Love Again:

, The Boundless Blue Mometa Sinha ,2025-05-29 This is a amazing book the title evokes a sense of freedom vastness depth and symbolising limitless possibilities and endless horizons *Love's Knowledge* Martha C. Nussbaum,1990 This volume brings together Nussbaum s published papers on the relationship between literature and philosophy especially moral philosophy The papers many of them previously inaccessible to non specialist readers deal with such fundamental issues as the relationship between style and content in the exploration of ethical issues the nature of ethical attention and ethical knowledge and their relationship to written forms and styles and the role of the emotions in deliberation and self knowledge Nussbaum investigates and defends a conception of ethical understanding which involves emotional as well as intellectual activity and which gives a certain type of priority to the perception of particular people and situations rather than to abstract rules She argues that this ethical conception cannot be completely and appropriately stated without turning to forms of writing usually considered literary rather than philosophical It is consequently necessary to broaden our conception of moral philosophy in order to include these forms Featuring two new essays and revised versions of several previously published essays this collection attempts to articulate the relationship within such a broader ethical inquiry between literary and more abstractly theoretical elements **Catalog of Copyright Entries** Library of Congress. Copyright Office,1952 **Ebony** ,2005-08 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Wilson's Historical, Traditionary, and Imaginative Tales of the Borders, and of Scotland** John Mackay Wilson,1848 3VOLVE Hollace M. Metzger,2012-09-12 3VOLVE is a photo poetic prospectus suggesting Man s responsibility to shape social evolution away from the habits of the Information Age to better communicate to touch and be touched Introduced by a visit to the French Embassy of New York after years lived in Paris fast forwarded to relocation in Reims France setting the backdrop for Metzger s first exposure as a contemporary poet in love through a whirlwind of contemplation to sudden life change paused by a spirit altering road trip across Ireland twice and ending with a graceful bow of gratitude in Paris 3VOLVE displays Metzger s ability to dig profoundly into social political and existentialist philosophies to question and adjust readers perspective by providing alternative viewpoints Sensitively reading human emotion while highly conscious of her environment Metzger prolongs moments inhales existence then writes in deep steady exhales which are meditative sensual and intim The Ascent of Humanity Charles Eisenstein,2013-02-05 The author of *The More Beautiful World Our Hearts Know Is Possible* explores the history and potential future of civilization tracing the converging crises of our age to the illusion of the separate self Our disconnection from one another and the natural world has mislaid the foundations of science religion money technology economics medicine and education as we know them It has fired our near pathological pursuit of technological Utopias even as we push ourselves and our planet to the brink of collapse Fortunately an Age of Reunion is

emerging out of the birth pangs of an earth in crisis Our journey of separation hasn't been a terrible mistake but an evolutionary process and an adventure in self discovery Even in our darkest hour Eisenstein sees the possibility of a more beautiful world not through the extension of millennia old methods of management and control but by fundamentally reimagining ourselves and our systems We must shift away from our Babelian efforts to build ever higher towers to heaven and instead turn out attention to creating a new kind of civilization one designed for beauty rather than height

Shared Island Two Feathers,2013-09 It had been almost a year since Todd and I decided to go our separate ways It was a mutual decision to break up We had simply grown apart We still loved each other very much but we just couldn t seem to get past the differences that grew between us the last year that we were together It wasn t an easy decision for either one of us We did however remain friends through the break up We still talked to each other all the time and in the first few months after the breakup I found it hard to talk to him and not ask if he wanted to try and work things out only because I didn t want to be alone I was learning firsthand what the word lonely really meant There were a couple of other boyfriends before Todd but I knew that they weren t going to last They had simply been someone to hang out with and have fun with someone to go out to dinner with or a movie I had no intentions of getting too serious with them like I had with Todd I had always thought that Todd was the one for me my true and everlasting soul mate He made me feel special and he didn t obsess over me or what I did I felt that I could be myself a free spirit with him He was soft and loving toward me he was protective but not overbearing He made me feel safe I knew that I didn t have to worry about anyone hurting me Todd would stand back and let things happen till he sees that I needed his help Then he would step in and take over No one messed with me while I was with Todd
