Love Poems For The Very Married:

Love Poems for the Very Married Lois Wyse, 1979 More Love Poems for the Very Married Lois Wyse, 1971 **Arabic and Hebrew Love Poems in Al-Andalus** Shari Lowin, 2013-11-20 Arabic and Hebrew Love Poems in al Andalus investigates a largely overlooked subset of Muslim and Jewish love poetry in medieval Spain hetero and homo erotic love poems written by Muslim and Jewish religious scholars in which the lover and his sensual experience of the beloved are compared to scriptural characters and storylines This book examines the ways in which the scriptural referents fit in with or differ from the traditional Andalusian poetic conventions The study then proceeds to compare the scriptural stories and characters as presented in the poems with their scriptural and exegetical sources This new intertextual analysis reveals that the Jewish and Muslim scholar poets utilized their sacred literature in their poems of desire as more than poetic ornamentation in employing Qur'anic heroes in their secular verses the Muslim poets presented a justification of profane love and sanctification of erotic human passions In the Hebrew lust poems which utilize biblical heroes we can detect subtle subversive and surprisingly placed interpretations of biblical accounts Moving beyond the concern with literary history to challenge the traditional boundaries between secular and religious poetry this book provides a new multidisciplinary approach to existing materials and will be of interest to students scholars and researchers of Islamic and Jewish Studies as well as to those with an interest in Hebrew and Arabic poetry of Islamic Spain *Love Poems for Married People* John Kenney, 2018-12-31 NEW YORK TIMES BESTSELLER Based on his wildly popular New Yorker piece Thurber Prize winner John Kenney presents a hilarious collection of love poems for well married people Full of brilliant wit dynamic energy and a heavy dose of reality *Love Poems for Married People* takes the poetic form turns it upside down and leaves it in the dishwasher to dry Inspired by one of the most shared New Yorker pieces of all time this collection captures the reality of life once the spark of a relationship has settled and hilariously so With brand new pieces that cover all areas of married life from parental gripes to dwindling sex lives Kenney's wry observations and sharp humor remind us exactly what it's like to spend the rest of your life with the person you love I was almost feeling fondness for you As you gave me a shoulder massage at the sink What a small lovely surprise And then you grabbed my boobs and made a wha wha noise In an instant I felt disgust and sadness and regret

Love Poems Lois Wyse, 1996 A compilation of two of Wyse's well known volumes of poetry A.K.Ramanujan's Search for Creativity Dr. Sanjay G. Kulkarni, 2025-02-22 A K Ramanujan's Search for Creativity offers a deep dive into the poetry of A K Ramanujan exploring his unique role as an Indian expatriate poet The book examines his autobiographical reflections symbolic techniques and finely nuanced art highlighting his dual sensibility rooted in Indian tradition yet shaped by Western influences Through an exploration of his creative and translated works the study considers his contributions to postindependence IndoAnglian poetry and his lasting impact on the literary landscape This critical study focuses on Ramanujan's distinct approach to life and literature evaluating his psychological social and cultural insights It explores how

his voluntary exile enriched his understanding of Indian history tradition and the global literary scene By offering a balanced perspective on his work the book affirms Ramanujan s significant place in contemporary Indian poetry and his exceptional contribution to the craft *Astrology for Lovers* Liz Greene,1989-12-01 Looks at the characteristics mythology and sensuality of each sign of the zodiac and offers advice on finding one s true love Reissue **The Story of an African Farm** Olive Schreiner,1896 The History of Marriage and Divorce Harry L. Munsinger J.D. Ph.D.,2019-11-05 Marriage rituals and divorce procedures have varied widely over time and across cultures The History of Marriage and Divorce explores the evolution of these two institutions from our early hunter gatherer ancestors through antiquity and the middle ages up to modern times In this book collaborative attorney and former psychology professor Harry L Munsinger explains the legal economic religious evolutionary and psychological issues involved in mating and divorcing This book will give readers insight into why humans marry divorce and remarry with such irrational abandon The reader will discover that the tendency to marry and divorce are partly inherited and the personal and genetic appeal of serial monogamy **Property and Virginit** Agnes Siggerour Arnorsdottir,2010-05-31 Christianity changed the culture and society of Iceland as it also did in other parts of Northern Europe during the twelfth and thirteenth centuries One of the important areas of change involved the introduction of new rules on the legal requirements for marriage Property and Virginit examines Icelandic law codes marriage contracts and other documents related to court proceedings Based on extensive source material never researched before this pioneer study explores the very gradual Christianization of marriage in Iceland It shows that this process which lasted for hundreds of years had consequences for family and kinship politics for inheritance and property transfer and for gender relations As canon law began to change the old ritual of betrothal the virginal state of the woman entering marriage gained greater importance At the same time marriage in the Late Middle Ages continued to include many elements of its older understanding as a contract concerning property transfer between families A new perception of gender relations also arose whereby women became partners in the actual contract making The handshake was now between the husband and wife instead of between the father of the bride and her future husband The rituals connected to the different bonds gained new meaning marriage was no longer a financial matter alone but also involved religious beliefs and a closer union of the spouses **Vikings** Kim Hjarðar,2020-01-10 A concise history of the Vikings and their time by the Norwegian historian and author of Vikings at War From the ninth to the eleventh century Viking ships landed on almost every shore in the Western world Viking ravages united the Spanish kingdoms and stopped Charlemagne and the Franks advance in Europe Employing sail technology and using unpredictable strategies the Vikings could strike suddenly attack with great force then withdraw with stolen goods and captives Wherever Viking ships roamed enormous suffering followed in their wake but the encounters between cultures changed both European and Nordic societies This short history of the Vikings introduces readers to this highly influential medieval society Here you will learn how Vikings raided across Europe and even America with fascinating

