Love And Longing In The Near North:

Love and Longing in the Near North John Peter Kooistra, 2000 *The Collected Works of William Morris: Three northern love stories. The tale of Beowulf* William Morris, 1911 *The Harp* Ethelreda Lewis, 1924 **Love and Women in Early Chinese Fiction** Daniel Hsieh, 2009-03-02 In traditional China upper class literati were inevitably strongly influenced by Confucian doctrine and rarely touched upon such topics as love and women in their writings It was not until the mid Tang a generation or two after the An Lushan rebellion that literary circles began to engage in overt discussion of the issues of love and women through the use of the newly emerging genres of zhiguai and chuanqi fiction The debate was carried out with an unprecedented enthusiasm since the topics were considered to be the key to understanding the crisis in Chinese civilization This book examines the repertoire of chuanqi and zhiguai written during the Six Dynasties and Tang periods and analyzes the key themes topics and approaches found in these tales which range from expressions of male fantasy sympathy fear and anxiety to philosophical debate on the place of the feminine in patriarchal Chinese society Many of these stories reflect tensions between masculine and feminine aspects of civilization as seen for example in the conflict of male aspiration and female desire as well as the ultimate longing for reconciliation of these divisions These stories form a crucial chapter in the history of love in China and would provide much of the foundation for further explorations during the late imperial period as seen in seminal works such as *The Peony Pavilion* and *Dream of the Red Chamber* *The Literary Garland, and British North American Magazine* , 1850 **A Dictionary of Archaic and Provincial Words, Obsolete Phrases, Proverbs, and Ancient Customs, from the Fourteenth Century** James Orchard Halliwell-Phillipps, 1850 *Middle Aged Love Stories* Josephine Daskam Bacon, 1903 **Love Beyond Death** Elleke van Kraalingen, 2010-11-16 An autobiographical story about the love between a young Dutch woman and her Norwegian friend who is knocked down by a car and dies in front of her eyes In the middle of the chaos and terror she perceives how his soul withdraws from his body and watches the scene He stays with her that first difficult night An unusual dialogue develops in which he convinces her that there is a reality which goes beyond life and death and that their relationship continues in this reality In her sorrow love longing and curiosity about what is real she is willing to explore this contact with him This leads to an extraordinary voyage of discovery in the following months While she goes through her process of mourning he takes her into his world She moves out of her body several times going through experiences of other states of consciousness and travelling through spheres beyond the earthly dimension of time and space **A Dictionary of the English Language** Joseph Emerson Worcester, 1859 **"A" Dictionary of Archaic and Provincial Words** James Orchard Halliwell-Phillipps, 1847 **A Middle English Bibliography** John Manning Booker, 1912 *Supper with Love* Michelle Braxton, 2024-01-16 Beloved Southern Instagrammer and food blogger Michelle Braxton's long awaited debut cookbook is filled with delectable comfort food recipes that are plant forward and pescatarian easy to prepare and flexible made with wholesome and seasonal ingredients all shared in her signature warm and welcoming

He found he was too attached to his identity as a monk to remove his robes right away or to sleep on the Varanasi station floor and instead paid for a bed in a cheap hostel But when he ran out of money he began his life as an itinerant beggar in earnest Soon he became deathly ill from food poisoning and his journey took a startling turn His meditation practice had prepared him to face death and now he had the opportunity to test the strength of his training In this powerful and unusually candid account of the inner life of a Buddhist master Yongey Mingyur Rinpoche offers us the invaluable lessons he learned from his near death experience By sharing with readers the meditation practices that sustain him he shows us how we can transform our fear of dying into joyful living Praise for In Love with the World Vivid compelling This book is a rarity in spiritual literature Reading the intimate story of this wise and devoted Buddhist monk directly infuses our own transformational journey with fresh meaning luminosity and life Tara Brach author of Radical Acceptance and True Refuge In Love with the World is a magnificent story moving and inspiring profound and utterly human It will certainly be a dharma classic Jack Kornfield author of A Path with Heart This book makes me think enlightenment is possible Russell Brand J-Z

James Orchard Halliwell-Phillipps,1855 The Middle English Mystics Wolfgang Riehle,2019-06-26 Originally published as an English translation in 1981 The Middle English Mystics is a crucial contribution to the study of the literature of English mysticism This book surveys and analyses the language of metaphor in the writings of such mystics as Richard Rolle Walter Hilton Julian of Norwich and in such anonymous works as The Cloud of Unknowing and the Ancrene Wisse The main emphasis of this comparative and stylistic study is not theological but rather the means by which theological concepts are communicated through language The book sets the English mystics in perspective by establishing their place in the European mystical movement of the Middle Ages It shows how intricate the relationship between English and continental mysticism really is The book suggests that there is clear links between English and German female mysticism yet the mysticism is in the main due not so much to specific influences as to the common background of Christian theology and mysticism A
