What you See... Is What You Get Portia A. Jones,2023-03-28 This book was written to encourage and support all those who might be termed self or soul seekers My introduction to this philosophy and or teaching called metaphysics actually turned my life around Over the years after much reading studying researching a lot of soul searching and practicing those concepts that made sense to me I have become a more confident and peaceful person about my place within the universe After many years of private pain and suffering I have learned so much about that something within me that has become the catalyst for me to feel empowered to learn to honor and respect others to make positive changes for myself based on my own determination I have learned to accept myself just as I am and no longer relying on others opinion or waiting for their concept of who I am or should be I have learned that I have a powerful tool that is available to me This tool was not given to me by anyone nor can it be taken away from me I am in total control of this tool which is my mind With our minds we can observe make adjustments when we find it necessary or desired We can make judgments or not We can be healthy happy and

successful all due to our state of mind What a powerful gift that we all have been given So this book may be a catalyst for others who have probably heard these words before but have not been courageous enough to make a stand for themselves Changing one s thoughts can indeed change one s life but this endeavor is not easy It takes commitment to one s self to come to that place of understanding and accepting that it s what you understand in life is what you will experience Whispers from God Victoria M. Howard DM,2019-12-01 Whispers From God is a 365 day devotional book that reflects messages especially for you from God Experience peace in the presence of the Savior through these inspiration devotionals written for the entire family Whispers From God contains words and messages of encouragement comfort and reassurance of our Lord s unending love guidance and peace through Scripture Through these writings your love for Jesus will flourish as you spend one on one time with Him each day **Secrets of the Blessed** C. A. Lemaster,2017-09-27 No one ever promised life had to be fair but does it have to hurt so much Is there any hope that this pain will ever end Wherever Jesus went he was surrounded by a multitude of hurting peoplefolks that needed someone to care about and for them He saw them as harassed scattered sheep in desperate need of a shepherd To each of us he has brought hope for deliverance healing from our sorrows and forgiveness for our sins Whether we investigate the heartbeat of the Psalmists the trials of the patriarchs or the pains of the apostles we find people who faced the abuse life arbitrarily hurls our way These saints found healing through their relationship with their God They wrote fearlessly of their experiences so we might learn from them Secrets of the Blessed takes us on a journey of faith through our pain There is truly hope for a blessed happy life when we learn to believe God even when he seems unfair to us There really are no secrets but there are nuggets of wisdom we can mine from Gods Word *The Atlantic Monthly* ,1902 A Treatise Concerning Heaven and Hell and of the Wonderful Things Within Emanuel Swedenborg,1784 **For each new day; daily portions illustrated by extracts from eminent preachers** Each new day,1897 **Nice Is Better Than Pretty** John A. We Got Married Set Gary Chapman, 2014-12-11 This set includes *The Five Love Languages* and *Things I Wish I'd Known Before We Got Married*. In *The Five Love Languages*, 1 New York Times bestselling author Dr Gary Chapman guides couples in identifying understanding and speaking their spouse's primary love language: quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting loving marriage together. In *Things I Wish I'd Known Before We Got Married*, the author writes, "Most people spend far more time in preparation for their vocation than they do in preparation for marriage. No wonder the divorce rate hovers around fifty percent." Bestselling author and marriage counselor Gary Chapman hopes to change that with his newest book. Gary, with more than 35 years of experience counseling couples, believes that divorce is the lack of preparation for marriage and the failure to learn the skills of working together as intimate teammates. So he put together this practical little book packed with wisdom and tips that will help many develop the loving, supportive, and mutually beneficial marriage men and women long for. It's the type of information Gary himself wished he had before he got married. The material lends itself to heart-felt discussions by dating or engaged couples. To jump start the exchanges, each short chapter includes insightful "Talking It Over" questions and suggestions. And the book includes information on interactive websites as well as books that will enhance the couples' experience. Dr. Chapman even includes a thought-provoking appendix. By understanding and balancing the five key aspects of life, dating couples can experience a healthy relationship. A revealing learning exercise is included at the end.

Padgett (Recorder), 2008-08-18 This is volume five of 5 books. Altogether the books contain the messages received from angelic realms by means of automatic writing through the mediumistic work of James E. Padgett between 1914 and 1920. They reveal information such as the realities of the spirit and soul universe, the qualities and attributes of the Creator, laws of Divine Love and natural Love, qualities of Absolute Truth, understanding the human soul, spirit body and mortal body, soul progression on earth and in the spirit world, spiritual laws such as the law of compensation and the law of attraction, the two paths of spiritual development as first presented by Jesus in the first century, each path resulting in the purification of the soul but only one path resulting in eternal progression, complete emotional bliss and immortality. The major theme of the basic principles governing the reception of Divine Love by the human soul is also covered.
