Emerson [and others].* Sarah Margaret Ossoli (march.), 1903 **Love-letters of Margaret Fuller, 1845-1846, with an Introd. by Julia Ward Howe** Margaret Fuller, 1903 **Love-letters, 1845-1846** Margaret Fuller, 1903 The Letters of Margaret Fuller Margaret Fuller, 2018-10-18 This single volume selection of the letters of Margaret Fuller invites acquaintance with a great American thinker of the Transcendentalist circle

Love-letters of Margaret Fuller 1845-1846 ,1903 Love-letters of Margaret Fuller, 1845-1846 Margaret Fuller, 1903 **Italy in the American Imagination** Ian J. Bickerton, 2023-10-04 It is almost impossible to imagine the United States without making reference to Italy There is scarcely any aspect of American culture untouched by Italy its history art architecture fashion film music the mafia or even more viscerally its food Italy occupies a space of near mythical proportion in the American imagination When many Americans think of or dream about and imagine the good life how and where they would like to live they think most often of Italy the beauty the life style the romance the excitement and sense of adventure that Italy offers By looking at the fluid and multi dimensional imaginative interactions Americans have with Italian culture and society this comprehensive and robust volume offers a new and novel way of exploring the influence of Italy upon the United States University of New South Wales historian Ian James Bickerton argues that if we wish to understand the United States and how Americans define themselves and their nation it is vital to examine how they imagine themselves and he demonstrates that throughout U S history one of the most powerful stimulants shaping the imaginary world of Americans has been Italy **Toward a Female Genealogy of Transcendentalism** Jana L. Argersinger, Phyllis Cole, 2014-08-15 Traditional histories of the American transcendentalist movement begin in Ralph Waldo Emerson s terms describing a rejection of college books and church pulpits in favor of the individual power of Man Thinking This essay collection asks how women who lacked the privileges of both college and clergy rose to thought For them reading alone and conversing together were the primary means of growth necessarily in private and informal spaces both overlapping with those of the men and apart from them But these were means to achieving literary aesthetic and political authority indeed to claiming utopian possibility for women as a whole Toward a Female Genealogy of Transcendentalism is a project of both archaeology and reinterpretation Many of its seventeen distinguished and rising scholars work from newly recovered archives and all offer fresh readings of understudied topics and texts First quickened by the 2010 bicentennial of Margaret Fuller s birth the project reaches beyond Fuller to her female predecessors contemporaries and successors throughout the nineteenth century who contributed to or grew from the transcendentalist movement Geographic scope also widens from the New England base to national and transatlantic spheres A shared goal is to understand this genealogy within a larger history of American women writers no absolute boundaries divide idealism from sentiment romantics from realists or white discourse from black

Primary text interludes invite readers into the ongoing task of discovering and interpreting transcendentally affiliated women This collection recognizes the vibrant contributions women made to a major literary movement and will appeal to both scholars and general readers

Feminist Conversations Christina Zwarg, 2018-05-31 In a new account of the relationship between Margaret Fuller and Ralph Waldo Emerson Christina Zwarg recreates a feminist conversation that has gone unheard In Zwarg's view the intimate yet restrained letters between the two writers are most significant in confronting the challenges posed by gender and desire Focusing on their exploration of Charles Fourier's utopianism and particularly his concept of passionate attraction Zwarg offers the only detailed reading of Emerson's letters to Fuller
