Practical Farmer ,1893 **The Athenaeum** ,1861 *Lesbian Modernism* English Elizabeth English,2014-11-11 The first

book length study to explore the importance of genre fiction for the body of literature we call lesbian modernismElizabeth

English explores the aesthetic dilemma prompted by the censorship of Radclyffe Hall s novel The Well of Loneliness in 1928

Faced with legal and financial reprisals women writers were forced to question how they might represent lesbian identity

and desire Modernist experimentation has often been seen as a response to this problem but English breaks new ground by

arguing that popular genre fictions offered a creative strategy against the threat of detection and punishment Her study

examines a range of responses to this dilemma by offering illuminating close readings of fantasy crime and historical fictions

written by both mainstream and modernist authors English introduces hitherto neglected women writers from diverse

backgrounds and draws on archival material examined here for the first time to remap the topography of 1920s 1940s

lesbian literature and to reevaluate the definition of lesbian modernism Key Features Rethinks the lesbian modernist project

to demonstrate that genre fiction not only influenced modernist writers such as Woolf and Stein but also found its way into

their ostensibly highbrow workBrings to light hitherto neglected mainstream writers working in popular genres who

contributed to the lesbian modernist aestheticSituates Katharine Burdekin within the context of lesbian modernism for the

first time employing hitherto unseen archive material including letters and manuscripts Divided into three broad multi author

genres fantasy historical and detective fictions the study covers popular fictions such as utopian writing the supernatural

historical biography historical romance and the classic country house crime novel **Liberty** ,1892 *Atlanta* ,2006-11
