Louisiana Plays:

Louisiana Plays Hiram Ed Taylor, 2000-02 LOUISIANA PLAYS by Hiram Ed Taylor is a collection of 4 plays developed in workshops or staged readings at the New Orleans Theatre Experiments Lab a group dedicated to creating new works about Louisiana The first play PROPHECY a comedy about the future of mankind was given two staged readings before an audience at the Contemporary Arts Center The second play SAVAGE PRIDE a ghost play about survival was also given a reading at the CAC The third a musical about sex BOURBON STREET had 5 songs performed at the DramaRama Festival at the CAC and then a staged presentation at LePetit Theatre du Vieux Carre The last musical about life after death HEAVENS BAR was presented at the Firehouse Theatre in Mobile Alabama Taken as a group they represent a body of work by Mr Taylor over the past 8 years All four scripts are comedy although they border on serious themes and are dramatic and tragic in places Louisiana serves as a place where life and human folly are examined in comic detail There is an abundance of terrific roles for women in each play especially for older actresses over 40 They seem to represent the MotherGoddess who controls the flow of the script through the mess the men characters make of their lives Wife mother fortune teller heavenly bartender god or whore they are the power in each script The scripts may not seen commercial because of their content and language Musicals about sex with S M numbers and Homosexuality presented as normal every day events are hard to get produced in current regional theaters concerned with their grants being cut because of the current government standards Although Southern Baptist audiences in Mobile Alabama loved HEAVENS BAR script readers in other parts of the country have decided it is too much about religion for their theaters to take a chance on possibly offending someones beliefs So we have chosen to publish the plays as written without care who they may outrage They are bold and they are daring and isnt that what good theater is suppose to be about They are also highly theatrical and deserve to be on a stage performed live for an audience But until that time here they are in print *Louisiana's Zydeco* Sherry T. Broussard, 2013 The bayou sings and the trees sway with the untold stories of many unsung heroes including Louisiana s amazing Zydeco musicians The music is an extraordinary blend of the accordion the bass and electric guitars the drums the rub or scrub board and other instruments It tells stories about finding and losing love life lessons and other revelatory events that rise from the skillful hands of musicians playing the diatonic and piano accordions The diverse population of Louisiana creates a rich culture with Zydeco festivals Creole foods and the unique music that fills the air with a foot stomping beat like no other Louisiana s Zydeco is a snapshot of some of the many musicians who live and play the homegrown music known as Zydeco **A Louisiana Gentleman and Other New Orleans Comedies** Rosary Hartel O'Neill, 2008-03-31 Both anthologies are about New Orleans the past and the present This author has grown up in this city and there is certain timelessness about it the past definitely influences the present All the plays are permeated with the sensuousness decadence and bewilderment of brave and driven people living in chaos confusion extreme pleasure and delight I hope you get a taste of this rich jambalaya of life as you

experience these plays Volume One contains modern plays set in pre Katrina New Orleans the City that Care Forgot After I founded Southern Repertory Theatre in New Orleans we initiated a new play festival to develop new voices and a friend challenged me to write My play Wishing Aces won me a Senior Fulbright Research Specialist grant to Paris From then on I stopped writing textbooks and wrote plays primarily about New Orleans When shaping a play I take a question that disturbs me that I can t figure out such as why can t this professor and this student communicate in a profound way Why can t this mother set boundaries for her out of control son What would it take for that to happen I then look at voice and structure using the names of people from my life I may change these later to get the right phrasing and tone I put these ghosts in my play pick the most haunting place in New Orleans and use cards to come up with an outline of scenes Place inspires that sense of mystery that is so important to the theatre an abandoned train station in the Louisiana swamps a Baroness Pontalba apartment in the Quarter a Garden District mansion Place weather time sounds inspire designers who are critical to creating the images the story requires I try to fill my plays with details from New Orleans the heat the rain the light through the oaks the phantom gallery of a plantation house at dusk so that you too can experience what it s like to live here **Louisiana's Song** Kerry Madden-Lunsford,2007-05-17 Livy Two is happy that Daddy is finally out of his coma but the befuddled man who comes home is not the daddy the Weems family once knew He forgets their names he wanders off he won t even touch his beloved banjo Set in Appalachia in 1963 this heartwarming and heart wrenching follow up to Gentle s Holler is narrated by the irrepressible Livy Two and traces the ups and downs of her large mountain family Shy and awkward 11 year old Louise Louisiana becomes the reluctant hero as she develops a talent for painting takes care of Daddy and shows a surprised Livy Two that sometimes the quietest sibling turns out to be the strongest Auburn Tigers 2004 Sports Publishing Inc,2005 Full color coverage of the 2004 Auburn University football season game by game including the Sugar Bowl coach and player profiles and season stats **American Creoles** Martin Munro,Celia Britton,2012-01-01 In American Creoles leading authorities examine the cultural social and historical affinities between the Francophone Caribbean and the American South The essays focus on issues of history language politics and culture in various forms and consider figures as diverse as Barack Obama Frantz Fanon Miles Davis James Brown Edouard Glissant William Faulkner and Lafcadio Hearn Exploring the ideas of Creole culture and creolization terms rooted in the history of contact between European and African people and cultures in the Americas the essays provide productive ways to conceive of the larger Caribbean as a single cultural and historical entity
