as age social class and linguistic variety and variables specific to Language and Sexuality Studies including levels of openness about their sexuality and their distinctive use of gayspeak The final section takes an eclectic approach providing a multifaceted analysis of the gayspeak observed in the corpus This is done through both manual analysis and a corpus assisted approach using Lancsbox software The primary goal of this section is to evaluate whether the features of gayspeak identified in earlier studies persist in the contemporary plays under examination *How I Wonder What You Are* Jane
