Vee scored a 1 hit with the classic Take Good Care of My Baby and followed it with 2 Run to Him ensuring his place in history as one of the most consistent hit makers of his generation. His star dimmed when British groups took over but bounced back with one of his biggest hits Come Back When You Grow Up. He racked up 38 Top 100 hits. This looks at all of his recordings. Some of his best music came long after his name vanished from the music charts. He encountered Bob Dylan, worked with Leon Russell, achieved success with Holly's Crickets and met the Beatles. As you reflect on each devotional, love will become more than an occasional feeling; all of your days will be filled with sustained peace. The first twenty-one days of the seven-week cycle focus on changing old habits. This is accomplished through inner evaluation, defining objectives, and commitment. The second twenty-one days are all about making new habits through strengthening character, operating in the supernatural, and living out your ideals. The final seven days will help you reinforce your new loving habits through testimonies of a victorious life. The Prayer of Love Devotional is more than a collection of prayers; it is a guide to permanent change in your life. By investing just forty-nine days in this adventure in love, your life will take on new purpose and greater meaning. Publisher description **Market World and Chronicle**, 1917
