The background is a dark blue night sky filled with numerous small, bright stars. The overall mood is peaceful and contemplative.

Love, Fear and Other Things That Cry out in the Night Marilyn R. Moody, 2000-01-19 *Love Fear and Other Things That Cry Out In The Night* Moments Alone With Agoraphobia was written by Marilyn R Moody approximately 20 years ago At that time in her life she was diagnosed with this illness It was a difficult way to live Because she had young children she managed to keep working feeling responsible for their financial needs even though she was married to a very supportive man Writing was one of the ways she

coped with the fears brought on by agoraphobia Ms Moody saved the writing from that time Over the years as she has grown healthier and stronger she would often take out the book that originally was written for her eyes only to read again her thoughts from that time in her life She would then realize how far she had progressed Now she has included those writings into one book to share with others who might also be experiencing the devastating effects from agoraphobia She would like them to know that they are not alone

Discipleship

Anton Labuschagne,2023-03-28 Are you 100 percent convinced of the true heart of God who loves you unconditionally unmerited and undeserved Do you have a deep revelation of what the finished work of the cross means and how you can apply that every day to live a victorious life Do you have an intimate relationship with the most important person on earth the Holy Spirit Do you have a clear understanding of what kingdom life entails What does it mean to you that you are positioned in Christ What part do you believe you can play in effectively expanding this powerful kingdom we are a part off The lack of true discipleship undermines everything that we seek to accomplish as believers in this life Many Christians never commit to a growing relationship with the Lord and because of this become unfit to face the challenges in life This book will inspire

every believer and give practical guidelines to help discover the significance of our authority and identity in Christ It brings dispensational understanding that allows every child of God to possess everything which Jesus paid for on the cross After all it makes you fall in love with God all over again *Christian Love* Jonathan Edwards,2023-05-18 Reprint of the original first published in 1874 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *The Workes of William Ames, Translated Out of the Latine for Publike Use* William Ames,1643 *Plato and the Other Companions of Sokrates* George Grote,2022-01-04 Thanks to the publication of Plato and the Other Companions of Sokrates George Groves was renowned as the greatest nineteenth century Plato scholar In the reface to this book the author says he s chosen the characters of Plato and Socrates as they are interesting and important characters in philosophy and history The personality of Socrates has become legendary Yet the period of his greatest achievement coincided with work and life od other important philosophers This book tells about important leaders of thought from the Socrates circles Xenophon Kriton Protagoras Parmenides Menon and others It may be used an as supplementary source for learning philosophy and for individual research on the history of philosophy According to the author this book is a sequel and supplement to his major opus The History of Greece **Godliness and Greed** Skip Worden,2010-12-16 Traditional scholarship often points to the Calvinists and Max Weber s writing on the Protestant ethic as the catalysts to changing Christian attitudes concerning profit seeking and wealth Author Skip Worden argues that the seeds of this change occurred centuries earlier From the beginning of the Commercial Revolution to the fifteenth century Renaissance he shows that the predominant Christian thought on economics went through a fundamental shift becoming favorable toward profit seeking and wealth holding Worden discusses this dramatic change and explains how the general antagonism toward the pursuit of wealth before the Commercial Revolution transformed into Protestant theologians fighting against the prevailing view of a pro wealth paradigm during the fifteenth century Worden contends that the shift away from the Patristic view of wealth occurred well before the addition of the Calvinist spirit of capitalism and the Puritan work ethic into Christian economic vernacular Drawing on Plato Cicero and Augustine early Protestant theologians unsuccessfully sought to check the rising dominance of the pro wealth Christian paradigm which they believed had been pushed too far These theologians of the sixteenth and seventeenth century felt it was too close to advocating love of gain itself something too close to the sin of greed How well the Reformation succeeded can be assessed by Worden s insightful concluding study of John D Rockefeller the ascetic steward of God s Gold in the form of monopoly Receiving God's Love ,2005
