Talk of the Town Fredrick Marcel Spletstoser,2005 As the sleepy courthouse town of Alexandria Louisiana began to recover from the devastation and trauma of the Civil War and Reconstruction the Daily Town Talk appeared Nicknamed Alexandria s postage stamp paper by a rival publication the Town Talk aimed to be the best daily outside of New Orleans and became one of the most successful regional newspapers of its kind Fredrick M Spletstoser tells the story of the paper s first sixty years and of the town s triumphs and setbacks during that same time An unpretentious country journal the Town Talk would become in the second half of the twentieth century a pioneer in newspaper technology under the leadership of Joe D Smith one of the most respected names in American journalism The Town Talk was inextricably bound up with and often directly behind transformations in Alexandria s urban landscape the development of municipal services and education efforts to attract industry and cultivate trade and the stimulation of surrounding agribusiness occurred across the turn of the century the large and enduring military presence in central Louisiana and the impact of Huey P Long s political career Along the way he narrates colorful stories culled from the Town Talk s pages and describes the fascinating family members who published the paper during this entire period Talk of the Town illustrates the role provincial journalism played in the planning and expansion of towns throughout the country as it relates the engrossing history of one southern place and the people who lived there *Publications of the Louisiana Historical Society, New Orleans, Louisiana* Louisiana Historical Society,1899

Louisiana Suzanne LeVert,2006 Surveys the geography history people and customs of the state of Louisiana The Louisiana Houses of A. Hays Town Cyril E. Vetter,1999-03-01 A Hays Town changed the face of the Louisiana house In a career that includes designing more than five hundred homes he led architects builders and homeowners to embrace the finest elements of Louisiana s architectural past Almost every home built in Louisiana during the last twenty years is in some way inspired by Town s work The Louisiana Houses of A Hays Town honors his legacy as

Louisiana's premier residential architect Color photographs of numerous homes including Town's own by Philip Gould combined with an illuminating text by Cyril E Vetter produce a volume that captures the appeal and beauty of the state's finest architectural tradition Born and raised in rural southwest Louisiana Hays Town graduated from Tulane University with a degree in architecture in 1926 and worked for a firm in Jackson Mississippi for many years He established his own successful commercial practice in Baton Rouge in 1939 but in the 1960s Town turned to his abiding passion residential architecture Throughout this chapter of his career he perfected his inimitable style and emerged as one of the most prominent architects in the South Town's residential designs are perceptibly influenced by the diverse culture of south Louisiana His synthesis of the classic Acadian cottage Spanish courtyards and exterior French doors with Creole influenced full length shutters achieves an original confluence of seemingly disparate yet elegantly balanced themes and forms Other Town trademarks include pigeonniers tree alleys thirteen foot ceilings heavy use of such woods as cypress and heart of pine plantation style separate structures and brick floors with a special beeswax finish The Louisiana Houses of A Hays Town illuminates the momentous effect Town has had on the look of Louisiana Crafted from the perspective of two people Vetter and Gould who are not architects but admirers of one man's exceptional talent this delightful book demonstrates that each Town house is a work of art that fits both person and terrain At the door of each home proud owners hang a bronze plaque that says it all A Hays Town Architect Louisiana Coastal Protection and Restoration (LACPR) Report United States. their enslaved ancestors But as oil created a lucrative new source of wages racial violence became a way of ensuring the oil rigs and the jobs they generated would remain all white Louisiana Coastal Protection and Restoration (LACPR) Report, Part 4 of 4, July 1, 2010, 111-2 House Document 111-129 ,2010 **Biographical and Historical Memoirs of Louisiana**,1892 *Louisiana Almanac* ,2006
