The Kings of France, Their Wives and Mistresses ,1907      **Women in the Piast Dynasty** Grzegorz Pac,2022-03-07 This book analyses the role of women in the Polish Piast dynasty from c 965 to c 1144 It discusses gender expectations and the literary topoi employed to describe rulers wives and daughters as well as showing their importance in religious donations the creation of dynastic memory and naming patterns as well as examining Piast women s involvement in female monasticism Pac takes a comparative approach to these themes analysing Polish sources alongside sources from other areas of early and high medieval Europe      *History of New Paltz, New York, and Its Old Families (from 1678 to 1820)* Ralph Le Fevre,1909

**Senate documents** ,1890      **A History of the Crusades: The fourteenth and fifteenth centuries, edited by Harry W. Hazard** Kenneth Meyer Setton,1914      **The Fourteenth and Fifteenth Centuries** Kenneth Meyer Setton,Harry W. Hazard,1975 The six volumes of A History of the Crusades will stand as the definitive history of the Crusades spanning five centuries encompassing Jewish Moslem and Christian perspectives and containing a wealth of information and analysis of the history politics economics and culture of the medieval world      *Cabanocey* Lillian C. Bourgeois,1999-04-30 Louisiana has sixty four parishes and many of them are as individual and different as the state itself is different from others in the Union St James Parish a small parish of 249 square miles is not only one of the oldest settlements in the state but it is different in its population make up and is important historically Cabanocey is a splendid history of the Parish of St James Lillian C Bourgeois captured the spirit that animates the population which is descended from French Spanish Acadian German and Creole peoples Bourgeois writes of the population s customs beliefs language differences and folklore Cabanocey is not a collection of dry facts and dates rather it vividly describes how more than one hundred years ago the people of St James Parish lived who they were and what they contributed to their parish and their state Before the Civil War St James Parish was the educational center of Louisiana and Jefferson College was the first important college in the state Founded in 1830 it had fine buildings a well equipped laboratory and an impressive library The Convent of the Sacred Heart 1835 for girls was well known by prominent families in Louisiana Mexico and Central America who sent their daughters there Cabanocey contains St James genealogies and thousands of names of early settlers including the soldiers taxpayers officials prominent families and the first settlers and their children From the early censuses and church and court records descent is traced for many names The censuses of 1766 1769 and 1777 are complete and were obtained from the archives in Seville Spain      **American Poland-China Record** American Poland-China Record Association,1908      **The Pecorone of ser Giovanni, tr. by W.G. Waters** Giovanni Fiorentino,1897      **The History of Normandy and of England** Sir Francis Palgrave,1919      *Migratory Settings* ,2015-06-29 Migratory Settings proposes a shift in perspective from migration as movement from place to place to migration as installing movement within place Migration not only takes place between places but also has its effects on place in place In brief we suggest a view on migration in which place is neither reified nor transcended but thickened as it becomes

the setting of the variegated memories imaginations dreams fantasies nightmares anticipations and idealizations of both migrants and native inhabitants that experiences of migration bring into contact with each other Migration makes place overdetermined turning it into the mise en scene of different histories Hence movement does not lead to placelessness but to the intensification and overdetermination of place its heterotopicality At the same time place does not unequivocally authenticate or validate knowledge but shot through with the transnational and the transcultural exceeds it ceaselessly Our contributions take us to the migratory settings of a fictional exhibition a staged political wedding a walking tour in a museum African appropriations of Shakespeare and Sophocles Gollwitz Germany Calais France the body after a heart transplant refugees family portraiture a garden in Vermont the womb With contributions by Mieke Bal Maaïke Bleeker Paulina Aroch Astrid van Weyenberg Sarah de Mul Annette Seidel Arpacı Sudeep Dasgupta Wim Staat Maria Boletsı Griselda Pollock Alex Rotas and Murat Aydemir *The Book of Dignities* Joseph Haydn, Horace Ockerby, 1894 Brut Y Tywysogion, Or, the Chronicle of the Princes Brut, 1860 **Rerum Britannicarum Medii Aevi Scriptores** Caradog of Llanvarvan, 1860
