The Mourner's Song James Tatum, 2018-10-30 No matter when or where they are fought all wars have one thing in common a relentless progression to monuments and memorials for the dead Likewise all art made from war begins and ends in mourning and remembrance In The Mourner's Song James Tatum offers incisive discussions of physical and literary memorials constructed in the wake of war from the Vietnam Veterans Memorial to the writings of Stephen Crane Edmund Wilson Tim O'Brien and Robert Lowell Tatum's touchstone throughout is the Iliad not just one of the earliest war poems but also one of the most powerful examples of the way poetry can be a tribute to and consolation for what is lost in war Reading the Iliad alongside later works inspired by war Tatum reveals how the forms and processes of art convert mourning to

memorial He examines the role of remembrance and the distance from war it requires the significance of landscape in memorialization the artifacts of war that fire the imagination the intimate relationship between war and love and its effects on the ferocity with which soldiers wage battle and finally the idea of memorialization itself Because all survivors suffer the losses of war Tatum's is a story of both victims and victors commanders and soldiers women and men Photographs of war memorials in Vietnam France and the United States beautifully augment his testimonials Eloquent and deeply moving The Mourner's Song will speak to anyone interested in the literature of war and the relevance of the classics to our most pressing contemporary needs

War, Massacre, and Recovery in Central Italy, 1943-1948 Victoria Belco, 2010-01-01 The Second World War wreaked unprecedented devastation throughout Europe necessitating monumental reconstruction efforts that burdened not only governments but the lives of ordinary citizens War Massacre and Recovery in Central Italy 1943-1948 examines this transitional period in the province of Arezzo by detailing the daily experiences of civilians through the traumas of war and the difficulties of recovery Studying the aftermath of war in a new and insightful way Victoria C Belco shifts the perspective from the national to the local level With this localized focus she provides valuable insight into the ways in which civilians coped with an overwhelming range of problems from adjusting to Allied occupation and widespread displacement to rampant unemployment and the restructuring of local administrations and institutions after fascism Recreating the post war atmosphere of disorder need and political upheaval Belco shows how the competing community interests caused social fragmentations that impeded change while the unity of a shared past prevented civil war

The Public Schools Battalion in the Great War Steve Hurst,2007-07-01 The experience of combat was never more horrific than on the Western Front come to life in this notable addition to the literature of war Washington Examiner Founded in August 1914 with the principle that recruiting would be restricted to public school old boys the volunteers gathered at Hurst Park racecourse in a spirit of youthful enthusiasm A more somber mood soon set in Despite many of the original volunteers leaving to take commissions in other regiments the battalion now officially the 7th Middlesex remained an elite until its disbandment in 1917 The climax of the Battalions war came on 1 July 1916 Close to the Hawthorn Redoubt Crater are two cemeteries sited on either side of the Auchonvilliers Beaumont Hamel road They contain row upon row of stones marking the graves of members of the Public Schools Battalion The author shocked by this discovery has spent ten years researching the history of the Battalion and the events of that fateful day as they affected it The result is a fascinating and moving record of a very uniquely British battalion It is eminently readable and the personal reminiscences of those who were there add a great deal to its appeal My main interest and fascination with the Great War is to do with the experiences of those who fought and this book gives a great insight into that Steve Hurst wanted to tell the story of the men

who were there he has done it very well World War One Battlefields
