will of God** James C. Howell,2009-01-16 How are we to know the will of God In this honest discussion veteran pastor and theologian James C Howell considers a number of issues relating to God s will how it is known how it is done and how we respond when bad things happen and we feel God is absent or has turned away from us In this sensitive presentation Howell explores these questions and provides ways of recognizing the true things to which we can hold in the midst of hard times Howell proceeds simply and practically to consider personal understandings of God God s will for our lives and ways in which God s will is lived He reflects on what to do and believe when bad things happen why they happen and the quest for God in the midst of it all recognizing that God s will is for good **I Could Use a Miracle Right Now** John Webb Kline,2004 The

movie *The Passion of The Christ* dramatically conveyed the price that Jesus paid on the cross to redeem the sins of the world. John Webb Kline's new book *I Could Use a Miracle Right Now* profoundly brings the message of the cross and what it means to us in the 21st century into perspective in a way that few books can. It is a story about one man's life-long encounter with the Living Christ, a story that one might call *The Passion of the Christian*. It is a must-read for any true seeker of truth or follower of Christ. Author John Webb Kline describes his inspiring new book as a *Workingman's Theology*, a theology that helps us to find God in the midst of our everyday struggles and which helps us to make sense out of the seemingly senseless trials and tribulations we all face. Based on stories from his own often tumultuous yet miracle-filled life, Webb brings us to the amazing discovery that not only is God's intervention for our lives real, but it is also there for each and everyone of us, hidden only by our rational worldviews and unbelief. This is a book about hanging on to faith when it would seem perfectly reasonable not to. A book for the faithless and faithful alike, it is a book for those who are feeling so hurt, so angry, or so left out of God's will that they have nothing left but the desire to curse God and die. In today's world, it very well could be your own handbook for survival. Heart to Hand Ministries director Woody Wolfe has this to say about *I Could Use a Miracle Right Now*: Webb is able to take us on that journey to see the true miracles that are the reality of our everyday lives, even when the world had blurred our vision. Webb's uncanny ability to put into words that which is at the heart of the true Gospel message has been such a blessing to me. I wish this book would have been around during those first days of my full-time ministry when I was still looking to the world for affirmation. To truly understand that God is already knocked out about us gives us the freedom to be just who we are, and Webb has brought that vision of the uncompromising love of God to these pages. On My Knees Chris Band, 2016-10-21 Life has a tendency to knock our confidence in prayer. In the face of persistent difficulties, our prayer-fuelled hopes can be overwhelmed by such despair that we end up on our knees, not so much in prayer as in defeat. In this honest and engaging book, Chris Band discusses the issues that we may have about prayer but were perhaps afraid to ask: Is prayer wasted effort? Is God less involved in the world than we might wish? Is his will going to be done anyway, whether or not we pray? We discover that our prayers, far from being squandered by God, are powerfully and consistently used by him both to build his relationship with us and to build his Kingdom through us. *On My Knees* examines our understanding of who God is and how he works in the world, taking us beyond proof texts and wishful thinking to the heart of what the Bible actually teaches about prayer. This encouraging and practical book will inspire and lead each of us afresh to be on our knees in prayer.

Christianity is in crisis in our North American context especially among the cultural elite and people with progressive views The reasons for the faith's loss of credibility have to do in large part with the dominant philosophical materialism of our culture and with the understanding of the faith almost universally held by Americans both inside the churches and outside them In this book Thomas C Sorenson calls this understanding Biblicism by which he means the belief that the Bible is to be understood only literally and that in one way or another its authority comes from its claimed origin with God Many enlightened people also reject Christianity because the only Christianity they know is the judgmental socially conservative faith that the most vocal and visible advocates of the faith among us so loudly espouse This book offers a different understanding of the faith It begins with a discussion of the universal human experience of the spiritual dimension of reality It then discusses symbol and myth as the necessary language for communicating that experience The book shows that all human experience is necessarily subjective and that religious truth is thus also necessarily subjective Therefore religious truth is relative not universal and absolute The work argues that the Bible is a human work expressing its authors experience of the divine The book then discusses other obstacles to faith and offers a different understanding of the issues they raise The book replaces the classical theory of atonement with a theology of the cross based mainly on the work of Douglas John Hall It redefines salvation as having to do with this life not with the afterlife It closes with a section that replaces the dominant social conservatism of popular Christianity with Jesus's teachings of nonviolence economic justice and radical inclusivity

Shielded by God'S Power Ivy Christian,2017-06-13 Domestic violence is defined by the National Coalition Against Domestic Violence as the willful intimidation physical assault battery sexual assault or other abusive behavior that is used to overpower and control another person Domestic violence takes on many forms both visible and hidden And according to studies it affects one person every twenty seconds Domestic violence is not a new problem in America but is one that has sadly existed for decades And while the majority of victims are female domestic violence knows no income bracket demographic age race or religion domestic violence occurs in every facet of society Despite the many groups working to help victims of domestic abuse the problems persist Domestic violence is more commonly seen in situations where someone the abuser believes that behaviors such as physical verbal emotional religious sexual or economical abuse is acceptable and justifiable Adding to the perceived justification of abuse is the victims inability to see the denigrating acts as abuse Then when they do identify the problem they feel trapped by their circumstances be it due to fear lack of funds poor physical condition or various psychological issues and are unable to leave the situation More disturbing than the obvious problems of

domestic abuse is that there have been connections made between domestic violence specifically sexual abuse in children and satanic influences. This type of abuse is referred to as satanic ritual abuse (SRA). The abuses suffered due to satanic influences are often more severe forms of physical and sexual abuse especially in the form of child pornography, prostitution, and being used for snuff films. These abuse victims are often so brainwashed that they don't dare speak out. And while there are those who would like to ignore the connections between abuse and satanic forces, the fact remains that abuse is not something promoted in scripture. The believer is told to care for the helpless and to lift up the fallen, not knock them down and beat them up. In homes where children are abused, they often grow up to become adults who struggle with relationships, authority figures, and problem solving. Worse, abused children often become adult abusers, thus perpetuating the problem. Studies have also found that children who see their mother abused are more likely to develop PTSD (post-traumatic stress disorder). Also interesting is that there is now a correlation between childhood domestic violence and adult health conditions like arthritis, ischemic heart disease, IHD, chronic obstructive pulmonary disease (COPD), liver disease, irritable bowel syndrome, chronic pain, pelvic pain, ulcers, and migraines. Psychological challenges include depression, severe anxiety, panic attacks, and a feeling of worthlessness. As you read Ivys story, you will discover that she could easily be the poster child for domestic violence. She spent fifteen years living in a situation where mental, physical, emotional, and sexual abuse were part of her daily life. She then entered a marriage that ultimately, albeit differently, was more of the same. But Ivys story does not end as it began. She heard about a Savior who loved her unconditionally. And while initially Ivy did not understand her Saviors love, in time she learned the meaning of real love and acceptance. As you read her story, you will see how she looked and worked to eventually overcome the challenges brought on by domestic abuse. If you have been abused or know someone who is or has been in an abusive situation, then Ivys story can help. It will provide hope and help as you see that while domestic abuse is horrific, there is one who can overcome the hold abuse has on a persons life. Don't let abuse keep you or a loved one from enjoying life. Take the step now to begin the first day of the rest of your life. **Help! How Do I Pray?** Mikal
