The Hermits of Big Sur Paula Huston,2021-11-01 Between World War II and Vatican II as Italy struggled to rebuild after decades of Mussolini's fascism an eleventh century order of contemplative monks in the Apennines were urged by Thomas Merton to found a daughter house on the rugged coast of California A brilliant but world weary ex Jesuit who had recently withdrawn from a high intensity public life to go into reclusion at the ancient Sacro Eremo of Camaldoli was tapped for the job Based on notes kept for over sixty years by an early American novice at New Camaldoli Hermitage The Hermits of Big Sur tell the compelling story of what unfolds within this small and idealistic community when medievalism must finally come to terms with modernism It traces the call toward fuga mundi in the young seekers who arrive to try their vocations only to discover that the monastic life requires much more of them than a bare desire for solitude And it describes the miraculous transformation that sometimes occurs in individual monks after decades of lectio divina silent meditation liturgical faithfulness and the communal bonds they have formed through the practice of the privilege of love *The Living Church* ,2000-07 **New SCM Dictionary of Christian Spirituality** Philip Sheldrake,2013-05-20 This dictionary attempts to give direct access to the development of Christian Spirituality It is a series of pieces written by experts to provide instant accurate and thought provoking information of high scholarship **Seeking in Solitude** Bernadette McNary-Zak,2014-06-02 Seeking in Solitude examines select forms of contemporary Roman Catholic eremitic life and practice in the United States Given the sustained presence of and increased interest in the eremitic life and practice this book responds to the question of the place of the hermit in American Catholicism in a way that neither mystifies nor mythologizes it but rather attempts to understand it *Dwelling in the Wilderness* Jason M. Brown,2024-01-23 What might the lives of contemporary monastics teach us about putting down roots Whereas many of us are constantly on the go stressed out and focused on productivity the life of a monk prioritizes staying put and paying attention Many monks take a vow of stability that commits them to their home monastery leading them to develop a deep connection with and knowledge of the land they inhabit The monastic life teaches those who practice it to move more slowly through the world and the monastic sense of place may even hold a key to responding to the growing ecological crisis threatening our environment Dwelling in the Wilderness examines how

contemporary Benedictine Roman Catholic monks in the American West fall in love with their landscapes and how in troubled times we might do the same Jason Brown travels to four monasteries the New Camaldoli Hermitage in Big Sur California the Abbey of Our Lady of New Clairvaux in Vina California Our Lady of Guadalupe Trappist Abbey in Carlton Oregon and the Monastery of Christ in the Desert in Abiquiu New Mexico and spends time with the monks there following their daily routine of prayer and tending to the land He learns how the places they inhabit are essential to their daily spiritual practice and how they construct deeper theological meaning from the natural world Illustrated with Brown s photography of monastic landscapes his journey journey as a pilgrim anthropologist is astute insightful and intimate He explores theories of environmental perception philosophy and symbolic landscapes in accessible language Bringing theological reflection to the power of contemplative ecology in an era many are calling the Anthropocene or the age of human domination he leads us to reconsider our relationship with our natural homes **The American Benedictine Review** ,2002 [Selling All](#) Sandra Marie Schneiders,2001 An examination of the internal reality of contemporary religious life particularly that of ministerial women religious in the first world setting through the focusing lenses of commitment consecrated celibacy and community
