The Trail to Crazy Man Louis L'Amour, 1986-08-01 A WORD FROM LOUIS L'AMOUR Almost forty years ago when my fiction was being published exclusively in pulp western magazines I wrote several novel length stories which my editors called magazine novels In creating them I became so involved with my characters that their lives were still as much a part of me as I was of them long after the issues in which they appeared became collector's items Pleased as I was about how I brought the characters and their adventures to life in the pages of the magazines I still wanted the reader to know more about my people and why they did what they did So over the years I revised and expanded these magazine works into fuller

length novels that I published in paperback under other titles These particular early magazine versions of my books have long been a source of great speculation and curiosity among many of my readers so much so of late that I m now pleased to collect three of them in book form for the first time I hope you enjoy them *Trailing Louis L'Amour from California to Alaska* Bertram H.
