

A scenic landscape at sunset or sunrise. The sun is low on the horizon, casting a warm, golden glow over the scene. A winding road leads from the foreground into the distance, flanked by tall grass and hills. The sky is filled with soft, colorful clouds. A dark, semi-transparent rectangular box is overlaid on the center of the image, containing white text.

Let my love like sunlight
surround you and yet give
you illumined freedom.

Rabindranath Tagore

Love Is Like The Sunlight:

A Love Like the Sun Riss M. Neilson, 2024-06-11 THE USA TODAY BESTSELLER Perfect for fans of Abby Jimenez Kennedy Ryan and Carley Fortune aka me Emily Henry Beautifully blending beloved tropes and smooth often lyrical prose Two lovers navigate challenges related to mental health racial identity grief and a chronic illness NPR Lifelong best friends spend a fateful summer discovering what might happen if they were to be something more in this radiant heart clenching adult debut Laniah Thompson is a homebody who craves privacy Issac Jordan is internet famous and spends his days followed by paparazzi She runs a small business with her mom in her hometown He runs an international brand And they've been best friends since childhood When Issac comes home to Providence for the first time in months and discovers Laniah's dream is slipping out of reach as she and her mom struggle to pay the bills at Wildly Green their natural hair store she refuses to take a dime from him And so he does what any self-respecting best friend would do tells the world they're dating Suddenly business is booming and Laniah agrees to his ridiculous plan to pretend to be lovers for the course of the summer Just long enough to catch the eye of an investor and get her dream back on track like she helped him do so many years ago he reminds her Too soon though Laniah knows she's playing with fire because for as long as they've been friends there's an undeniable pull they've never given in to And as the lines between art and life real and pretend blur it becomes harder and harder to see where friendship ends and something else begins Told over the course of three sizzling summer months *A Love Like the Sun* is about shared history those who make us our bravest selves and love in its many forms Dazzling tender and romantic Carley Fortune