information about their ships weapons and armor and unique way of life **Dancing for Hathor** Carolyn Graves-Brown,2010-05-07 The fragmentary evidence allows us only tantalising glimpses of the sophisticated and complex society of the ancient Egyptians but the Greek historian Herodotus believed that the Egyptians had reversed the ordinary practices of mankind in treating their women better than any of the other civilizations of the ancient world Carolyn Graves Brown draws on funerary remains tomb paintings architecture and textual evidence to explore all aspects of women in Egypt from goddesses and queens to women as the vessels of creation Perhaps surprisingly the most common career for women after housewife and mother was the priesthood where women served deities notably Hathor with music and dance Many would come to the temples of Hathor to have their dreams interpreted or to seek divine inspiration This is a wide ranging and revealing account told with authority and verve **The Publishers' Trade List Annual** ,1902 *The Book Buyer's Guide* ,1969 **Returning to John Donne** Achsah Guibbory,2016-03-23 Collected in this volume are Achsah Guibbory's most important and frequently cited essays on Donne which taken together present her distinctive and evolving vision of the poet The book includes an original substantive introduction as well as new essays on the Devotions upon Emergent Occasions the Songs and Sonnets and the subject of Donne and toleration Over the course of her career Guibbory has asked different questions about Donne but has always been concerned with recovering multiple historical and cultural contexts and locating Donne's writing in relation to them In the essays here she reads Donne within various contexts the early modern thinking about time and history religious attitudes towards sexuality the politics of early modern England religious conflicts within the church While her approach has always been historicist she has also foregrounded Donne's distinctiveness showing how and why he continues to speak powerfully to us now Presented together here with reflections on the trajectory of her engagement with Donne Achsah Guibbory illuminates Donne's understanding that erotic spiritual and political issues are often intertwined and reveals how this understanding resonates in our own times [A Hundred Love Poems from Old Korea](#) ,2021-11-22 Korea's traditional love poetry is little known in the West This anthology contains examples of all genres vernacular to long lyrical poems A witty informative commentary links the poems and sets them in context **George Meredith** Richard Cronin,2019-11-23 George Meredith The Life and Writing of an Alteregoist is not only a critical biography of the Victorian novelist and poet George Meredith but also a portrait of the novel in the later nineteenth century Interweaving analysis of Meredith's novels and poems with discussion of his life Richard Cronin focuses primarily on the books Meredith read and wrote arguing that novels by the end of the nineteenth century were shaped as much by the reading as by the experience of their writers Cronin places Meredith's novels in relation to the work of his contemporaries including Henry James Thomas Hardy and George Gissing Organized thematically the book explores Meredith's personal side including his hostility to biography his origins as the son of a tailor his marriages as well as his reading habits and the prose style that is the most complete expression of his strange but compelling personality *Holman Old Testament Commentary*

Akin, 2003-07-01 One in a series of twenty Old Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike *Incredible Love Poems and Other Passionate Writings* Thomas Joe Franks Ph.D., 2019-07-18 This is no ordinary book of poetry It s about two people in love who later got married and continued to share their thoughts and emotions with us I appreciate so many of you sharing your thoughts with me The possibilities are limitless I thank God for my lovely wife companion and best friend Karen Many of the poems are about her Beware some of the poems may contain adult language but not like TV or the movies All the poems were written before and after our marriage For several years I have wanted to write a book of poetry I think you will be intrigued by the simplicity of these poems Part 1 deals with poems that I have written to Karen over the past seventeen years and some other inspirational poems as well Part 2 deals with motivational poems and passionate writings that I think you will enjoy Some of the poems may be a little risqu but nothing like TV or movies of today Having written fictional books inspirational books religious books motivational books this was a real challenge But I love poetry and classical prose Hopefully you will find a favorite poem that you like This book is filled with passion energy and vitality Enjoy **Japanese Love Poems** Evan Bates, 2012-06-20 This original selection of verses from the time honored collection of Japanese poetry reflects the many facets of love from paeans to conjugal love to descriptions of fierce competition for spouses Text is in English only
