Love Fugue:

Prism George C. Chesbro, 2017-11-14 The author of the Mongo Mysteries reveals the interior life of a troubled writer in this deeply personal autobiographical novel At the age of fifty eight author Garth Fugue is adrift For the last forty years he has poured his soul into twenty three novels and countless short stories all filled with murder and mayhem By delving into the troubled minds of his characters he has kept his own demons at bay Now Garth is at a crossroads Despite his floundering literary career he is attempting to write his magnum opus while simultaneously teaching at a children s psychiatric hospital As he decides what to write about Garth must ultimately wrestle with his own beliefs about humanity morality and the meaning of it all In this insightful novel George C Chesbro exposes a fictional writer s tortured mind and in doing so divulges the struggles of the real complicated man best known for penning quirky mysteries and pulpy thrillers It is an intimate invitation not to be missed

Lovemaps John Money, 2012-02-29 The word lovemap was first used by Dr John Money in lectures at Johns Hopkins University in 1980 to symbolize the neutral template expressed in every individual s sexueroetic fantasies and practices The word connotes our often subconscious pattern of erotic yearnings and desire Each of us has a distinctive lovemap as different and individual as a fingerprint In this book Dr Money outlines healthy lovemap development as well as lovemap pathology lovemaps gone awry Such pathology falls into three categories hypophilia sexual dysfunction such as impotence hyperphilia erotomania and paraphilia perversions Paraphilia another term coined by Money from the Latin para away from what is expected and philia love can range from those that are playful and harmless to those that are bizarre and deadly Presenting case histories Lovemaps describes the sexual practices of several patients and subsequent treatments of their paraphilias Money pioneered the application of the hormone MPA or Depo Provera to treat repeat sex criminals He believes he has proved that science can prevent paraphilic sex offending as is the case for other physiological diseases Lovemaps and its stirring accounts of lovemap pathology in case histories which are indexed under paraphilia can be invaluable tools for those in the fields of sexology child psychology clinical psychology criminology and with its comprehensive glossary the general reader in short anyone interested in human sexual development

No Free Sleeping Donald Parenzee, Alan Finlay, 1998-11-26 This threesome reflects seemingly quite different sensibilities but running underground are common sources primarily a genuine sense of observation and empathy Parenzees fine delineation of detail his ideological openness but strong sense of justice link well with Vonani Bilas makoya poetry rendered largely in Xitsonga with English translations This poetry that rails in its own manner against money madness and apartheid barbarism stands apart from Finlays quieter

voice but both command reflection After all it is a phrase in a Finlay poem that titles this anthology Finlays work in general contains images of dissolution in a search for meaning from suffering [Sex & Drugs & Rock & Roll and Nursing](#) Raymond Moore,2024-06-03 When you read about what I got up to I know you ll probably think I got what I deserved You re right I totally agree Many of you won t like me no doubt and that s ok I understand I really do I m not all bad though I left the Isle of Skye in the early eighties to start my nursing course in Edinburgh and it s fair to say that I embraced the Capital City s temptations with arms wide open When I moved into a shared flat I met Bill a musician and got involved with his band Low Down you know helping them out doing a bit of driving and humping gear it was great fun Low Down was truly phenomenal Man I totally loved their music We took drugs I mean I took drugs Nothing heavy like just recreational and I met a lot of girls who I didn t treat right and I m not proud of my behaviour that s the truth Look nursing was a female dominated profession and male nurses were thin on the ground the opportunities for getting up to mischief were many I worked hard and played harder A lot of stuff I regret now Especially what I did to Lisa and others Anyway it couldn t last could it They way I was living something had to give And it did **Guide to the Pianist's Repertoire** Maurice Hinson,Wesley Roberts,2024-06-06 Guide to the Pianist s Repertoire continues to be the go to source for piano performers teachers and students Newly updated and expanded with more than 250 new composers this incomparable resource expertly guides readers to solo piano literature and provides answers to common questions What did a given composer write What interesting work have I never heard of How difficult is it What are its special musical features How can I reach the publisher New to the fourth edition are enhanced indexes identifying black composers women composers and compositions for piano with live or recorded electronics a thorough listing of anthologies and collections organized by time period and nationality now including collections from Africa and Slovakia and expanded entries to account for new material works and resources that have become available since the third edition including websites and electronic resources The newest Hinson will be an indispensable guide for many years to come **The Secret Drama of Shakespeare's Sonnets Unfolded** Gerald Massey,1872 [Another Love](#) Asma Abbas,2018-10-15 In a time when our loves feel conscripted and exhausted by what we often do not remember desiring Another Love A Politics of the Unrequited explores the form method imperatives and inflections of love in the global post colony and offers a way to re apprehend and re inscribe love in an anticolonial materialist and nonfascist politics and aesthetics The figure of the unrequited is invoked as a symptom of a brutally loveless yet effusively sentimentalized era and also as an ineluctable yet very concrete political location in the face of both the intensifying external realities of war occupation apartheid austerity and terror as well as the increasingly normalized internalizations of ordinary imperialism nationalism neoliberalism fascism and colonialism all of which seem bent on extinguishing the possibility of relation itself The book asks that we look at practices of love and other material labors that yield and sustain these realities within complex lifeworlds indeed those which sustain entire systems of our subjection extraction and disposability such as colonialism

capitalism liberalism and fascism as lifeworlds especially when given dominant forms of recognition affection embrace and belonging are unacceptable or even repulsive Distancing itself from shortcuts afforded by love's abstract forms deployed in ethical and moral discourses that at once elevate it yet wholly reduce it to a timeless apolitical essence Another Love sees love as a material and political relation to time and space signaling willed and unwilled shifts in historical reality in societies juggling various wars and annihilations It maintains that love is something in and with which we confess our complicities not only with but also against hegemonic notions of belonging devotion martyrdom hospitality publicity collectivity and solidarity nurtured and harvested under capital and colony The longing and the love missed by the pernicious and reactionary politics both of liberal democracy and the incidental fascisms that it claims to set out to fix can give us clues into past present and future moments of rebellion resistance rejection and redemption that are crucial to a liberatory anticolonial and antifascist politic and to rethinking attachment desire and relation itself
