*Love 101* Peter McWilliams,1997 If you were arrested for loving yourself would there be enough evidence to convict you If not this book is a must It explores improving the most important relationship in your life your relationship with yourself

*LOVE 101* , Presents the full text of the book *LOVE 101 To Love Oneself is the Beginning of a Lifelong Romance* by Peter McWilliams Includes an image of the book and an introduction from the author Links to a list of all McWilliams books currently in print as well as information on ordering them from Prelude Press Inc      **The Last Self-Help Book You'll Ever Need** Paul Pearsall,2009-03-17 You can t love someone until you learn to love yourself Being healthy means being in touch with your feelings Never lose hope These are self evident truths right Wrong charges best selling psychologist Paul Pearsall in this provocative new book Though everyone from talk show hosts to politicians mouths these platitudes and self help bibles are a dime a dozen their advice simply hasn t t helped us live happier or more satisfying lives Pearsall cites scientific evidence to challenge what he calls the McMorals of self potentialism the unsubstantiated prescriptions programs guarantees and gurus that define our pursuit of The Good Life His message is timely we re fed up with truisms masquerading as truth and hungry for self help that really helps Filled with groundbreaking research and inspiring true stories from Dr Pearsall s clinical practice *The Last Self Help Book You ll Ever Need* offers a powerful antidote to the mindless mental languishing that characterizes so much of modern life The solution is not just to get tough and suck it up Instead Pearsall offers powerful if counterintuitive strategies By abandoning the mandate to stay hopeful for example we can begin to savor today rather than focus desperately on tomorrow By allowing ourselves the natural process of grieving instead of relentlessly treating grief as a disease we can recover from tragedy With Pearsall s lively and informative roadmap to psychological health we can say goodbye to our inner child and hello to a better life      *Celebrating the Single Life* David Yount,2009-02-24 American society is no longer defined by marriage Today an increasing majority of American households are headed by single men and women Even those Americans who do marry spend at least half of their adult lives alone Living on one s own presents unique challenges depending on one s age health and circumstances So the script for successful single living calls for different strategies for young adults the recently divorced single parents and those widowed or experiencing single life in later adulthood Here Dr Yount considers each group s special needs and challenges and offers a guide for leading a productive rewarding and fulfilling single life Single living he contends requires some core abilities overcoming loneliness reaching out to others developing faith in oneself and self respect keeping up with daily activities and maintaining good health security and a sense of humor This book helps readers learn to celebrate their single status and to find contentment and peace while living on their own These days if you are unmarried and pining for romance you are in a small minority Until

recently most Americans considered single life to be a temporary situation during which one would simply wait for a soul mate to come along Those who remained unwed were pitied as bachelors and spinsters No longer These days most single men and women find autonomy in negotiating their way through life by relying on their own resources with marriage remaining one option but not an imperative Even those who do marry are getting married later and those who divorce or are widowed often choose to stay single With this trend toward singlehood increasing affirming the single life and making a success of it becomes all the more important Yount offers advice for creating a gratifying and happy single life at any stage and provides insight into those things that can contribute to a satisfying single lifestyle He pinpoints areas that often get ignored by singles and proposes solutions to some of the pitfalls that can lead to loneliness or unhappiness Leading a fulfilling single life is not only possible it can in fact be rewarding in itself and Yount shows readers how to lead productive and creative lives as modern singles

*Life on the Vine* Philip D. Kenneson,1999-10-01 Philip Kenneson digs into the fruit of the Spirit listed in Galatians 5 22 23 combining rich theologically grounded reflection on Christian life and practice with analysis of contemporary culture He explores what each fruit means in its biblical context then investigates how key traits of late modern Western culture inhibit the development and ripening of each fruit
