Summa Theologiae, Prima Pars: Volume 2, On the Holy Trinity and Creation in General, QQ 27-74 Thomas Aquinas, Thomas de Vio Cajetan, 2023-06-23 When Leo XII promulgated Aeterni Patris in 1879 he stipulated that the Leonine or official edition of the Summa should always be printed in conjunction with Cajetan's Commentary For five hundred years they were studied together Generations were trained by reading through the Summa article by article with Cajetan's commentaries in hand Early printed editions of the Summa typically included them in a Talmudic arrangement as marginal text running around each article by Aquinas This edition imitates that example Recently serious thinkers of all denominations and none have found new reasons to be interested in St Thomas His text is deceptively simple yet important issues are handled in every article sometimes below the surface Cajetan extracts these hidden issues and explains and elaborates on them with remarkable affinity to modern analytical philosophy Part of that affinity lies in the use of modal logic a tool whose importance was overlooked between the Renaissance and the twentieth century The time is ripe for an analytically inspired translation of Thomas hence this volume Never until now has Cajetan's Commentary been put into English in its entirety William Marshner's translation is consistent with fidelity to the technical force of the original The translator's footnotes acknowledge what empirical science has made obsolete in the work of St Thomas and also make clear how much today's science would have saved Thomas useless labor This volume will for the first time make Cajetan's help available to the modern reader

Be Reconciled with God Andrew Gray,2019-08-25 *Be Reconciled with God* presents twelve rare sermons preached by Andrew Gray Each sermon is succinct and compelling alluring and humbling They are packed with both simple and profound thought communicated with almost tangible passion When Gray preached from a text that invites sinners to come to Jesus unconditionally his whole sermon consisted of compelling invitations When he preached on experiential themes such as union

and intimate communion with Christ his whole sermon unpacked these riches When he preached on texts that focus on our responsibility to sanctify ourselves before God his whole sermon presses us on the particular aspect of sanctification that his text stresses When the text selected contained a strong emphasis on warning against one kind of sin or another his whole sermon conveyed a solemn urgent warning note to abandon that sin and flee to Christ Gray was a preacher who was on fire as it were to bring his church family the whole counsel of God as contained in the variety of texts that he selected to preach But each particular sermon focused like a laser beam on the text at hand This helped make his sermons so compelling and powerful
