

“Love is in the details, but it’s also about feats and big deals. Love is loud, but sometimes it needs silence. Love is what connects two people and warms their hearts even when they are far away from each other. Love is so multifaceted but at the same time stable and safe. Love is what happens between us.”

Love That Detail:

Love in the Details Becky Wade, 2015-10-27 Holly ended things to give him a better life but she was the future he always dreamed of Eight years have passed since Holly last saw her high school sweetheart Josh Now the wedding of Josh's best friend has brought him back to Martinsburg Texas His duties as best man and Holly's as the church's volunteer wedding coordinator link them together As they work behind the scenes to plan a beautiful November wedding for their friends they're forced to confront painful reminders of what might have been Holly broke up with Josh all those years ago in an attempt to ensure his future success However she never told him the true reason behind her actions and now must decide whether to keep her secret hidden She's terrified of letting herself fall for him because she barely managed to piece her life back together after losing him the last time Not a day's gone by since Josh parted from Holly that he hasn't thought about her The pain of the past eight years has been too much to bear and he doesn't want to make himself vulnerable to her again But the more time he spends with her the harder it is to deny the love he still has for her Will Josh and Holly risk their hearts on the hope that God's timing really can be best

A Detailed Explication of T. S. Eliot's The Love Song of J. Alfred Prufrock Harry Eiss, 2022-03-22 Do I dare disturb the universe This is a question recognized by people around the world If typed into the internet hundreds of examples appear Many know that it comes from one of the best known poems of the previous century T S Eliot's *The Love Song of J. Alfred Prufrock* What many do not know is that Eliot dramatically shifted his views at the height of his fame for writing such dark poetry as this and *The Waste Land* becoming a sincere devoted Christian While his poetry is famous because it expresses the loss of a spiritual center in European civilization a careful reading of it reveals that he was struggling with his Christianity from the beginning not rejecting it but trying to make it fit into the contemporary world If the reader works through Eliot's love song for all of the esoteric meanings as he demands it quickly becomes evident that he intended it as a struggle between agape amour and eros Beginning it with a quote from Dante forces that into place Though the protestant forms of Christianity have changed their views on these the Roman Catholic holds fast Eliot references Michelangelo in the poem bringing in the great painter of the ceiling of the Sistine Chapel Most immediately recognize his name and work but do not realize how he expressed a similar personal struggle between the desires of the flesh and the spirit Both of them admired Dante's *Divine Comedy* and its inclusion of amour as a means to salvation Dante's work is generally seen as the greatest literature ever to come out of Italy This book is an expanded revision of *Seeking God in the Works of T S Eliot and Michelangelo* It explores how T S Eliot struggled with the highest meanings of existence in his poetry and his own life and perhaps managed to express what has become known as a modernist and post modernist view of what Rudolph Otto designated the *mysterium tremendum* the experience of a mystical awe the experience of God

Justice and Love Mary Zournazi, Rowan Williams, 2020-11-12 How do we see and act justly in the world In what ways can we ethically respond to social and economic crisis How do we address the desperation that exists in the new forms of violence and atrocity These are all questions at the heart of Justice and Love a philosophical dialogue on how to imagine and act in a more just world by theologian Rowan Williams and philosopher Mary Zournazi Looking at different religious and philosophical traditions Williams and Zournazi argue for the re invigoration and enriching of the language of justice and by situating justice alongside other virtues they extend our everyday vocabularies on what is just Drawing on examples ranging from the Paris Attacks the Syrian War and the European Migrant Crisis to Brexit and the US Presidential elections Williams and Zournazi reflect on justice as a process a condition of being a responsiveness to others rather than a cold distribution of fact By doing so they explore the love and patience needed for social healing and the imagination required for new ways of relating and experiencing the world
