Psalms. Joannis Miltoni Londinensis Poemata. Elegiarum liber. Epigrammatum Liber. Sylvarum liber** John Milton, 1836 *The Plays of Henry Fielding* Albert J. Rivero, 1989 Henry Fielding was one of the most interesting playwrights of his time because of his historical position similar to that of George Bernard Shaw and his awareness of what it meant to be a playwright at a time when the native dramatic tradition appeared to have settled down for a long sleep and when the only hope for an awakening lay in such low crowd pleasers as farces puppet shows laughing tragedies and ballad operas By focusing on the plays themselves Rivero tells the story of Fielding's dramatic career without burdening the reader with an exhaustive history of contemporary plays and playwrights He provides us with a clear critical account of Fielding's dramatic career in terms of trends in contemporary dramatic affairs that help to account for his artistic choices in individual plays **Henry Fielding, Critic and Satirist** Frans Pieter van der Voorde, 1966 Fielding himself frequently stated that satire was his aim Taking this statement as his point of departure the author considers Fielding's criticism of men manners his attitude towards his treatment of the literature the politics the learned professions the social conditions of his day **A TRUE AND EXACT CATALOGUE OF ALL THE PLAYS**, 1732 *Henry Fielding* H. Pagliaro, 1998-05-11 Henry Fielding A Literary Life characterizes Fielding's complex personality in some ways full of contradiction and yet resolved both by a deep knowledge of human nature including his own and by his innate social constructiveness and his gift for friendship and love The book also details ways in which Fielding's complex attitudes contribute to the subject matter of his plays and novels and to the rhetorical strategies that control their shape as well It further shows that his work as lawyer London magistrate and social and political essayist was similarly informed Henry Fielding - Love in Several Masques Henry Fielding, 2019-02-15 Henry Fielding was born at Sharpham Park near Glastonbury in Somerset on April 22nd 1707 His early years were spent on his parents farm in Dorset before being educated at Eton An early romance ended disastrously and with it his removal to London and the beginnings of a glittering literary career he published his first play at age 21 in 1728 He was prolific sometimes writing six plays a year but he did like to poke fun at the authorities His plays were thought to be the final straw for the authorities in their attempts to bring in a new law In 1737 The Theatrical Licensing Act was passed At a stroke political satire was almost impossible Fielding was rendered mute Any playwright who was viewed with suspicion by the Government now found an audience difficult to find and therefore Theatre owners now toed the Government line Fielding was practical with the circumstances and ironically stopped writing to once again take up his career in the practice of law and became a barrister after studying at Middle Temple By this time he had married Charlotte Craddock his first wife and they would go on to have five children Charlotte died in 1744 but was immortalised as the heroine in both Tom Jones and

Amelia Fielding was put out by the success of Samuel Richardson's *Pamela; or, Virtue Rewarded*. His reaction was to spur him into writing a novel. In 1741 his first novel was published, the successful *Shamela*, an anonymous parody of Richardson's novel. Undoubtedly the masterpiece of Fielding's career was the novel *Tom Jones*, published in 1749. It is a wonderfully and carefully constructed picaresque novel following the convoluted and hilarious tale of how a foundling came into a fortune. Fielding was a consistent anti-Jacobite and a keen supporter of the Church of England. This led to him now being richly rewarded with the position of London's Chief Magistrate. Fielding continued to write, and his career both literary and professional continued to climb. In 1749 he joined with his younger half brother John to help found what was the nascent forerunner to a London police force, the Bow Street Runners. Fielding's ardent commitment to the cause of justice in the 1750s unfortunately coincided with a rapid deterioration in his health. Such was his decline that in the summer of 1754 he travelled with Mary and his daughter to Portugal in search of a cure. Gout, asthma, dropsy, and other afflictions forced him to use crutches. His health continued to fail alarmingly. Henry Fielding died in Lisbon two months later on October 8th, 1754.
