Love Bug:

The Weakness in Me Joan Armatrading, 2022-11-01 Since the release of her debut album *Whatever's For Us* in 1972 Joan Armatrading has across a fifty year career traversed styles and genres to create a monumental body of work Acknowledged as the first British female singer songwriter to gain international success her writing is alive with intelligence and empathy and paints the human experience with insight and emotion Selected and arranged by the author and featuring a foreword by revered record producer Glyn Johns *The Weakness In Me* presents the lyrics of Armatrading for the first time in one unique volume It also contains an introduction by Armatrading alongside annotations to a number of songs giving a rare personal glimpse into the creative process of a true pioneer [James Dean Transfigured](#) Claudia Springer, 2013-05-17 After the death of James Dean in 1955 the figure of the teen rebel permeated the globe and its presence is still felt in the twenty first century Rebel iconography which does not have to resemble James Dean himself but merely incorporates his disaffected attitude has become an advertising mainstay used to sell an array of merchandise and messages Despite being overused in advertisements it still has the power to surprise when used by authors and filmmakers in innovative and provocative ways The rebel figure has mass appeal precisely because of its ambiguities it can mean anything to anyone The global appropriation of rebel iconography has invested it with fresh meanings Author Claudia Springer succeeds here in analyzing both ends of the spectrum the rebel icon as a tool in upholding capitalism's cycle of consumption and as a challenge to that cycle and its accompanying beliefs In this groundbreaking study of rebel iconography in international popular culture Springer studies a variety of texts from the United States and abroad that use this imagery in contrasting and thought provoking ways Using a cultural studies approach she analyzes films fiction poems Web sites and advertisements to determine the extent to which the icon's adaptations have been effective as a response to the actual social problems affecting contemporary adolescents around the world [Catalog of Copyright Entries](#) Library of Congress. [Voices in the Garden](#) Lucia Chiappara-Bennett, 2013-12-11 *Voices in the Garden* I know you had a dozen words to described my soft image of my personality But did you know I can see right through you My reflection can wonder in creating such manipulation The purpose of my life is to live each day and not worry what I didn't do yesterday but what I done today I created such achieving memories that no one knows my other potential in life that I fulfill And your only concerns what I didn't do I often learn to touch the love in my heart but I felt the values your previous concepts to establish to fulfill my dreams Writing *Voices in the Garden* is the second potential I had in my poetry But deep down I gave you my best days and my best life I am aware of my vulnerability conflicts and had developed new level of self growth in creating my new sound of poetry And you will not see any regrets Regardless of what you say but what you choose to tell that keeps me growing
